Boors & Suors .- Messis. Moody & Archter Shoes, which they warrant to be of superior will gradually and steadily increase with the inmanufacture.

REMOVAL .- The majority in favor of removal that petitions will soon be circulated in this counof Justice to a more central location to accommo--date the business of the county, to be submitted to

The question is now coming up in earnest. It is desirable that no location should be named in the Bill-if approved, commissioners can be appointed

from abroad, who are disinterested, to fix the lucation. 'This will give all a fair chance, and will undoubtedly unite all the friends of Removal on the question.

Rail Road Convention .- We learn from Danville that the Rail Road Convention was very <sup>3</sup>Esq. presided. We have not received an account of the proceedings.

CANAL COMMISSIONER .- The following is the official vote for Canal Commissioner: Burns, Loco, 119510 Karns, Whig, 89,118 Morton, Native, 22,934 Larimer, Liberty, 2,851 Burns' majority over all 4,607. A he vote is

very small. Next week we will publish the table in full.

WELL DONE FLORIDA .- Cabell, the Whig candidate for Congress, has been elected over Brockenhaugh, Locofoco, by about 200 majority. In the spring, the State was Locofoco. So we go. The Whig cause is onward.

PREMETLYANIA LEGISLATURE .-- Returns have been received from the entire State, which show the following result :---

Demi Whig. Native. House, Senate, 68. 18 32 00 14 ŀ 86 46

Democratic majority on joint ballot 40. THE STRIKE AT PITTSBURG .- The girls who

turned out at the Factories recently, have gone to work sgain on the old terms, after sacrificing about \$25,000 in loss of time and wages. A few scurvy Locofoco politicians, it is said, were at the bottom of the strike, expecting to make some political capital out of it-but their object was soon dis covered, and the girls cast them off, after which the difficulty was soon settled. It is but a poor

field for Locofocoism to work in, where the people are busy. EUSENE SCE .- The late foreign intelligence

states that Eugene Sue has been excommunicated from the Roman Catholic Church, and all good

ine Jez.

> ILLUSTRATED BIBLES .- Harper's splendid Pictorial Bible is fast approaching its completion .-No. 41, which has just been issued, contains the conclusion of the Apocrypha, and the commence

ment of the New Testament, to which is prefixed a superb title page. This work will be completed in about fifty numbers at 25 cents each. When finished it will contain sixteen hundred engravings exclusive of the initial letters to every chapter .-large, there being upwards of thirty delegates in A couple of new subscribers can be furnished attendance from this county. Charles Frailey with first impressions of this work from the com mencement, by application to this office.

> Another beautifully illustrated bible is in course of publication in New York city. Each number contains an elegant steel engraving, and the work is printed on large type and fine paper. It is cal led the Devotional Family Bible,' and at the buy tom of each page are reflections on the Scripture above; by the Rev. Alexander Fletcher. Specimen numbers of this Bible, may be seen at this office Seven numbers have already been issued.

THE MAGAZINES .- Godey's Book for Novem ber is before us. The embellishments are unusu ally elegant, consisting of two elegant steel engra vings-"The Indian Captive" and "The Dancing Dolls,"-and a colored plate of "Polka Fashions.

The literary matter is, as usual, of a high order. Graham's Magazine for November has also been received. Engravings, tales, and poetry are all From the last number we copy the following acexcellent. Among the contributors to this number are some of the best writers in the country.

We see it stated that at a recent Cabinet neeting it was decided by the casting vote of the President, to reduce the Tariff to the Revenue standard, according to the plan of Mr. Walker, by a French family. I found the room pretty thus depriving it of all its protective features. Mr. Buchanan, by this proceeding, is placed in a very uncomfortable position, and strong efforts are, being made to induce him to resign his place in the Cabinet, and accept a place on the Bench of the

Supreme Court. CURING MEAT .- Doct. Lardner & J. Davidson, have taken out Patents for curing Mest almost instantaneously by a new chemical process. By

this plan all is cured alike-none spoils, and a H.) American says there is a female, about thirty great saving of time and capital takes place. It years of age, at work in one, of the mills at will create a revolution in this branch of business, which in the West, is already of great magnitude. Catholice are prohibited from reading his Wander. A gentleman from Boston has already purchased the Patent for Texas.

The Fair of the Franklin Institute closes to-day hsplayed, and we should judge that the exhibition was excellent. 

RELIC .- The editor of the New York Sur says he has recently seen the identical handker-

It is composed of three guarters of a yard of crease of the coal shipments. But we observe a very fine linen, edged with Brussel's point lace of fabrics could be purchased at seventy-five ct per yard for the linen, and a dollar per yard for the lace. Their value in the time of the unfortunate monarch must have been far greater that that. The relic has descended from generation to generation, well authenticated. 'Its traditionary history,' says the proprietor, 'a talo unfolds as ab-sorbing in its melancholy interest, as amusing in

some of its details.' The family owning this relic are American citizens, and reside near the city EXECUTION OF DR. BARER .- The Louisville

# Journal of October 10th, says :----

We have just conversed with a gentleman, a friend of Dr. Baker's family, who was present on the 3d inst., at Dr. B's. execution. Twelve o'clock was the hour appointed for the execution, ture to deck herself in gorgeous apparel prior to but Dr. Baker requested to be brought out of jail the fall of the sear and yellow leaf.' Already the at ten that he might have an opportunity of addres. northern breeze comes redolent with the icy breath sing the people His request was complied with, and he spoke an hour and a half. In his speech, he protested that he was not and never had been crazy; repeated, in the strongest language, all his accusations against his wife; and pointed to two of her highly respectable relatives then present, who, he said, had had criminal intercourse with After finishing his remarks, although it was but half past 11 o'clock, he asked to be hung im-. mediately. The sheriff proclaimed that all, who desired it, might approach and shake hands with him, but none attempted to avail themselves of the privilege except two females of bad character. until whom Dr. B., motioned away, saying that it was just such a female as themselves who brought him to the condition he was then in. Our informant suggests that the two females were induced to approach Dr. B., by his enemies. He met his fate without exhibiting any sign of

pidation.' . . . .

IF The Senior editor of the Reading Gazette has been out among the Indians up the Missouri. Since his return he is publishing notes of his tour. count of a "Sellect Ball" given by a French family, which may prove interesting to some of our

readers :----Not wishing to miss whatever was considered orthy of being seen, I looked in at a ball held in the long room of a one story log house occupied well crowded with whites, half breeds and Indians seated indiscriminately, and clad in every style from the ragged Indian to the showy taste of a pretty French woman. A white man perhaps, eading out a dark red Indian, with her blue cloth shawl wrapped around her, and vice versa. They

are generally excellent dancers, and passionately fond of the amusement, thus, spending, as I am iformed, all their winter evenings. A friend pointed out to me some of the most repectable females in the village.

A TABLETT FEMALE.-The Manchester (N. that place, who has \$2,000 at interest-all the the se tof eaving it.

ple, and felt that to be the interest of the nation. manufacturers' of Pennsylvania. 'Huzza for the ero Vinal, suffered the extreme penalty of the law tariff of 1842, and Polk and Dallas.' 'Huzza.' at Genora. He had long been the terror of the chimed in the free trade man of the city, and in-

terior of the State, for Polk. Dallas, and Democnaving been open two weeks. The Philadelphia racy.' Huzza for Polk, Free Trade, and the Napapers contain long descriptions of the articles tion of South Carolina,' shouted the Polmetto boys; and in the instructive language of scripture, the briar said unto the bramble, come thou and reign over us.'

We are now in the midst of this unfortunate reign, and it behoves us to keep a look out for the evil proposed, to watch carefully and prudently every evidence of hostility to the prosperity of the people-and especially should the real friend of the protective tariff men, look to their position.

Thousands who now cry out for help against the proposed destructivo measures of the administration, would to morrow, to sustain a party position, vote for the very men again for the same office whom they now abuse .- U. S. Gazette.

• .... AUFUMN. By the N. Y. correspondent of the U. S. Gazelte

The glorious season of the year, the bright, the eautiful and golden tinted autumn is upon us and even in this vast Babel, we can catch an occasional glimpse of the bright and gorgeous pen-cillings of that Eternal Power whose thand fash ned the rising universe.'

An autumn morn !" the white hear frost Has tint Weehawken's woody brow. And where his shivering footsteps crossed, A gaudy coloring glitters now.

How beautiful even in decay is nature's livery; Governor Briggs, of Massachusetts, in some renore heautiful and more deeply fraught with in cent remarks before the Boston Mechanic's Charstruction than the bright greens tints of the feafy itable Association, gave a pertinent illustration of month of June"-'tis the last great effort of na-Scripture from the history of Franklin. It was related of the family, he said, that Franklin's father was in the habit of reading to his children a of the snow cap'd mountains, and by the increaschapter in Proverbs, wherein was the following verse -- "Seest thou a man diligent in his business ed slep and perceptible verging towards the sunhe shall stand before kings; he shall not stand be ny side of the street, gives certain indications of fore mean men." The children heard, remember e approach of winter.

ed and pondered upon the sacred truths of revela-tion. By and by the old puntanical father was 'Tis pleasant to steal an hour from business on uch a day as this, to wander forth in the glad laid in the grave, but the effect of his teaching resublight of an autumn noon; to loiter awhile in mained. And during the war of the revolution the Park, gaze upon the snowy wreath sent up y the sparkling Croton, and behold the glad faces when the American nation sent their first' Minis sportive childhood that still linger around the ter to France, it was Benjamin Franklin, the Bos ountain, recalling with their merry voices the ton mechanic, who represented the republic, and "stood before kings" at the magnificent Court of hallowed associations of my 'boyhood's home,' Sĩ. Clóud.

Cong. 1st Session.

-The tide of tim Brings the deep thought of earlier days;

When my heart leap'd in youthful prime O'er Wissahiccon's banks and braes; When with high hopes the oar I plied 'Neath wood crowned hills on Schuylkill's tide Rang with my merry roundelay. Awakening from the revery, and emerging from

the Park, we mingle in the human tide that ebbs and flows through our great thorough fare Broadway ! . From every climate they come, with thoughts as varions as the soil from whence they ever. sprung; Amid this sea of life, decorated in bright and fashionable apparel as varied as the autumnal tints, may be scen the fair and elite of our great city; all mingle in the throng together, from the wealthy millionaire down to the poyerty strick-

n beggar who sits beside the way with outstretched hands, soliciting of each one passing by an humble pittance, that may keep alive the dying embers of life's fitful dream.

Brooklyn, Joining the downward current, we cast an up-Buffalo, ward glance at Trinity, whose Gothic spire, reared Albany. high in air; surmounted by an emblem of the Christian's faith, upon whose gilded top the fading New York tints of day linger long; few pause to think upon the purposes for which 'tis built, but gaze upon it Troy,

only as the 'Femple made with hands.' A little further, and the eye will range over a vast and incongruous mass, o'er which so lately swept the bosom of destruction ; where, Phoenix

like, whole blocks of warehouses are now rising from the ruins. But a short time will elapse ere the stranger will find it difficult to designate the spot so lately called the "Burnt Dis-

trict." Entering the Battery, we inhale the invigora product of her own earnings as an operative! She | ting breeze from off our glorious bay, which plays evidently knows how to earn money; and what amid the waving branches o'er our heads, and in mest cases is still more difficult, she understands murmurs out a low and requiem to the fallen leaves that ruelles 'neath our feet.

THE GENUINE PATENT GALVANIC RINGS 4 Christie's Magnetic Fluid.

NIIIS remarkable discovery his received the uni-THIS remarkable discovery his received the uni-versal approbation of the medical profession of Great Britain, has now been sufficiently before the American public, to give a fair test of its power and efficaer. The Galvance Rings have long been used with perfect success in all cases of Ringunarism, acute or chronic, applying to the head face, or limbs; Gout. The Doloreaux. Toothache, Bronchits, Verti-go, Nervous or Sick Hebdache, Indigestion, Paraly-sis, Paley, Evilepsy, Fits, Cramo, Palpitation of the Heart, Apoplexy. Stiffness of Joints, Lombaco, Spi-nal Complainte. Neuralgia, General Debility, Defici-ency of Nervous Energy, and all Nervous Disorders. Their extraordinary effects upon the system usual be winnessed to be believed; and as a certain pre-ventive to the abaye complaints, they are equally to

ventive to the above complaints, they are equally to

THE GALVANIC BANDS, BRACELETS, &c. In some complaints of a very severe character and of long standing, the power obtained by the Galvanic Rings is not sufficient to arrest the progress of dis-case, and ultimately resione health. The improved modification in the Galvanic Bands; Braselets, fc., modification in the taiyanic baues, bravelets, gc., entirely remedies this objection; any degree of power that is required can easily be obtained, and no dis-ease which the mysterious agent of Galvanism can effect, will fail to be permanently relieved. CHRIS THE'S MAGNETIC FLUID is a necessary

CHINISTIES MAGNETIC FLUID is a necessary in all cases in which the Galivanic Rings and their nodifications are used. By means of this extraordi-nary composition an efficient action is rendered cer-tain, and the Galvanic influence directed to the partic-mar parts which are afflicted. Certificates from Phy-scians and others of the highest respectability and intelligence are daily secumulating. For several of them the reader is referred to advertisements in the Public I dears and Sachi du the transmission of the theory of the several of them the reader is referred to advertisements in the

Public Ledger and Spirit of the Times. To guard against fraud DR. CHARTER appoints but one Agency in every city. (The only place in Pette-ville at which the GENGINE Rings and Fluid can be obtained is at the Bookstore of B. BANNAN, who is the celebration of the BANNAN, who is the sole Agent for Schuylkill county. All imitations sold elsewhere are warfaless counterfeits. Pamphiets nay be obtained gratis as above, Nov. 1 44-
