CHANGES OF WEATHER AND CATCHING COLDS.—It should be remembered that a cough is always an evidence that some impurity is lodged in the lungs, which if not speedily removed, will most assuredly so irritate those delicate as to bring on inflammation of the lungs, a disease which we all know is the high road to Consumption.

Wright's Indian Vegetable Pills are one of the very best medicines in the world for carrying off a cold; because they purge from the body those morbid humors, which are the cause of coughs, consumption, difficulty of breathing, watery and inflamed eyes, sore throat, rheumatic pains in various parts of the body, and many other dangerous complaints. Three or four of said indian Vegetable Pills taken at night on going to bed, will in all cases give relief, and, if the medicine be repeated a few times, the blood will be completely purified, the digestion will be improved, and the body will be restored to even soungher health than before.

It should also be remembered that a man, by the name of Win. M. Spear, who sells medicine purporting to be Indian Pills, atothe corner of Race and Front streets, ignot an agent of mine, neither can I guarantee as genujine any he has for; ale.

The only security against imposition, is to purchase from people of unblemished character, or at the Office and general Depot, No 169, Race street, Philadelphia.

WRIGHT'S INDIAN VEGETABLE PILLS GF THE N. American College of Meatth. NO MEDICINE has ever been introduced to the A-merican Public, whose virtues have been bore cheerfully and universally acknowleded, than the a-bore named

WRIGHT'S INDIAN VEGETABLE PILLS. To descant upon their merits, at this late day, would eem to be wholly unnecessary, as very few indeed who read this article, will be found unacquainted with the real excellence of the medicine. But if further proof were wanting to establish the credit of this singu-ar remedy, it might be found in the fact that no medi-ine in the country has been so SHAMELESSLY COUNTERFEITED.

SHAMELESSLY COUNTERFEITED.

Ignorant and unprincipled men have at various places, manifactured a spurious pill; and in order more completely to deceive the public have made it in out-ward appearance to resemble the true medicine. These wickedpeople could never pass off their worthess trash, but for the assistance of certain miscuided storekeepers, who because they can purchase the spurious article at a reduced rate, lend themselves to this monatrous system of imposition and crime.

The patrons of the above excellent Pills, will therefore be on their guard against every kind of imposition and remember the only genuine, Agents in Pottsville, are Messers, T'& J. Beatty.
