AGENTS FOR THE MINERS' JOURNAL. Mineville—Charles R. De Forest. Port Carbon—Henry Foster.

A strange tale will be found on our first page.

We have struck off extra copies of this number of the Miners' Journal.

Go Ahead!—Our readers will observe that we have mounted the locomotive.

It is disagreeable to make an apology at the beginning of the year.

Another year has closed—a new year has dawned on the cheek.

IMPORTANT CONGRESSIONAL NEWS.

Oliver Oldschool writes as follows: The nomination of Levi Woodbury as one of the Justices of the Supreme Court was unanimously confirmed a few days ago.

The Constitution, for two or three years published in this city, but lately removed to Baltimore, has been discontinued.

As everything that relates to Oregon is at this time important, I send you an abstract of the lately introduced into the House by Mr. Douglas.

1st. The territory is to include all that country lying North of North latitude 42, and south of 54 deg. 40 min; West of the Eastern summit of the Rocky Mountains and West of the Pacific Ocean.

2d. The President to give the notice required by the treaty of joint occupancy, of the termination of that treaty.

3d. The laws of Iowa to be extended over this territory and to be administered by Judges Justices of the Peace, &c.

4th. The laws of Iowa to be extended over this territory and to be administered by Judges Justices of the Peace, &c.

5th. One section of land to be given to every citizen of Oregon, of the age of 18, who may have gone, or may go there within two years, and who shall cultivate the same for five consecutive years.

A very interesting and important debate sprang up in the Senate on Tuesday last, on Mr. Hannegan's resolutions, claiming the 5th degree 40 minutes of Oregon, which in effect, would be the same as the 4th degree.

Resolved, That the President of the U. S. in removing the office in the spirit of the compromise made by Mr. Polk.
