7-1y LATE CLEMENS & BAKER,

MANUFACTURERS. No 65 corth Front street Philadelphia, have now a good supply of their warranted pure white lead, and those customers who warranted pure white lead, and those customers who have been sparingly supplied in consequence of a run on the article, shall now have their orders filled.

No known substance possesses, those perservative and beautifying properties so desirable in a paint, to an equal extent with unadulterated white lead; hence y admixture of other materials only mars its lue. It has therefore been the steady aim of the manufactures, for many years, to supply to the public a perfectly pure white lead, and the unceasingdemand for the article, is proof that it has met with favor. It is invariably branded on one head—WE III. ERILL & BROTHER in full, and on the other, VARRANTED PURE--allin red letters.

DESTITUTION IN EUROPE. NO SCARCITY IN POTTSVILLE!

NO SCARCITY IN POTTSVILLE:

Dy some people it may be, supposed that the undersigned is making efforts to secure the greater portion of the custom, and consequently tosell the greater portion of goods that are disposed of in this Borough. This is not exactly correct. Experience teaches him that all such efforts would be useless, and common sense dictates the propriety of not engaging in anything which will most likely prove unsuccessful. It is true that be makes a considerable noise, and causes no triding sensation in the mercantile world, but his object in having his name to appear so frequently in the papears of the borough, is the PUBLIC GOOD. He proclaims truths! IMPORTANT TRUTHS!: and unless the citizens refuse to see, they cannot be blind to the fact that it will be to their interest to call at his BIG STORE, 103 FEET IN DEPTH.

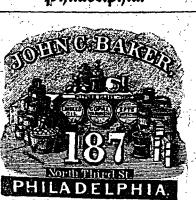

He would respectfully announce that this immense Store-house is jamend and crammed with bran splinteries. NEW GOODS, which in variety, quality, elegance and cheapness, cannot be surpassed by any assortinent offered in the borough. The only difficulty he has in pleasing his customers is that his stock is to extensive; among so many excellent articles, it is almost impossible for customers to make a choice. In order to obvize this difficulty, he desires to reduce his stock and calls upon his friends to assist him in the undertaking.
