RATE ROAD ROUTE FROM POTTSVILLE TO NEW YOUE.-Our readers are aware that not explanation," so called, of Mr. C. J. Ingersoll, on long since the rail road extending from Elizabeth | Monday last. The explanation was in fact a retion to Somerville in the State of New Jersey diteration of charges made by Mr. I. against Mr. was sold at auction and was pu chased by a Com- Webster. He made three specifications :

Company to extend the road to Easton as soon as practicable.

They propose to make a Road with very heavy rails and tracks, sufficient to carry truck boats la- partment a defaulter in the sum of \$2290. den with coal and Iron. This will be the shortest route from the coal-hede of this state to New York that he had seen certain papers in the department that there is, by some for miles, on which coal of State, while asting as Chairman of the Comcan be transported to any great amount, either by | mittee of Foreign Affairs, which proved what he conal or rail road, and must of course be a most bad said. Mr. Ashmun of Massachusetts replied productive and profitable concern when completed. At the recent session of our Legislature a bill abuse of Mr. Stuckton, of New Jerrey, "in the was passed authorizing the construction of a Rail House, twenty years ago, and for which Mr. Road from Easton to Tamiqua. In a few Stockton made him go out of the House crying! years therefore, there will be a heavy tracked roll. He also brought up Mr. Ingersoll's slander upon Cleary, N. E. Ward, Jacob Merwine, S. Ward, Jacob Merwine, S. Ward, road from the Lebigh and Schuylkill coal regions Chief, Justice Marshall, of giving a corrupt decidirectly through, or near Laston, to Elizabethtown sion in the Supreme Court. He also brought up Point ; thus opening a cheep and speedy commu- the charge against Mr. I.; of definitions the govnication, ready for use at all seasons of the year, not only for coal and iron, but for freight of all kinds, as well as passengers, between one of the richest, most den ely populated, and most variedly productive sections of Pennsylvania and the great commercial emporium of the Union. This Rail Road cannot fail to benefit greatly the Eastein portion of the State, especially those counties through which it passes ; our citizens should therefore help forward the great work by every

means in their power. The route by the road from Elizabethtown Point to the coal beds at Mauch Chunk, Beave Meadow and Hazleton, usually called the Lehigh Coal fields, as well as to Tamaqua, Tuscarora and, the Schuylkill valley down to Pottsville, called the Schuylkill Coal field, is the shortest of any other. from the coal beds to New York Bay.

Elizabethtown to Easton, 51 miles. creek on the Lehigh, by the route of the river. Thence to Tamaqua, 16 🗅 110 }-Making Thence to Pottsville. 16 126 "

three Senators, Messrs. Berrien, Corwin, and Haywood, and three Representatives, Messrs. C. J. on Monday next. Three tickets are in the field, and of these one onty, the WHIG TICKET, is pledged to Ingersoll, Owen, and Hilliard, reported on Thursthe support of the Tariff of 1812. The other parties day last. The resolution, which passed the two held their meetings, nominated their men, and passed houses retains in connection with the authority their resolutions, but not one word was said in any of to give the "Notice" the decisive expression of those resolutions about the Tariff. Does not this provi opinion by the SERATE that no means ought to be that however much individual Locofocos may wish to be thought in favor of the Protective Tariff, the Whie left untried on the part of this government to party alone avows its attachment to the Tariff of 1812. offic: an amicable adjustment with Great Britain Let this be remembered by the merchant, the miner. of the controversy between the two Governments

on that subject. The vote in the Senate for the resolution as amended was 42 yeas to 10 nays. In the House there were 142 yeas to 46 nays .. The resolution as passed is very littly different from that of Mr. Crittenden, the phraseology having been altered without changing the meaning.

In the Senate, on Thursday and Friday of last week, Mr. John M. Clayton, made a powerful sprech on the subject of French spoliation, probaby the ablest effort ever made by that gentleman. On Tuesday, Mr. Miller, of New Jersey, pre- all the lickets.

sented resolutions from the Legislature of New Jersey, against the repeal of the Tariff. On Wednesday, Mr. Jarnagin introduced a

joint resolution, setting forth the Mexican delinquencies, and authorising the President to appoint Commissioners to sit upon and determine the clains of our citizens against Mexico. Another exciting scene has been witnessed in

the House. It was on the occasion of a "personal

pany of Boston and New York Capitalists. The !! One, that Mr. Webster had made unlawful use Easton Sentinel says that it is the intention of the of the secret service money.

Another, that Mr. Webster applied the same money to corrupt party purposes.

1.17 To Hazleton, It will be seen by the above table that the whole distance from Pottsville to Elizabethtown Point by Rail Road would be 126 miles. Thence to New York by the New Jersey Rail Road 13 miles, | with the President alino. No subordinate officer or by water about 16. This route promises well and should the grades prove easy, a few years only will elapse before the road will be constructed, coal carried to Jersey City, opposite New York without transshipment, and passengers conveyed to the "Great Metropolis" in about eight hours "The Sentinel says "the work must go ahead."

THE PENNSYLVANIA RAIL ROAD.- A great Philadelphia on Monday evening last, relative to the construction of the Central Rail Road. The meeting was called to order by J. R. Chan ller, Esq., and on his motion the meeting was organized by the appointment of the same officers who acted at the meeting of December 10th. The Committee appointed at that meeting, reported an account of their proceedings from that find up to the present. After the report was read, a series of resolution's were passed urging the necessity of the proposed work, and authorizing the same committee "to take such further measures as they might

deem expedient, to ensure the early completion of ing on this subject it says; said Rail Road."

ing its advantages, &c, were in do by Frederick ported by wagons from Poltsville to and through Fraley, Esq. Col. Bigler, William A. Crath, Esq | Sunbary, Danvire and Cautain place to Portsvill, hanna. The distance from this place to Portsville mile. Mr. Hill of Montgomery Co., and Col. Piok tt of by the turupike is forty miles. Twenty-five miles Bradford. The inceting was enthusiastic, and of Railroad would make the connection complete manifests a determination on the part of the Puila | b tween this place and Philadelphia, and it is im delphians, to do something for the preservation of the Western Trade.

THE STATE OF OHIO .- We are continually rehorses in that State; average their value at \$30 per head and it amounts to \$1,500,000. The hogs

alone, are valued at \$3,000,000. There are twenty-three blast furnaces in Sciota and Lawrence counties, which will make this year 37,450 tons of pig, which at \$30 per ton, the current market price, amounts to \$124,500 Each furnace employs on an average 100 hands:

How. Mn. SAWTER .- The Louisville, Ky., Courier acknowledges the receipt per mail, bf the copy of a speech of Mr. Suwyer, in the U.S. House of Representatives, upon the Oregon Question. The direction on the package was as follows :- Free W. Sawyer, M. e. Morning Corier Lewisville Ky. Mr. Sawyer is the gentleman who eats sausa-

ges in the Hall of the House of Representatives. CURE FOR THE TOOTH-ACHE .- The Odon-

talgic Drops advertised in to day's paper, are wat-when a foreign body, such as particles of straw,

him—and then closed. Mr. T. Butler King in reply to Mr. Ingersoll nade the following remarks : "What is said about Mr. Webster's accounts is all false. When Mr. W. left the Department of State, somo small amounts were unadjusted for want of papers. Afterwards, in order to enable

administration must be convicted of gross base

the Department to settle its account with the Treasury, and it not being convenient for him to come to Washington, he advanced and paid what appeared to be unaccounted for. This was, in fact, wholly unnecessary, but was done for the sake of accuracy and punctuality. When Mr. Webster came next to Washington, the President directed the repayment to him of the amount verpaid, and thus was the account finally settled. Mr. Webster did nut take the contingent service fund into his possession. It was impossible he could have done so, for the act of Congress specially and distinctly yested its appropriation

could touch it. The venerable gentleman from Massachusetts informed us the other day, if I am not mistaken that when President of the United States, he had given one certificate for the whole amount of this fund \$30.000. Mr. ADAMS explained. He had authorized the

expenditure of the whole, but that only \$8,600 had been actually used Mi. King resumed. This, sir, is nearly twice the amount stated to have been expended by Mr. meeting was held, at the Chinese Museum in | Tyler while Mr. Webster was Secretary of State.

I am authorized to state that not one cent was dishursed out of that fund without the written sanction or authority of the Presklent." We hope that these scenes in the House have terminated, and that Mr. Ingersull will 'rest satis

fice without making efforts to injure Daniel Webster, when all such efforts must recoil upon him" self.

TRAVEL BETWEEN PORTSVILLE AND SUNHU ux .- The Sunbury American continues to urge the necessity of completing the Railroad communication between that place and Pottsville. . Speak

"It is difficult to accommodate this sudden and aid Kail Road." Speeches in support of the proposed road shows ed by the Canal. The merchandise is all trans-Sunbury. Danville and Cattawissa, on the Susque portant that this link should be made without delay. The trade on the road alone would justify it; but the interest of Philadelphia and the Reading

Railroad Company earnestly demands it. The taverus on the turnpike can scarcely accommo minded by statistics how powerful and rich the date the travel and business of the toad. One of state of Ohio is becoming. There are 500,000 the taverns, about half way between this place and Pottsville, a few nights since, we understand, lodged upwarks of sixty persons.

> THE PITTSBURGH DAILY GAZETTE AND NOVBITISER is published Daily, Tri-Weekly and Weekly. The above is at the head of the Pittsburgh Ga zette. We get the Weekly Daily. It is an excelleut paper, but the announcement is equal to for emigrants is so celebrated, has made a liberal picion fell upou a negro man + they endeavored to that of the man who selvertised to teach Sunday School twice a week, Tuesdays and Thursdays. A LONG PEDESTRIAN TOUR.-Elihu Burritt,

the "learned blacksmith," intends making a pe-destrian tour over England. He says: "About the 1st of June we propose, under certain condi-tions, to take a steam-hip or packet for England. On our arrival we propose to take a private hickory staff and travel on, like Bunyan's pilgrim? through the country, at the rate of about ten miles `a day.'

REMOTAL OF FOREIGN BODIES FROM THE ETE.

ranted to cure the tooth-ache in two minutes. The preparation is made by a dentist of high character, who has certificates from some of the most emi-of the rese, but without being infracted, a solution of gum Arsbic, dropped into the eye, may be ad-vantageously employed for its extraction, as the nent men of Nashvilie and Philadelphia, as to his solution does not produce any disagreeable sensa-qualifications.

THE BAKER FAMILY .-- Our citizens were delightful ly entertained on Monday and Tuesday gyenings, with concerts given at the Town Hall by the Baker Family. This company of vocalists, five in number, of who only four sang in this place, have been travelling through the northern States for some time, but have never before visited this region. Their reputation however had preceded them and they were warmly welcome. We have not seen such large audiences in the Town Hall for several months as those which were present at these concerts, and the audiences appeared only to regret that the entertainments were too short. The "Odd Fellows' Foneral," a new piece which had never been sung before was much admired, as was also and peddling by relail, with or without license, the "Old Granite Mountain State," "The Happiest Time is now," and "The snow storm," "The Striped Pig," and the "Millerite Ascention," were laughable nough, and the effect produced by the songs, was kill county, under a penalty of not less than fifty eightened by the comical expression of countenance dollars.

put on by the bass singer. We understand that the lakers will visit our region again, next month, and be in Pottsville on the ocrasion of the Odd Fellow's Celewell, supported, for it is a long while since our chizens ave enloyed such a musical treat.

ICE-CREAM SALOON .-- Mr. Hehr has already opened is Ice-cream Saloon, and is prepared to serve up this delicacy of the season in superb style. His Saloon s clegantly fitted up, and his creams are, delicious-qual to any furnished in our cities. Give him a calf

LIGHTING OUR BOROUGH WITH GAR .- It has been suggested that Pottsville should be lighted with Gas; works on a small scale would pay well. We have litthe doubt that if Gas was introduced into our Borough, est of our citizens would make use of it. At all events, the project is worthy of consideration.

place on that day. It was something of a disappoint ment especially to youthful astronomers. FRESH VEGETABLES. - Our markets have been well upplied for the last week or two with fresh vegetaifes. Onions, Ridishes, Asparagus, Rhubarh, &c. whole audience into a perfect uproar. American-

are plentiful, and for this time of the year, cheap. THE WEATHER -- April is notoriously the showery | onth,' but we have had very little rain for several ! we Americans, three or four in number, found it veeks until within a few days. During the present rather difficult to sit still during this enthusiastic week, however, a large quantity has fallen much to he gratification of the Farmers and gardeners.

WELSH MAGAZ: NF .- It is not generally known the curtain fell, and twice afterwards; the audio our readers, we presume, that a Magazine call-ing him with rounds of applause, while nearly all neighbors the test of the week. ed "Y Seren Orllewinol," (The Western Star.) is the ladies in the house were clapping their hands published at this office, at the rate of our dollar to the best of their abilities. There is one box in of Minersville, and has already reached a circulation of about 700 copies. The editor inserts ad" Hill, Loxington, &c.' vertisements on the cover of the magazine, which

offers an excellent opportunity to our business men to advertise, as the magazine circulates extensively in this region. IP We observe by the New York Tribune that at Vienna over night The next morning he sta-

Major J. H. Downing and Edward Hamilton

On motion of D. E. Nice, the following Reso

ations were read and unanimously adopted : Resolved, That this meeting most cordially ap-

prove of the course of Governor Shunk in "veto-

Legislature giving transporting powers to, the

he has proved himself the friend of the people;

too steadfast, too honest and too intelligent to be

influenced by the insiduous attempts of a powerful

Resolved, That the principle's that influenced

Gov. Shunk in this yeto and the veto of the Brad-

ford County Coal Company bill are vitally im-

portant to the people of Schuylkill county. These

can protect the rights and independence of the

citizens from that self aggrandizing and tyrannical

Resolved, That the thanks of this meeting are

members in the House, Messrs: Boyer and Tag-

Resolved, That in the opinion of this meetin

the granting of transportation powers to the Schuylkill Navigation Company would be toplace

them without control in regard to tolls, to enable

them to drive off individuals from transporting on-

ence over the freedom of thought and political ac-

tion of from 1,500 to 2,000 persons that would then likely be directly or indirectly in their em-

ployment, and further to enable them, by an un-

derstanding with another powerful corporation to

raise the price of transporting our staple to mark-

et to any amount that, cupidity might dictate, and

property and fortunes of every citizen of Schuyl-

kill county. Resolved, That the proposition, that "it is ne-

cesssary to give the Schuylkill Navigation Com-

pany transportation power to enable this Company

to compete with the Reading Rail Road Company

is a gross failacy, this they can do as effectually with the power they now possess by building,

powers. That it is contrary to experience that a

and that the thousands of competitor individuals

engaged in transportation, will always form a more formidable rivalry with the Reading Railroad

Company than the Company could by any possi-

Resolved, That we entertain no unkind feelings

toward the Schuylkill Navigation Company; many

of us depend upon transportation upon their Canal

for the support of ourselves and families. It is

the interest of the people of Schuylkill county to sustain the Reading Rail Road and the canal with-

all corporations to exercise their power for their own aggrandizement, without reference to the

public good: On Motion, Resolved, That the proceedings by
