Medicines.
M'ALLISTER'S
ALL-HEALING OINTMENT,

INSENSIBLE PERSPIRATION.

THE preceding figure is given to represent the INSENSIBLE PERSPIRATION, this the great EVACUATION for the impurities of the body. It will be noticed that a thick cloudy mist issues from all points of the surface, which indicates that the perspiration flows quite copiously when we are in health, but ceases when we are sick. Life cannot be sustained without it. It is thrown off from the blood and other juices of the body, and disposes of this means of many all the impurities within us. The language of the Scripture is, "in the blood is the Life." If it ever becomes impure it may be traced directly to the stoppage of Insensible Perspiration. Thus we see the necessary when the blood is corrupt or infected, is to open the pores, and it relieves itself from all impurity instantly. Its own heat and vitality are sufficient, without one particle of medicine, except to open the pores upon the surface. Thus we see the folly of filling so many internal cases. Thus we see the folly of filling so many internal remedies. All practitioners, however, direct their efforts to restore the insensible perspiration. The Thompsonian for instance, steams; the Hydropathist shrouds us in wet blankets; the Homopathist deals out infinite units; the Allopathist bleeds and dosses us with mercury; and the blustering Quack gorges us with Pills! Pills!! pills!!!

To give some idea of the amount of the Insensible Perspiration, we will state that the learned Dr. Lewenhoeck as examined that five-eighths of all we receive into the stomach passed off by this means. In other words, if we eat and drink eight pounds per day, we evacuate five pounds of it by Insensible Perspiration.

Thus is done other than the need up particles of the blood, and other juices, giving place to the new and fresh ones. To check this, therefore, is to retain in the system five eights of all the virulent matter that nature demands should leave the body.

It is by stopping the pores that overwhelm mankind with coughs, colds and consumptions. Nine-tenths of the world die from diseases induced by a stoppage of the Insensible Perspiration.

Let me ask you, every candid mind, what course seems the most reasonable to pursue to unstop the pores after they are closed? Would you give Physic to unstop the pores? Or would you apply something that would do this upon the surface, where the clogging actually is? And yet I know of no physician who makes any external application to effect it. Under these circumstances I present to physicians, and all others,

M'ALLISTER'S ALL HEALING OINTMENT,
OR, THE WORLDS' SALVE.

It has the power to restore perspiration on the feet, on the head, around old sores, upon the chest, in short, upon every part of the body, whether diseased slightly or severely.

It has a power to cause all external sores, *scrofulous humors, white swellings, cancers, poisonous wounds*, to discharge their putrid matters and the wounds them.

It is an ointment that forbids the necessity of so many, and deleterious drugs taken into the stomach.

It preserves and defends the surface from all derangement of its functions. The surface is the outlet of five-eighths of the virulent and used up matter within. It is supplied with mills and openings to relieve the intestines. Stop up these pores and Death knocks at your door. It is rightly termed All healing; for there is scarcely a disease, external or internal, that it will not benefit. I have used it for the last 14 years for all diseases of the chest, consumption, liver, involving the utmost danger and hopeless baby, and I do here declare before God and man, that not in one single case has it failed to benefit when the patient was within the reach of mortal means.

I have had physicians, learned in the profession, I have had ministers of the Gospel, Judges of the bench, Aldermen and Lawyers, gentlemen of the highest erudition, and multitudes of the poor use it in every variety of way, and there has been but one voice—saying M'Allister, your Ointment is good.'

CONSUMPTION.

It can hardly be credited that a salve can have any effect upon the lungs seated as they are within the system. But, if placed upon the chest, it penetrates directly to the lungs, separates the poisonous particles that are consuming them, and expels them from the system.

I need not say that it is curing persons of consumption edmirably, although we are told it is foolishness. I care not for it's folly, so long as I can cure several thousand persons yearly.

HEADACHE.

The writer has cured persons of the headache of 12 years standing, and who had it regularly every week so that you may often look place.

Deafness and Earache are helped with like success.

RHEUMATISM.

It removes almost immediately the inflamation and swelling, when the pain ceases.

COLD FEET.

Constipation, liver complaint, pains in the chest or side, falling off of the hair, one or the other, always accompanies cold feet. It is a sure sign of disease in the system to have cold feet. This salve will cure you of cold feet.

In Scrofula, old sores, erysipelas, salt rheum, liver complaint, sore eyes, quinsy, sore throat, bronchitis, broken or sore breast, piles, all chest diseases, such as cough, consumption, pain—also, sore lips, inflamed eyelids, tumors, cutaneous eruptions, nervous diseases, and of the spine there is probably no medicine now known so good.

SCALD HEAD.

We have cured cases that literally defied every thing known, as it has the ability of 15 or 20 doctors. One man said as he had spent $500 on his children without benefit, when a few boxes of the Ointment cured them.

BURNS.

It is the best thing in the world for Burns. (Read the directions around the box.)

WORMS.

If people knew how fatal most medicines were to children taken inwardly, they would be slow to resort to them. Especially to mercurial lozenges and worm cakes, called vermifuge pills, &c. The truth is, no one is ill, invariably, when worms are present.—Now I ask say to parents that this salve will always tell if a child has worms. It will drive every vestige of them away. [Read the directions around the box.]

Worms is probably no malady on the face of the earth at once so sure and so safe in the expulsion of worms.

CORNS.

Occasional use of the Ointment will always keep corns from growing. People need never be troubled with them if they will use it

JAMES McALLISTER & Co.,
Sole Proprietors of the above medicine.

CAUTION.

As the All-healing Ointment has been greatly counterfeited, we have given this caution to the public that no Ointment will be genuine unless the names of James McAllister, or James McAllister & Co., are written with a pen on each label.

PHILADELPHIA

SARSAPARILLA & VEGETABLE BLOOD PILLS

IN consequence of the increasing demand for Dr. Leidy's Blood Pills, and the encouragement by the public in purchasing them, in preference to all others, the proprietor was obliged to have constructed a machine, which would make them more rapidly and with less labor, consequently less expense than heretofore. Having effected so desirable an object, and that the public may also share the benefits of the great improvement in Pill making, he hereby will henceforth contain in a Box—five Boxes for One Dollar!

Dr. Leidy's Sarsaparilla and Vegetable Blood Pills have, during the past few years, been more successfully employed throughout the United States, Mexico and the West Indies, than any others, and the rapidly increasing demand for them is unparalleled.

They are the only Pills in existence, known to contain Sarsaparilla in them, the proprietor only knowing how to combine the Sarsaparilla with other substances in form of pills.

THESE PILLS ARE NECESSARY

for purifying or cleansing the stomach and bowels, for purifying the blood or fluids of the body, as an alternative for removing the causes of disease and arresting its progress, and as a Spring purifier these pills will be found more effectual than any other.

YOUNG AND OLD, MALE OR FEMALE,

may at all times take them without change of living, restraint from occupation, or fear of taking cold from exposure to all kinds of weather, for they contain no mercury or minerals, which are contained in other pills, and which make other pills so unsafe or dangerous to take, and uncertain in their effects.

PERSONS OF ALL CONSTITUTIONS

whether feeble or debilitated, or of robust and strong constitution, can take them without prostrating or debilitating the system; they operate so easy and gentle, yet effectual, that little inconvenience is caused in taking them.

THEY ARE GOOD AT ALL TIMES,

for all diseases of whatever nature or kind.

Caution is necessary! Be sure at all times to ask for and take no others than Dr. Leidy's Blood Pills. All others by name nearly similar, are spurious, and calculated to deceive; the proprietors of them thinking to sell them on the reputation of the genuine, bona-fide and only true Sarsaparilla and Vegetable Blood Pills of Dr. Leidy.

☞ Beware of such imposition, fraud and trickery.—Touch them not, much less take them, for being manufactured to deceive the public of their money, they will besides deceive the body and your system by their effects.

Remember 40 Pills in 9 Box for 25 cents—Five Boxes for One Dollar. [No others contain Forty Pills to the box.]

TO CAPITALISTS & OTHERS.
Pennsylvania Coal & Iron Lands,
For Sale.

167 ACRES 19 Perches and allowance of 6 per cent. of first rate farming Lands, located in Jenks Township, Jefferson county, finely Timbered and Watered, and having several Mill sites upon them. Two main roads run through the land, and improved Farms adjoin, while Saw and Grist Mills are in the immediate neighborhood. This land was selected by a gentleman of experienced judgment, and is considered by judges to be one of the best tracts in the county. Its proximity to the Clarion and Alleghenny rivers, and numerous navigable streams, and proposed Railroad to Pittsburg and Erie, renders it highly desirable as an investment at present prices.

Abounding in Iron Ore and Bituminous Coal of fine quality, it is believed to present one of the most advantageous locations for Iron Works in West Pennsylvania. The present owner purchased with a view of erecting such Works, but engagements in another quarter obliges him with great reluctance to forego his intention. Maps will be shown, and every information given by the undersigned. The lands are patented, and the titles and quality will be warranted, and sold free and clear of all incumbrance.
