

POTTSVILLE, Saturday Morning, July 3, 1847.

VOLNEY B. PALMER, At the Real Estate and Coal Agency, Corner of Third and Chestnut Streets, Philadelphia, No. 105, Nassau Street, New York, No. 18, State Street, Boston, and South East corner of Baltimore and Calvert Streets, Baltimore, is our Agent for receiving subscriptions and advertisements for the Miners' Journal.

CIRCULATION. 1200 COPIES WEEKLY. THE TARIFF OF 1842. The Editors have the honor to announce that they have published a copy of the Tariff of 1842, which will be sent to all subscribers on receipt of the price.

FOR PRESIDENT. GEN. ZACHARY TAYLOR, Subject to the decision of the Whig National Convention.

FOR GOVERNOR. GEN. JAMES IRVIN, OF CENTRE COUNTY.

FOR CANAL COMMISSIONER. JOSEPH W. PATTON, OF CUMBERLAND COUNTY.

For the Campaign.—To Clubs. As the Governor's Election is approaching, and a local question is to be decided in this County, which will probably be of a character of great importance, we offer the Journal for the Campaign on the following terms:—

The Daily Journal.—In reply to numerous inquiries we state that we have not abandoned the idea of publishing a Tri-weekly or Daily Journal. We are gradually making the necessary arrangements to accomplish our object. In the mean time we will prepare the community for such a paper by issuing all the important news in advance of the city papers in extras. As soon as we progress the power press, a commencement will be made.

We regret that our paper is not double its present size—generally one half the news prepared for its columns, is crowded out. This is very provoking to us, and our readers lose the benefit of a large portion of our labor—but if they will only continue their smiles, bestow their approbation, and aid us in extending its circulation, we will enlarge its dimensions at the commencement of the next volume.

Corner Stone.—The corner stone of the new Episcopal Church, will be laid on Sunday, July 11th, at 5 o'clock. Bishop Potter will officiate on the occasion, assisted by several clergymen from abroad; and the Rector of the Church. One or two other Bishops, are also expected to be present on the occasion.

The remains of our much esteemed friend and late townsman, Francis B. Nichols, Esq., were consigned to the tomb, yesterday afternoon, attended by his relatives, and an unusual concourse of friends, to whom he had endeavored himself, during a long residence, by his kind, benevolent and many feelings. He was buried by the order of Free Masons, with Masonic honors, of which he was a distinguished member. There is one anecdote mixed with this bittercup of affliction, that we permit to close his eyes forever, in the midst of all the members of his family, (except an honored son, now absent in Mexico,) in his beloved Pottsville, a place which we know he preferred to all others, and to which he was much attached, by a long residence and many pleasing recollections, that he delighted to dwell upon.

POETS OF JULY.—The political squall of the country falling this year on Sunday, very little preparation, as far as we can learn, has been made to celebrate it in a public manner in this vicinity. There will be appropriate services in the different churches, and perhaps, after all, it will be a more rational mode of showing our devotion to the great cause of civil and religious freedom, than the methods frequently adopted. We do not wish to be understood as condemning all innocent rejoicings, even to excess, and their proper demonstrations in honor of the day, in which all who choose can participate. We have abundant cause for such rejoicings—but the drunken revelry and riotous disposition, which has marked its celebration in our borough for several years past, has been rather disgraceful than otherwise.

We learn that the Rev. Mr. NELLE, late of the First Methodist Episcopal church of this borough, will deliver an address to the Port Carbon Artillerists, German Yeagers, and several of the Orders of the Sons of Temperance and Odd Fellows on the grove, near the residence of Joseph G. Lawton, at 10 o'clock, to-morrow at 10 o'clock. A Temperance dinner will be served up for the Artillerists and their guests at Johnson's Hotel.

The North American & United States Gazette, since the Union, comes to us with increased dimensions, and its columns beautifully supplied with advertisements. It is beautifully printed, and Dr. R. M. Bird, one of the most able writers in the country has been added to the editorial corps, in the miscellaneous department. This paper in point of talent, will now rank with the ablest journals of the day, and will unquestionably prove to be one of the most profitable establishments in this country.

The valdely of friend Chandler appeared in the last number of the U. S. Gazette of Wednesday. It occupies upwards of two columns—is written in the most feeling manner, and contains a number of great truths, established by experience, which ought to be of great service to both editors and readers. We derived great pleasure and instruction from its perusal; and doubt not, all will agree with us, that its talented and respected author, not only possesses a sound head, but a most excellent heart. We rejoice that he retires after 25 years arduous duties, with a full competency to smooth the remainder of his days, which is not generally the lot of retiring editors and publishers.

The Vice-presidents of Trade.—Mr. Chandler in his valdely states that he does not know of a single mercantile firm now existing in Philadelphia, that was in existence twenty-five years ago. This statement would seem to confirm the impression that the mercantile business is one of the most precarious that could be engaged in.

Bishop Potter, has promulgated a Prayer to be used in all the Episcopal Churches in his Diocese on the 4th of July.

Gen. Irvin.—The late works since we published a letter from the Hon. Joseph R. Ingalls, addressed to the Hon. Geo. N. Eckert, in which he flatly contradicted the charge made against Gen. Irvin, that he voted in favor of placing a duty on Tea and Coffee. The character and standing of Mr. Ingalls, who was a member during the whole of General Irvin's Congressional career, would have supposed would have been sufficient to put that charge at rest forever; but we regret to state that a report, almost unparalleled, with a degree of turpitude almost unparalleled, and with a view to bolster up the falling fortunes of Gov. Shook. To refute the charge a second time, the Harrisburg-Intelligencer has republished the speech made by Gen. Irvin in Congress when the proposition was made for that body. From this speech we make the following extract, which leaves no room for doubt or doubt on the subject:—Should any Locofoco editor repeat it again, he will stand before the public branded as a base calumniator, and perpetrator of the truth:

"Sir, I agree with the honorable chairman of the Committee of Ways and Means, that it is necessary to raise additional revenue; that the finances of the country require it; and I am as much in favor of providing ways and means to meet the current expenses of the Government, and also to provide for whatever deficit may exist, as the honorable chairman or any other member now on this floor. But, sir, I differ in opinion with the committee who reported this bill, respecting the propriety of levying a duty or tax on some of the articles contained in this bill. It is a correct policy of this Government, to raise sufficient revenue by import taxes, as being the least onerous and burdensome to the people; but, in doing so, we should select such articles in the first place as are the least necessary to the people, and those PRODUCED BY OUR OWN CITIZENS, and if we cannot raise sufficient from them, then take articles of luxury or such as do not come into general use, and are not required or consumed by the great portion of the people; but it would only be in the last resort that I would consent to levy an onerous and burdensome tax upon articles that have come into general use in almost every family, whether rich or poor, throughout our whole country. SIR, CONSIDER SUCH ARTICLES AS SUGAR, COFFEE, TEA, AND SPICES OF TAXATION IMPOLITICAL, UNWISE AND UNJUST. Why, sir, is it not impossible in an administration just coming into power, after professions of relieving the people from their difficulties, to propose a burdensome tax upon the articles of their necessities? Why, sir, is it not unwise to bring this measure upon the people at the present time? Why not wait until the regular session, when there would be time for a fair investigation into the tariff system, and such regulations as might be satisfactory? It cannot be possible that the Treasury is in such a wretched situation that an able financier could not carry on the operations of Government for a few months WITHOUT THE TAX ON COFFEE, TEA, AND SPICES? AND IS IT NOT JUST TO TAX THE POOR MAN, WHO LABORS FOR THE SUPPORT OF HIS FAMILY, AND EARNS FROM FIFTY TO SEVENTY FIVE CENTS PER DAY, AS THE MEAN OF HIS OWN THIRTY DOLLARS? I feel satisfied, if this bill becomes a law, that hundreds of poor families in my district will have to pay more of this tax than those who are comparatively rich. Sir, the articles of COFFEE AND TEA, have become almost all cleared, but especially among those who live to trade, and at manufacturing establishments, NECESSARY ARTICLES OF LIFE, and substituted by a great many in the place of milk, as being more easily obtained and even cheaper. Then, why should we oppress this class of people more than others are at present? Why increase their BURDENS? Does this bill hold out any relief to the laboring class of the community? None—none whatever.

Sir, as well known to you and other honorable gentlemen on this floor, that, owing to the embarrassed and crippled condition of business, for the last two or three years particularly, it has been of great difficulty the manufacturing interest of the country have sustained themselves, and if it had not been for the beautiful crops with which our country has been blessed, and the cheapness of living, many that are yet struggling along must have ceased to exist. But, sir, the want of the most important reduction of duties, which takes place at the close of the year, and which even now is operating in anticipation on the whole business of the country, you propose a tax to be levied on this suffering people of from one cent to two cents per pound. SIR, for one I cannot give my support. I came here expecting to assist in carrying out measures calculated to relieve my constituents, not to burthen them. I WILL NOT LEAD MY AID TO PRODUCE THE LATTER."

Gen. Leslie Cox and the President.—This distinguished son of Kentucky, Gen. Leslie Cox, recently returned to Washington to have a talk with President Polk, on the affairs of the War. The Washington correspondent of the Baltimore Patriot of June 26th, relates the following incident which occurred at the White House, touching his mission:

"At the appointed hour, yesterday, the General repaired to the White House, to hold his talk with Mr. Polk. He found the President, because he had been informed that he could not see the President, because he was with the Cabinet in council. He remained in the room until the General and the Cabinet were acquainted. Each had heard of the other. 'What can I do for you?' said the General to Mr. Polk. 'You shall see the President.
