The Great Preventive Medicine. THOUGH Wright's Indian Vegetable Fills Mare L schicved triumph upon triumph, in the cure of ob-atinate cases of disease, even after they had been en-ticely given ups and after all other remedies had failed, yet their power of presention may be justly esteemed their GRO'WNING GLORY: "Storms," it is said, "pusify the air," but storms do mischief also, and are so far an evil. Were it within human nower to maintain the

human power to maintain the t. ELECTRICAL EQUILIDRIUM

between the earth and air, there would be no occasion for storms, for the air would always be pure. So of the human body. If kept free from morbid hu-mors, the action is regular and healthy; but if those burners how a bow and the store is obtained.

humors are allowed to accumulate, a crisis, ar, in other words, a storm, will arise, which is always more or less dangerous. WRIGHT'S INDIAN VEGETABLE PILLS

N. B.-The witnesses and jurots who are summoned to attend said Court, are required to attend punctually in case of non-attendance, the law in such cases, made and provided, will be rigidly enforced.
