A CUTE INDIAN. — We were somewhat smused last Sunday morning, st a plan hit upon by ong of the Miama Indians to get rid of the crowd of gazers at the Canal House. A number of equaws were in the sitting room, and naturally stiracted a great deal of attention. The copper colored gentleman in question, became disgusted st, or tired of the constant gazing of the "dough faces," at the ladies belonging to his party, and while the room was crowded to excess, he raised up his hand to attract the notice of all, and ex-elsimed: "Ugh / one Injin got de small por !" The pale faces mizzled.—Lafuyette Courier. AN INCIDENT.—A bachelor friend of ours, street, yesterday, picked up a thimble. He stood a while meditating on the probable beauty of the owner, when parsing it to his lips, saying, "Oth bat it were the fair lips of the wearer." Just as he had finished, a big wench lowked out of an up-

that it were the fair lips of the wearer." Just as he had finished, a big wench looked out of an upper window and said, " Boss jis please to frow dat fimble in de entry-I jis now drap it." Our friend fainted.

By How do you like the bustle and confusion Boston ? asked the shop keeper, as Mrs. Par. tington stood by the counter. "It gives me confusion to see 'em," said the old lady ; "folks did nt do so when I was a girl; and besides, what an awful sight of brain and cotton it takes, to say nothing of their awkwardness when they get slipped on one side-..." "I mean" broke in the shopkeepor, whe bustle and confusion of the streets." "Oh!" said Mrs. P., "that is quite another thing!" and immediately left the store .- Boston Post.

15 On reviewing a body of Yankee volunteer at Matamoras, Gen. Taylor's notice was attracted by & Hercules of a fellow from New Hampshire. ix feet four inches high. He was only eighteen 'years old, and had appparently not done growing. On being asked his motive for volunteering; he replied-"Because my daddy licked me."

DADDY'S NAME .-... What's that ?" asked a schoolmaster, pointing to the letter X. "Daddy's name."

"No it ain't daddy's name, you blockheadit's X.

"No it ain't," said the boy, "'tis daddy's name. I've seen him write it often."

Bays Bill to Jack : "How many legs would a calf have by calling the tail one? "Five." answered Jack.

No, 'twouln't, because calling the tail one leg would'nt make it so, would it ?"

TA market woman with corrotly bair, a turnip nose, reddish face, gooseberry eyes, a mouth that can't be beet, and a general expression of lettuce alone, is a vegetable woman.

T" Yes, ma'sm, that's a crack article," said a storekeeper to his lady purchaser. "Oh morey !" rried she, "if the thing is cracked I don't want it."

÷ ,

bis conservation the parable of the supper in Laker the supper laker the fore coint come,"—he suddenly paused at the end of this verse, drew off his spectacles, and load-ing around on his bearcrs, said with emphasis: "The fact is, my brethron, one woman can draw a man farther from the kingdom of Heaven than five yoke of ozen?" ADVICE OF COUNSEL.—There is a veli known cuetom prevailing in our criminal courts, of assigning counsel to such prisoners as have no one to defend them. On one occasion, the Court-indig a man accused of thoft, and without coun-sel, said to a lawyer who was present: "Mr.—, plesse to withdraw with the prisoners." The faver and his clicut then withdrew, and fifture in our twenty minutes the lawyer returned into Court. "Where is the prisoner?" aiked the Court-"Ha is gone, your honor," said the hopful le-gel limb.. "Your, honor told me to give him the set, subtro for his interests." The faver on twenty minutes the lawyer returned into Court. "Where is the prisoner?" aiked the Court-"Ha is gone, your honor," said the hopful le-gel limb.. "Your, honor told me to give him the set advice for his interest, and es he said he was guilty. I thought the best counsel I could off." him was to 'cut and run,' which he took at once." will effect as much good as twice the quantity

The usual weight of a bushel of hav after chaf-

fing, is probably about five and a half lbs.; and a cow or horse thrives more on seven and a half pounds, thus prepared, then on fifteen fed whole. It is usual with most feeders, to moisten the chaff-

ed hay, or haulm, and to stir in a small quantity of meal-say one quarter or three pints to every

half bushel. The observance of this practice, with the addition of a slight amount of sall, as

seasoning, secures a most excellent feed, and pne that is eagerly partaken or by every description of

tock, especially during the winter -- Germantown

A SEASONABLE RECIPE-Delicious Apple Pudding. Very convenient, as it may be made several fours before it is baked, or when a nice addition is wanted unexpectedly. Pare and

chop fine, half a dozen or more, according to their size, of the best cooking apples-grease a pudding

dish, cover the bottom and sides helf an inch thick

with grated bread, and very small lumps of butter, then put on a layer of apples with sugar and nutmeg, and repeat the layer, which must be of bread and butter-pour over the whole a tea cup of cold water. Put it into the oven as soon as the

dinner is served, and bake it twenty-five or thirty

minutes. It may be baked the day before it is

wanted-when it must be heated thoroughly, turned into a shallow dish, and sprinkled with

powdered sugar. It requires no sauce .- Ameri-

TIMOTHY MEADOWS .- All Timothy meadows which are sod-bound should be well harrowed and rolled. If the product of hay mani-fested a falling off in the fertility of the soil, it

would be well to top-dress. A good composit for this could be formed thus :- To each acre take

two loads of mould from the woods, mix with five

bushels of ashes and the same quantity of lime, and spread it over the meadow before the opera-

tion of harrowing and rolling shall have been per-formed. This may be considered a small dress-

ing-it is large enough, however, to effectively tell

TO TAKE FILM from a horse's eye .- Blow

loaf sugar and a little salt into the inflamed eye,

and in most cases it would be relieved. Sassafras

buds pounded, and put in water, to stand until it

becomes nearly as thick as cream, applied to the eye, is an excellent remedy for inflamation.

TO RELIEVE CHOLIC in Horses .- Rob

spirits of turpentine on the breast of the horse; and if he bo drenched with it, he will be relieved.

Horses should never be put to severe work on a

full stomach; more horses are hurt by hard driv-

ing after a full feed, than by a full feed after a

TO PRESERVE PEARS .- Take out the

cores, cut off the stems, and pare them. Buil the bears in water till they are tender. Watch them,

that they do not break. Lay them separately on

a platter as you take them out. To each pound of fruit take a pound of sugar. Make the syrup,
