A RACE FOR A WIFE .- In Lapland when

a man expresses his affection for a virgin, and asks her parent's consent to marry her, a day is at

once appointed for her friends, to behold the two

ed in starting the advantage of a third part of the

race, so that it is impossible, except willing to her-self, that she should be overtaken. If the mail

outrun her suitor, the matter is ended, it being

penal for the man to renew the mention of mar-

risge. But if the virgin bath an effection for him,

though at first running hard to try the truth of his

love, she will (without Atslants's golden ball to retard her speed) protend some casuality and make a voluntary hait hefore she comes to the

mark or end of the race. Thus none are compel-

led to marry against their own will; and this in

the cause that in this country the married people

are richer in their own contentment than in other

lands where so many forced matches make feign-

ROYAL CANDOR .- George II. being in-

formed that an impudent printer was to be pun-i-hed for having published a spurious king's

speech, replied that he hoped the punishment

would be of the mildest sort, because he had read both, and as far as he understood either, of them,

he like the spurious speech better than his own.
