and by Canal, 8,027 06-total for the week, 41,802 14 tons -total by Rail Road, 916,828 13-do, by Canal, 144,402 14. The demand for coal is good, but the facilities of both Canal and Rail Road limits our dealers to about 42,-000 per week. This quantity can be readily disposed of in the market.

.The rates of toll and transportation by Rail Road from Pottaville to Richmond, was advanced on the first inst., to \$1 70, from Schuylkill Haven to \$1 60, and from Port Clinton to \$1 40. To Broad street the rates remain without change.

The ability of our operators to furnish more coal than the Canal and Rail Road, can carry, has had a tendency to keep the prices comparatively low in this rigion. The increased rates of transportation has also operated injuriously to the interests of the operators, as a corresonding increase in the price of coal has not taken place owing to the competition from other sources.

The Great Preventive Medicine, Thought Bright's Indian Vegetable Pills have a chieved triumph upon triumph, in the cure of obstinate cases of disease, even after they had been entirely given up, and after all other remedies had failed. yet their power of prevention may be justly esteemed "Storms," it is said, "purify the air," but storms do mischief also, and are so far an evil. ELECTRICAL EQUILIBRIUM between the earth and air, there would be no occasion for storms, for the air would always be pure 50 of the human body. If kept tree from morbid humors, the action is regular and healthy; but if those humors are a lowed to accumulate, a crisis, or, in other words, a storm, will arise, which is always more or less dancerous. WRIGHT'S INDIAN VEGETABLE PILLS WRIGHT'S INDIAN VENETABLE PILLS are equally well calculated to prevent the storm, or to allay it when it comes. But PREVENTION IS BETTER THAN CURE besides being cheaper and less troublesone. The delay of a day in the commencement of sickness has often proved fatal, and always renders the case more difficult to manage. Let the sickness be caused by CHANGES OF WEATHER,

Beware of the hypothondria. Two pills taken every of the night on an empty stomach, for a short time, will, in nine cases out of ten, cure the Dospepsia, and thereby drive away, the legion of "devils blue." For Headachig, no medicine is superior to Bright's Indian Vegetable Pills. Costiveness, that prolific mother of disease, is caused by a torpid state of the liver, which these pills effectually cures. By striking at the root of disease, Wright's Indian Negetable Pills prevent all and cure all. Telegraph! Important from Mexico! Engagement with and Defeat of the Enemy Under the Walls of the City !-the Enemy asking a Suspension of Hoxtilities !- Mexican Congress convened

to consider Terms of Peace! By the arrival of the Steamship Fashion. Captain O. Brady, at New Orleans, we have the most important intelligence from Gen. Scott's Army that has been received in many months. The Fashion left Vera Cruz on the 27th August, and Tampico

on the 29th. The Army has not only advanced to the City of Mexico, but it has had two severe engagements with the enemy, closo under the walls of the City. The struggle continued for some time, with great force and energy on both sides; but the enemy were at last repulsed, and signally defeated! The enemy has been brought to supplicate a suspension of arms, which Gen. Scott granted. The Mexican Congress, was immediately convoked, to take into consideration Mr. 'Prist's (our Minister) proposition for Peace. The news was received in Vera Cruz on the Evening of the 26th of August, by an Express Courier from Orizaba, who brought down the following letter:

Orizaba, August 25th, 1847. My DEAR FRIEND :- The Mexican mail which has just now come in, brings the following intelligence, which I copy from Diasio official del Grodoma, being of so great importance. I send you this express, which will reach you to-morrow about twelve o'clock. On the 20th, two Brigades, commanded by Generals Valencia and Santa Anna, went ont to attack the Americans near San Angel. General Valencia's Division, after a severe engagement of several hours, has been completely defeated,-and Gen. Santa Anna, after the first encounter, fell back, also, in complete disorder, to the city. They immediately after asked for a suspension of hostilities, and offered to hear the proposals of peace from Mr. Trist, the American Minister. The next day the Minister of Foreign Relations, invited the Congress through their newspapers to assemble at the Capitol for that purpose. These are the great facts, which, no doubt, will bring

after them, Peace between the two natio Another Express arrived in Vera Cruz on the 26th, with letters containing the same news in substance, and a translation of the annothicement in the Diaso official del Gradoma. It is now supposed the extraordinary Courier which left Vera Cruz for Mexico on the 12th ultimo, a day in advance of the regular English Courier, was the bearer of instructions to the British Minister to offer again his mediation; and we think he was instructed to do so, if possible, before General Scott entered the Capitol. We believe the instructions were positive, and were no doubt promptly obeyed.
