

of cultivation, ten of which is in meadow. The bal-ance is wood and swell timbered. The Union Canal, runs through the property. The buildings consist of a two-story dwelling house, a new 'w itzer barn, and otti er out buildings. There are two orchards on the farm, and an abundant supply of good water on the premises close by the buildings. There are afficient acres of win-ter grain in the ground. For terms and other particu-bers' and to the buildings riber the income

POTTSVILLE IRON WORKS.

THE old adage, "take time by the forelock" com-mends listef to every of the in splat common sense; and, when the chill winds of atumn begin to blow, gi-ving notice of the approach of winter, every prudent man will at once make provision against cold weather. Knowing that the prople of Pottsville have a commen-dable regard for comfort, convenience, and economy, LONG & JACKSON have just started their new store in Centre street, opposite Trinity church, with an ex-tensive assortment of PARLOR AND COOKING STOVES, among which will be found all the old and approved styles, and a number of new ones adapted particularly to the wants of the Coal Region. We have the pleasure of introducing to this neighborhood PIERCE'S AMERICAN AIR TIGHT COOKING STOVE, WITH BRICK TOP OVEN. This stove, which is of recent invention, buds fair to su-percede every other kind now in use.. During the past year it has grown into public favor with upprecedented

ting a genuine article. Give us a cail. We guarantee to sell as low as any

article in our line of business can be purchased either in Pottsville or Philadelphia. Clocks and Watches of every description carefully vepaired and warranted on the most reasonable terms. WILLIAM BRADY, JOSEPH S. ELLIOTT,

Valuable Coal Tracts to Rent.

TRUSTEES PEREMPTORY SALE.

TRUSTEES PEREMPTORY SALE, Thomas & Son, Auctioneers. A Tracts Valuable Coul Lands. ON Tuesday, Octuber 20th, 1917, at 7 o'clock in the evening, will be sold at public sale, without reserve, at the Philadelphia Erchange: All those 4 adjoining tracts of land, situate on the head waters of Sandy creek, north of, and contiguous to the Back Mountain Coal Company's Lands, and about 4 miles west of the river Lehigh, in Denison town-ship, Luz-me rounty, Pennsylvania. These tracts are said to abound in Coal and Iron ore, and to form the northeastern put of Cross Creek and

These tracts are said to abound in Coal and Iron ore, and to form the northeastern part of Cross Creek and Sandy Creek coal field. The proximity of the Lehigh and the great improvements in contemplation, whereby to reach the New York and Eastern markets by acqu-tinuous line of railway, makes this estate eminently worthy the attention of capitalists. They will be sold separately, and are more particu-larly described as follows:

1. One of them containing 4001 acres and allowance.

One of them containing and acres and allowance, surveyed in the name of Nathan Beach.
 One other of the said tracts, containing 3701 acres and allowance, being composed of parts of two tracts, one surveyed in the name of William Gray.
 One other of the raid tracts reads and the tracts are the raid tracts.

3. One other of the said tracts, containing 4001 acres, and allowance, surveyed in the name of Thomas Pas-

4. And the other of said fracts containing 23St acres and allowance, being part of the tract surveyed in the name of John Brady.

and allowance, being part of the tract surveyed in the anne of John Brady.
 57 The sale will be preimptory, to close a trust. Terms, one-half of the purchase, money cash on the execution of the title, and the remaining half to be secured by bond warrant of attorney, and mortgage on the premises.
 payable, (with interest half yearly.) in one year from time of sale; or, at the purchaser's option, the whole of the purchase money will be received. Plans of the estate may be seen at the 'Fhiladelphia Exchange', M. Thomas & Son's Auction rooms, and at the office of T. Mason Mitchell, No. 76, Walnut street, Philadelphia Exchange', M. THOMAS & SON, Auclioneers, 93 Walnut st.
 50 Another tract of between 300 and 400 acres. adjoining the landings of the Buck Monthan Coal Company, will be sold on the same eccuing. See handbills.

the state of the state

The city of Pompeii stood on the gulf of Naples, at the mouth of the small river Sarnus, now called Sarno, about twelve miles from the city of Naples, and five miles from Vesuvius. Its is surrounded by walls which have been traced in various parts of their circuit, in order to determine its extent. It occupies nearly as much space as Reading, and must have contained many more inhabitants, as its streets are narrower, and it was much more densely built. Its walls were no doubt formerly washed by the sea, but at present the beach is at least a mile distant. Its destruction, as already stated, happened by the great eruption of Mount Vesuvius in the year 79 of rings, a comb, and in her hand a purse full of cop-ses for statues, and a place for the sacred fize. On per coins. This is it e purse which you saw at this door sill you observe two screents in mosaic, he Christian era, and it was again discovered in the Museum so surprizingly preserved. On the and in the centre of the pavement of this small 1750, by a vine-dresser, while working in his other side of the street and nearly opposite this room, is the representation of a labyrinth or table house, you see the tombs of the family of Diomedes. for playing an ancient game, and on the floor of vineyard, which was situated immediately over the city, and near the Sarno. It was covered to Adjoining the villa of Diomedes, towards the this room is a connucopia. In this house were gate of the city, is a small, rectangular structure, found a human skeleton, and that of a dog, with the depth of twelve or fifteen feet only, by show ers of ashes and pumice-stone, which are easily removed. About one-third of the city, comprising ings, which contains three platforms, couch-es, and the marble pedesial of a table. In this four rings on the same finger) with a number of ighteen streets of the most interesting parts of it,

are now disinterred. The principal part of these excavations were made by thes French while in possession of Naples, and they are at present still Farther on you observe some beautiful tombs in silver coins, and the small square bronze lantern continued, though slowly, by the Neapolitan goerninent.

Munatius Faustus, and is an elegant funeral monument in the form of an altar, whose side are ornamented with bassi-relieva resents a vessel going into port. Its interior you nothe pretty on oil cloth for halls i As this ill-fated city presents the most interesting illustrations of the habits, mannermand customs of the ancients in their minutest detail, and as an intense desire to visit it has been among my earliest and fondest dreams, I would earnestly beg you to have patience with me if I should de tain you an unreasonable' time within its curious precints. Let'us then proceed slowly and reguoff and wine. Many lumps and urns of pottery buttle of Pavla, one of his officers, the valorous were also found here. The next is the magnific Chevalier Bauregard, smitten by the charms of arly to examine all the objects of interest, as they were also found here. The next is the Lognific Chevalier Bjuregard, smitten by the charms of cent tomb of Calventius Quictus, who, it appears an Italian lady, named Aurelia, of a noble family, were found, and call to mind those which we have already seen with such intense currouty in . from the inscription, was one of the Augustuls, an declared his passion to her. Aurelia, although the Museo Borbonico, at Naples, following the order laid down by the invaluable guide book of order of priests bearing a high rank. Let us now cross to the opposite side of the street, and exam-Mad. Stark, and carrying a chart of the city in our hands.

marble door by which we can enter it. It has but The extreme violence of the chevalier's tore urged This road is supposed to be an extension of the famous Via Appia from Rome. The extension urn, containing burnt bones and ashes, and on it Aurelia accepted the proposition, and engaged to was deposited a gold ring. Here on the right side marry him if he would consent to remain dumb of the street is the tomb of Airicius Scaurus, for Fix months. The chevalier promised, and ruin on our right was the splendid villa of Murcus Arius Diomedes, behatifully situated on the de-clivity of a hill. This house evidently had three stories, which was unusual at Pompen; the upbuts. Its interior is a very perfect columbarium, turned to Paris among, his friends and relations, per one was destroyed, but we will enter the secconsisting of; many compartments. It appears who lighented the singular infirmity he had from the inscription that the magistrates of the brought with him from the army. Bauregard and by this flight of steps which leads up from the street of Tombs. This brings us into the Peristyle formed of four columns, that opens by a passage into an open Qudrangle surrounded by our porticos resting on fourteen columns, with a arge cistern in its centre. This received the rain water, and conducted it into the well, whose marble top is deeply worn by the ropes used to draw water from it. In this story was the Lararium, or chapel of the household gods, in which was
