men:—For the benefit of the public and those afflicted as I have been—you are at liberty to use this testimonial as you think proper:

After having suffered over a year with several painful teers on my right shoulder; which covered a space of nearly nine inches in circumference, I was induced to call at your office, to see Mr. Isaac Brooks, (with whem I was nequainted) and his cure being so remarkable as to remove all doubt, I commenced taking the same medicine, "Dr. Cullen's Indian Fegeluble Panacea." I have not used the number of bottles prescribed, but am pleased to say, I have been entirely cured.

I wift be pleased to see any one who may think proper to'call upon me for further information at my house, in South Juniper street, a few doors above Spruce.

TETTER.—Messrs. Rucand & Walton;—Gentlemen: I cheerfully give you the priculars of a cure performed on me by your justly celebrated 'Dr. Cullen's Indian Veretable Panacea." I had been afflicted with "Tetter" about ten years on my body and hands. It was exceedingly troublesome and annoying, I tried Ointients but without rehef. Last winter I procured some of your Panacea; the itching was soon allayed; and I had taken the medicine but a knort time when biles made their appearance on different parts of my body: when the biles disappeared the Tetter went with them, and I an now entirely well. I would certainly recommend the Panacea, to all like afflicted.

The disease was pronounced "Erysipelas," I resorted to the usual remedies, but without effect—except in one case, in one case, in which I tried a medicine advertised in an ALMANAC, which, instead of curing, eat the flesh to the bone: my leg became very troublesome, and I began to fear it would result in something serious. Mr. Thorn-inglighter of ingre, was taking your Panacea for ton, a neighbor of mine, was taking your Panacea fo ton, a neignbor of mine, was taking your lances in a scroftloss sore leg—and much benefitted. That dreadful cough! The Lungs are in danger!
The work of the destroyer has been begun!
The cough of Consumption hath in

A RE you a mother? Your darling child, your idol

shrunken ingers, tell the hold disease has already gamed upon her—the sound of her sepulchral cough pierces your soul.

Young man, when just about to enter life, disease sends a heart-crushing blight over the fair prospects of the future—your hectic cough and feeble imbaktell of your loss of hope, but you need not despair. There is a balm which will heal the wounded lungs, it is a shim which will heal the wounded lungs, it is a shim which will heal the wounded lungs, it is a shim which will heal the wounded lungs, it is a shim which will heal the wounded lungs, it is a shim which will heal the wounded lungs, it is a shim which will heal the wounded lungs, it is a shim which will heal of Washington, Dra-Roe and McClellan of Philadelphia, Dr. Roe and Dr. Mott of New York: Her friends all thought she must die.—She had every appearance of being in consumption, and was so pronounced by her physicians—Sherman's Balsam was given and it cured her.

Mrs. GARRABRANTZ of Buil's Ferry, was also cured of consumption by this Balsam when all other remedies failed to give relief—she was reduced to a skeleton. Dr. A. C. Castle, Dentist, 231, Broadway, has witnessed its effects in several cases where no other medicing affined to give relief—she was reduced to a skeleton. Dr. C. also witnessed its wonderful effects in curing asthma, which it never fails of doing. Spitting blood, alarming as it may be, is effectually cured by this Balsam. It heals the ruptured or wounded blood vessels, and makes the lungs sound again.

Rev. HENRY JONES, 103. Eighth avenue, was cured of cough and catarrhal affection of 50 years standing. The first dose gave him more relief than all the other medicine he had ever taken. Dr. L. J. Beals, 19, Delancy street, gave it to n sister-in-law-who was laborner under Commption, and to another sorely afflicted with the Asthma. In both cases its effects were immediate, soon restored them to comfortable health.

Mrs. LUCRETIA WELLS, 95, Christig street, suffered from Asthma 42 years. Sherman's Balsam relieved her

This success of American artists was confirmed, in a very gratifying and conclusive munner, by Mr. Barnum's publicly stating, at the close of his Tony Thumb exhibition in this city, that Mr. Root had made fifty-one good pictures, with only a single failure. In addition to which, Mr. R. has been furnished with the following conclusive cerificate, signed, it will be perceived, by the parents of Tom Thumb, by Mr. Barnum, his teachers, and secretary, all of whom were with him in Europe.

Philadelphia, June 4, 1847.

The Daguerreotypes of Tom Thumb and his family, including his several teachers, foutman, diver, equipage, &c., and his various costumes and characters, and delicacy of finish, and uniform brilliance, that we have never seen equalled. They are, decidedly, superior to anything of the kind witnessed by us eather is this country of in London, Paris, orany of the cities of Europe which we have visited. We take pleasure in hearing testimony to the courtesy and skill so uniformly manifested by Mr. Root, the eminently successful Daguerreotypist. (Signed,
