A sprains, swellings, salt theum, piles, fever sores, chapped hands, sore lips, chillblains, scald head, and all kinds of INFLAMED SORES.

Persons in all conditions of life are at all times liable to be afflicted with the above complaints. It is therefore the duty of heads of families to provide and keep on hand, ready for any emergency, A REMEDY that is capable of removing the suffering attendant on these very troublesome companions. Those who have used Tonsey's Universal Ointment need not be told that it is a most complete remedy, a perfect master of pain, and the most speedy remover of inflammation ever discovered. The experience of such persons is sufficient to prompt them to keep it always on hand, knowing that many valuable lives and limbs have been saved by this MAGICAL CONQUEROR of inflamed and other sores, burns, scalds, 5c. It instantly stops all pain of the severest kind and prevents all scar. No family should be without it, as an immediate application of it, in case of burns or scalds would do more good while waiting for the doctor than he could do when arrived, besides preventing long hours of the utnost suffering which might pass before a physician could be obtained.

It possesses control over the severest, injuries by fire, over mortification, over inflammation, and by its combined virtues it acts as Anti-septic, Mercine, Anti-sparandic Andalm Emilier and Healing, and is the most over mortification, over inflammation, and by its com-bined virtues it acts as Anti-septic, Verrine, Anti-spas modic, Anodyne, Emollient, and Healing, and is the mos COMPLETE EXTERNAL REMEDY now in use. mount, Analyse, American, and Meaning, and is memory COMPLETE EXTERNAL REMEDY now in use.
