That dreadful cough! The Lungs are in danger!
The work of the destroyer has been begun!
The cough of consumption hathin

A RE you a mother? Your darling child, your idol
A and earthly joy, is now, perhaps, confined to her

shrunken fingers, tell the hold disease has already gamed upon her—the sound of her seputchral ough pierces your soul.

Young man, when just about to enter life, disease sends a heart-crushing blight over the fair prospects of the future—your hectic cough and feeble limbs tell of your loss of hope, but you need not despair. There is a balm which will heal the wounded lungs, it is SHERMAN'S ALL-HEALING BALSAM.

Mrs. ATTREE, the wife of Wm. if. Attree, Esq., was given up by Dr. Sewall of Washington, Drs. Roe and McClellan of Philadelphia, Dr. Roe and Dr. Mott of New York. Her friends all thought she must die.—She had every appearance of being in consumption, and was so pronounced by her physicians—Sherman's Balsam was given and it cured her.

Mrs. GARRABRANTZ of Bull's Ferry, was also cured of consumption by this Balsam when all other remedies failed to give relief—she was reduced to a skeletoh. Dr. A. C. Castle, Dentist, 281, Broadway, has witnessed its effects in several cases where no other medicine afforder felief—but the Balsam operated like a dharm. Dr. C. also witnessed its wonderful effects in curing asthma, which it never fails of doing. Spitting blood, alarsning as it may be, is effectually cured by this Balsam. It heals the ruptived or wounded blood vessels, and makes the lungs sound again.

Rev HENRY JONES, 103, Eighth avenue, was cured of cough and catarrhaf affection of 50 years standing. The first dose gave him more relief than all the other medicine he had ever taken. Dr. L. J. Beals, 10, Delancy street, gave it to a sister-in-law who was laboring under Conumption, and to another sorely afflicted with the Asthma. In both cases its effects were immediate, soon restored them to comfortable health.

Mrs. LUCRETIA WELLS, 95, Christic street, suffered from Asthma 42 years. Sherman's Balsam relieved her at once, and she is comparatively well, being enabled to subdue every attach by a timely use of this medicine. This indeed is the great remedy for Coughs, Ccids, Spitting Blood, Liver Complaints, and all

"American Superious, announced, as a remarkable proof of the skill and proficiency of American artists, that Daguerryotypes are now made in this city, superior, in every tispect, to those made in any of the European Cities. This success of American artists was continued, in a yery gratifying and conclusive manner, by Mr. Barnum's publicly stating, at the close of his Tom Thumb exhibition in this city, that Ms. Root had made fifty-one good pictures, with only a single failure! In addition to which, Mr. R. has been furnished with the following conclusive certificate, signed, it will be perceived, it will be perceived, between

the partness from a numb, by Mr. Barnins, in Seach; the partness of Tom Thumb and his family, including his several teachers, footman driver, equipage, &c., and his various costumes and chracters, made by Mr. M. Root, (FIFTY-ONE in al.), present a degree of accuracy and truthfulness to londure, with a boldscharm of outlipe, softness, bapression, beauty, and delicacy of finish, and uniform brilliance, that we have never seen equalled. They are, decidedly, superior to anything of the kind witnessed by us either in this country or in London, Paris, or any of the clitics of Europe which we have visited. We take pleasure in bearing testimony to the courtesy and skill so uniformly maufested by Mr. Root, the enineffly successful Daguerre-orypist. (Signed, S. E. POLITICAL INTELLIGENCE.

MEXICO.-Returns bave been received from the Pennsylvania election held at Perote, where some of our Volunteers are stationed, by which it appears that Shunk received 66, and Irvin 20 votes. Of those from this Borough, 8 voted for Bhunk, and 4 for Irvin-the original ballots having been received a few days ago by Col. Straub, Prothonotary of this County. It is proper to fidd that many of the voters were absent on the day of the election.

GEORGIA .-- Messrs. Berrien and Dawson, the Whig aucus candidates for the U. S. Senate, were elected t few days ago. :

TT Grin and Bear it .- Major Freas, of the Germantown Telegraph, prints such an excellent paper, that like a firmer who has an orchard of choice fruit, he must constantly be on the alert to keep off prowlers, who jump over the fence and fill their baskets without leave.

ITA Location Selected .- Upon going to prese, we are happy to learn that the Commissioners appointed to select a site for the Court House. have finally agreed upon the residence of Mrs. Farquhr, on Second street, at the Northern end of the borough. The situation is elevated, and commands a fine view of the town. We have no doubt but that the relection will give general satisfaction to our citizens, and those interested.

13 Worth Reading .- We find the following excellent advice in an exchange paper :- Never. neglect to read the advertising department of a newspaper, if you would know what it concerns every due to know, where to lay out your money to the best advintage. Competition is at its height, and those who have any thing worth buying, or go d partains to offer always advertise. They know it is the sure way to do a brick business, and by selling quickly they are able to sell chea; lv. Therefore, if you would save yourself much trouble, vexation, and loss of time, read the advertisements. Keep the run of them, and you will have no defaculty.

In Minora If the war continues Congress will and must modify the law in regard to the chistment of minors. There are 10,000 boys. over-13 in our cities, who are willing and anxi us to join the army and navy, who are preven-ted by the present law. When that law was en-acted it was all right. We then wanted young men as mechanics, manufacturers, &c. Now wo have more than can get emyloyment, and it would be good policy to repeal, or at least modify the act. EXPRIENCE.
