suspicion that he was one of us. "After snaking hands with him, he looked inquisitively at me and said : "Stranger, moughtn't I have seen you before " to Frankfort, and the Frankfort editors did not to Where." and blistered ?" asked the wife, anxiously. Doctor S. thought a moment, and then said : 'Les, by all means. Send for a barber ; and also for a fresh fly blister, four inches by nine."

time; and so commenced squatting on a spot in a central position, to be ready to take advantage of ... travelling, and also the trade in transitu, and have a monopoly of his position. 'There is stun & enough in the neighborhood,' said he... to build, a Smart hotel; and when I can get hands, I'll surely put it up." "This was once the great highway of nations,

when the commerce of India poured its wealth into the Mediterranean, when the gold of Ophir was brought to enrich the coffers of King Solomon; when the whole route was one continuous line of noble cities, flourishing villages, cultivated fields. and enterprising inhabitants, in the midst of which the Nile flowed majestically as it now does amid barren sands. This is the vanity of all earthly affairs."

Miscellann.

TP Progress of Scandal.-And she advised me if I ever took a house in a terrace, a little way out of town, to be very careful that it was the centre one-nt least if I had any regard for my cputation. For I must be well aware that a story never loves by telling; and consequently, if I lived in the middle of a row of houses, it was ery clear that the tiles which might be circulated against me, would only have half the distance to travel on either side of me, and therefore could only be half as bad by the time they got down to ast, his friends urged him to shut himself up at be circulated against the wretched individuals who had the misfortune to live at the two ends of it; so that I should be certain to have twice as good a character in the neighborhood as they had. For nstance, she informed me of a lamentable case that actually occurred while she was there. The servant at No. 1 told the servant at No. 2 that her master expected his old friends, the Bayleys, to pay him a visit shortly; and No. 2 told No. 3 that No. 1 expected to have the Bayleys in the house every day; and No. 3 told No. 4 that it was all up with No. 1, for they could'nt keep the bailiffs out; whereupon 4 told 5 that the officers were after No. 4, and that it was as much as he could do to prevent himself from being taken in execution, and that it was pearly killing his poor dear wife; and so it went on increasing and in creasing, until it got to No. 32, who confidently things always will, the friends of H. had may a hearty lauth; but they wishly concealed from the No. 1, for killing his poor, dear wife, with argenic, anything more than appeared of the cause of his that he would be executed!and that it was coulidently hoped and expected

To Society and Solitude .- Society and soli-

tude are more alike, in point of creating happiness

than people imagine. I have been alone in a wilderness, with not a human creature within

reach of me for many miles, and yet the very

glow of a bright afternoon sun, as he illuminates

the distant mountain tops, filled the heart with the

purest rapiure. These are moments of euthu-siasm. I have fell the same feeling in society.--

The brilliancy of gay dancers-the ease and grace

of female loveliness, joined with some being about

which the mind lingers with delight, produce the same sensations which nature, in her loveliest

appearance, ever did. Society and solitude meet

Parental Example .- Dr. Franklin, in his

utobiography, thus speaks of his father : "He

was fond of having at his table, as often as possi-

ble, some friends, or well, informed neighbors, ca-

pable of rational conversation, and he was always

careful to introduce useful or ingenious topics of discourse, which might tend to form the minds of

his children. By this means he carly attracted

our attention to what was just, prudent, and bene-ficial in the conduct of life. He never talked of

the meats which appeared upon the table, never

discussed whether they were well or ill dressed, of a good or bad flavor, high seasoned or otherwise, preferable or inferior to this or that dish of a sim-

The Louisville Journal says that Ez-Pres-

ident Tyler recently visited that city and stayed

his departure ! Could any public man ather
