POTTSVILLE.

MOVEMENTS AT THE CAPITOL.

Congress from all accounts, is in statu quo. Many of the members have gone home to spend the holidays...

In the House, the question of Slavery in the District of Columbia has been agitated, and for a day or two past, has created considerable excitement.

A dinner to Gen. Shields and Quitman is on the tapis, and another to Gen. Taylor, to come off on the 25th of February.

The bill now before the House of Representatives for the relief of Mrs. E. President Madison, provides an annuity of \$5000, and \$20,000 to be invested in the names of trustees.

The Supreme Court, now in session, has been through its course past time. It appears to offer more attractions to the visitor than the Legislative hall.

THE DIFFICULTY IN THE ARMY. The rumors which reached us last week of the difficulties between General Scott and several of his lieutenants, have been sustained by late accounts from the city of Mexico.

THE FOREIGN NEWS. The steamer Iberia arrived at Boston a few days ago, with late dates from Liverpool.

LOTTERIES IN MARYLAND. The lottery system as now conducted in Maryland, promises to yield to that State a very handsome revenue.

THE COAL TRADE. We will furnish our readers with the annual coal statistics next week. We could not obtain the official quantity sent by Rail Road during 1885.
