menced. The President gave the usual terce on New Year's day, and a brilliant assembly of us popular with all parties. Whenever a "Mexican Whig" goes to the White House ho goes to beneficial—though all encroachments upon the see "Mrs. Polk"—and though a locofoco may have business with the President, he only acknowledges that he was paying his respects to Mrs. Polk. Mrs. Polk, therefore, is the "bright particular" of the White House—the President of the Bright particular" of the White House—the President of the Presi of the United States being merely a thing in reason why they should be two in matters of dolcourse, reposing, like the senior of the House of lars and cents. If a noble mind can level its af-Dombey, upon his everlasting dignity.

The long-expected arrival of Mr. Clay, Gene- upon equality with a mean one, which directs its rals Shields, Quitinan, and others, and the interest which the affairs of the nation are expect. The message, throughout, teems with localises disposed of, have attracted within the ten miles square choice parcels of fashionables, pickpocks, official dignitaries, office-seekers, and maidens of all ages, sizes, fortunes and expectations, from every quarter of Uncle Samuel's plantation and even from the four quarters of the globe and more especially from the lands of his cousin J. Bull. With this material, how can the season be otherwise than gay-and how can old maid and young maids fail in getting offers and off sirs,-and bending the suff knees of representative and senator-visaged seains! Ah!-hem! who would not be a bachelor if he could wrap around him the cloak of senatorial diguity, wield from Mexico the remains of several officers who

Mr. Clay has for several days past been ex- leave of absence. as has been stated, but has, since Tuesday last, as Puebla. All was quiet along the lines. been sojourning with an old friend in Virginia. During his stay in the Federal City, he will preside over the deliberations of the American Culonization Society, which holds an annual meening in that city. He is also retained on counsel

n several caces before the Supreme Court. A rumor prevailed a few days ago, that Mr. Polk had recalled Gen. Scott from the command of the army in Mexico; but it was not generally credited, becase the thing was entirely too ridi-culous, even for the administration.

The President, on the 30th ult., sent the fol-

branch of Congress. A petition from citizens of Philadelphia, requesting that the public lands throughout the Union, was read in the House of Representatives, and laid on the table by a vote

of ayes SG, nays 70. Mr. Houston, of Delaware, introduced a join resolutions of thanks to Gen. Taylor, his officers and men. Mr. Henly moved to amend by adding, "while engaged as they were, defending the rights and honor of the country." Mr. Ash mun moved an amendment, adding theretoa war unnecessarily and unconstitutionally begun by the President of the United States." Mr. Ashmun's amendment was adopted by yeas and

rich and died without leaving a will. There is coming through the care! little doubt but that the General was assiduous in his attentions to the lady, but there is some quick as you could snap your fingers.

Office laws, which allows newspapers, to pass free over mail reutes, was offered in the House. and passed by a large majority. This is one trinmph for the Country-press, and it requires but the prompt action of the Post Master General to Arts-Union, will be ready for distribution among carry it into execution.

In the Senate, Reverdy Johnson's resolution, calling upon the Secretary of War for the num- should be happy, in the meantime, to receive apber of troops that have been killed, wounded or died from disease, since the commencement of the war, was taken up and agreed to.

PENNSYLVANIA LEGISLATURE.

This body assembled at Harrisburg on Tuesday last. In the Senate the Whige have a majority of six, but in the House the locofocos bave a large plurality, which secures them a majority on Pioneer, at Phonixville, and has become connecjoint-bellot. In the latter branch, Gen. Wm. F. ted with the editorial department of the New-Packer of Lycoming county, (some years ago York Literary world, one of the best publications connected with the press at Harrisburg) was nom- in this country. Previous to leaving Phonixinated in cancus for the Speakership, and duly ville, where Mr. T. is personally held in the highelected upon its organization. He is a violent est regard, a splendid supper was given in his honlocofoco, opposed to the Shunk dynasty, but is a or by Dr. Whittaker, himself a most ad misable gentleman of considerable ability, and experience gentleman, and valuable citizen.

In the Senate, which organized the same day, but at a later hour, William Williamson of Chester and was elected Speaker a few days before the adjournment of the Legislature last year.

On Wednesday the Governor, sent in his annual message. It is rather a brief document, perhaps the result of indisposition, under which we learn His Excellency has for some time been laboring. Upon the war question he follows in the wake of Mr. Polk, with the exception perhaps that he is even more firm in his endeavors to defend and justify it. The revenues of the State, from all sources, exhibit an excess over the demands upon the treasury of \$302,404, and an year. excess is estimated for the present year of about \$500,000. This excess, should it continue, he suggests to have appropriated to the liquidation of the State debt, and gradually to diminish the direct taxes now levied for the payment of the interest felling due semi-annually upon it-the nett | Montgomery county. amount of which is a fraction over \$40,000,000. In a few years, he believes the resources will leave aufficient surplus over the expenses to dispense with direct taxation altogether. The amount of relief notes yet in circulation is \$31,664, and there ds sufficient means in the Treasury to cancel them tical printer, and a sound writer. within the next two years; but he suggests the propriety of allowing the banks that issued them to fund them at six per cent, to be taken up for crature, news, odd fellowship, de. and edited by A. cancellation whenever an excess of revenue will C. Kill Haven R. R. Co.

Philadelphia, 12 mo., 13 th, 1847.

The stockholders in the Company are bereby notified that the ANNUAL MEETING will be held in their office in the Hall of the Fronklin Institute, on the 10th day of the First month, (January, 1848, at 10 o'clock, A.M. On the same day an election will take place for a President and two Managers, to conduct the concerns of the Company for the year thereafter, and until others.

speak, because those who know the man know how atterly impossible it is for him to do anything that is not calculated to inspire the highest admiration as well for him personally as for his talents. To be brief, it was a splendid offair, and some of the metaphorical sentences, were truly grand and sublime, in the highest degree.

We must regret that the friends whom he warmed of his approach, did not receive, earlier advices—carly enough, at least, to have given notice through the newspapers. In that case, we are satisfied, the Town Hall never would have contained prettier faces nor more of them. Of course he had scarcely arrived ere he ascended Sharp Mountain. He expressed himself very much pleased with it, and the scenery of the coal Register of Sang Mountain. He expressed himself very much pleased with it, and the scenery of the coal Register to safe as forces his rice and the proposal server. The same of pour medicine has saved as Sharp Mountain. He expressed himself very much pleased with it, and the scenery of the coal Register of as a care of pleased with it, and the scenery of the coal Register of safe and physician were persuaded is early where she would be likely to procured that if Dr. Mim Daniel R. Esterly, in the Market and ton. NOTICE—Geo. H. Stichter having associated with him Daniel R. Esterly, in the Market and ton. NoTICE—Geo. H. Stickter, who was my care taker, made inquiry where she would be likely to procured that if Dr. Market and ton survive made that if Dr. Swapne's Campound Syrup of Wild Cherry, falled in the cure, my life was then hopelers. Vour medicine the was the cure was immediately procured, and the first bottle gave relief, and by the time I had commenced the sixt bottle, was immediately procured, and the first bottle gave relief, and by the time I had commenced the sixt bottle, was immediately procured, and the first bottle gave relief, and by the time I had commenced the sixt bottle gave relief, and by the time I had commenced the sixt bottle, was the procured to the old firm.

Moli or

Townsend's Baranarilla. The foll wing certificate who sent us yestarday:

New York, December, 11, 1817.

To Dr. Townsend:—181:—1 think it my duty to return you my own sincete thanks for the benefits I have experienced by the use of your Extract of Baranarilla I was afflicted for many months with libenmuit pains, and also inflammation of the Liver; the sufferings which lendured from these diseases rendered my life a burden to me. I tried every remedy that was prescribed for me from three of the best physicians in the city, but without receiving any permanent benefit. I considered myselfinerable, but by the advice of a friend was induced to try your compound. I had but fain hopes of success, but I am happy to asy, I had not taken more than half a futle.

Scheepikill Nationalion Co.

TOLLS FOR 1848.
