The roxt article provides that the United States government hall take prompt and effectual messures for the defence of the border from In-dian incursions. To this end, both nations are

to use their best endeavors. In consideration of the extension of the boun-dary of the United States, made by this treaty, the United States government stipulates to pay to Mexico the sum of fifteen millions of dollars. In this sum is included the three millions appro-priated last session for the furtherance of peace, pristed last session for the furtherance of peace, and now subject to Mr. Trist's order. This sum is to be paid to the Mexican government immedi-ties to be paid to the Mexican government immedi-tession, they made them walk bare-footed, then nual instalments, bearing six per cent. interest from the ratification of the treaty by Mexico.
