A BIT OF HUNOR-We do not relish the truth, the less for being occasionally spiced with a litte humor. The following extract from the report of a committee on Hogs, read before an Agricultural Society "down east," contains some excellent hits: "Arain : Some folke accuse pigs of being fithy in their habits, and negligent in their personal appearance. But whether fast is best eaten off the ground, or from China plates is, it seems to me, merely a matter of tas<sup>20</sup> 61.0 100 to on leases, to suit applicants, all thattract of convenience, about which pies and seem may bounstly differ. They ought then, so be judged charitably. At any rate, pigs are not filling enough to chew tobacco, nor topoison their breath by dirking whickly. An are to their persuita by dirking whickly. An are to their persuita espressore, you don't cich a pig playing the dandy nor the form is among them picking their and be an and be and be

have some excellent traits of character. If one have some excellent trains or constarter. At one chances to wallow a little deeper in some mire hole that his follows, and carifs off and come-in prosession of more of this ere to than his breth-

hole thut his feliows, and carties off and come in promoted as of more of this ers is than his herely account; neither are his brettern stupid enough to be is he still a hog? If he is, they treat him as such. And when a hog has no merius of his own, he never nespect or account of his family con-particular respect or account of his family con-nections; and yet some Hogs have descended from very ancient families. They understand full well, the common sense maxim, 'every tub must stand upon its own bottom.''

stand upon its own bottom."" Ask THE CAPTAIN —A writer in the Receille tells an ancedote of "Bob," that will "do "—" While crossing the plains of Santa Fe, Gen. Kearney was some distance sheed with the advance guard. One of, the officers belonging to the rear division, singled Bob out, and sent him ahead with a letter to the General. When be came up with them they had encamped, and Bob sauntered into the General, was argue: "We're gittin' along right sharp, General," said he. "Yes, sir" answered the commandef. "I wish you'd jest look at that hoss of mine, General," said Bob, "and give me your 'pinion how he'll stand the raket clar through to whar wi're goin." "Have you a captain at the head of your com-

we're goin'." "Have you a captain at the head of your com-

"Have you a captain at the head of your com pany !" inquired the General. "Well, we hev, hoss, and be's some punkins "That's military, is it !" inquired Bob. "That's military, is it !!" inquired Bob. "Well, Genersl, they gin me a letter for you? and so I'l go back and ask the Captain." And back he went, sure enough, with the letter in his back he went, sure enough, with the letter in his WORKING A TRAYERSE.—The fullowing

WORKING A TRAVERSE - The following is the singular history of Mr. Labouchere, at pres-ent a member of the British Cabinet:-"In 1821 he was a clerk in the banking house of Mr. Hope, at Amsterdam, and was sent by his patron to Lord Baring, the celebrated banker of London to negociatera loan. He displayed in this affair so much ability, that he attracted the attenton of the English banker.

"Ah !" said he one day to Lord Baring, "you bave a charming daughter, will you not accord me her hand !"

mo ber hand ?" "Young man! oo pleasantry! I like you much, but how could Miss Baring become the wile of a common clerk!" "But!".stid. Labouchere, "if I were associated "But!".stid. Hone ?"

All through the long bright days of June Its leaves grow green and fuir, And waved in hot midsommer's noon Its soft and yellow heir.

And now with Attiumn's moonlight eyes Its harvest time hascome. We pluck away the fristed leaves, And bear the tremure home.

There, richer than the tabled gift Of golden showers of eid.

Let vapid idiers foll in silk Around their costly loard, Give us the howl of samp and milk By home-spin benuty poured.

Fair hands the broken grain shall shift, And kneild its meal of gold.

Where'er the wide old kitchen hearth' Bends up its smoky juris. Who will not thank the goodly earth, And bless our corn-fed giels.

Then shame on all the proud and valo, Whose foily laught to scorn The blessing of the Vanke's grain, His wealth of golden corn.

Let earth withold her goodly root, Let mildew blicht the rye. Give to the worm the orchard's fult, The wheat field to the rye:

The Farmer.
