For Canal Commissioner, NER MIDDLES WARTH The circulation of the Miners' Journal is greated any other paper published in Northern Pennsylva has and has nearly double the circulation of any other published in Schuylkill county. It also circulates largely innot capitalists, manufacturers, iron and coal dealers, ironghout the Atlantic and Eastern States.

PLEASE OBSERVE .- Communications, advertise peats, &c., for this paper, must bereafter be handed as early in the week as possible, and none can be dmitted after 120'clock on Friday. This arrangement readered necessary by the alteration in the hour of h rederied necessary by the departure of the Eastern mail, which will compel us to go to press at 2 o'clock on Friday afternoon, as well as our large circulation, which requires much size time to print off the edition than formerly. MOUNT CARBON HOUSE.—This well known es-

blishment has been for some time in the hands of m. G. Johnson, Esq. who spares no expense or exerruits, and espending to such, coming on bridger ity, at home, or ever will get again. They pock-les, the Muri, Carbon House would perhaps be placed et \$56 per week each, and on a fair average,

week in the common affairs of life.

To many of our readers this week in the common affairs of life.

To stelligence will no doubt come second-handed; but To saldition to this sum many of ing themselves of the progress of events in the Old Sworld, are not of daily occurrence, and who feel themselves quite as deeply interested as the majority of their fellow citizens.

and present week. Nothing doing in Congress—nothing going on in Mexico—no Treaty—no Peace—no fighting ino election news—no "astounding disclosures"—in short, there is scarcely anything of even ordinary im-WE HAD A fine rain on Wednesday night, which continued over to Thursday night, with slight intermis-

sions Cold weather on Thursday and Friday. OUTSIDE PAGES .- We have taken up, perhaps (and as we hope) for the last time, the outside pages exclusively with advertisements. We could'nt avoid it well; but hereafter we shall supply our usual variety

A WORD, friends and fellow-citizens! The Presi dental election is coming on, with great rapidity; the systems season is at hand, and the next welve month will be pregnant with political, commercial and gener-al interest. You should therefore supply yourself, Now is a very suitable time to subscribe to the Miners' Journal. We are holding back for the "good time rel" along with his fellows, and perhaps go a-kead of them a length or two: See terms.

THE POLITICAL FIELD.

The startling movements in the Old World have so far engressed the attention of the people of this country, and have wrought such sudden and singular effects upon our financial, political, and social affaire, that we have comparatively almost forgotten that a President of the United States must be elected the ensuing fall. The preliminary arrangements necessary to place the candidates

ble, any expression of individual preference as to candidates. In these times, when everything trian Minister, the Earl of Aberdeen, Lord Brougchanges with each passing breeze, there is no cer. ham, the Duke of Wellington, and other distintsinty or any stability in the choice of men. We guished persons called upon them. is enough for us to understand the principles he death warrant! will represent. Postscript.

From our Telegraphic Correspondent NEWS TO THE LATEST MOMENT! PHILADELPHIA-May 5, 1842 7 Flour has experienced rather more activity. Pa. bossell at \$3,64 a \$6—the former chiefly for export. Ryo Piver is in request at \$3,87 and thereabouts. Corn Meal is in better demand, and brings \$2,25 a 2,31 a 2,37

which latter has settled the asking price. Wheat may be quoted at 142-very scarce. Corn is upward—51 cta. and more are selling marks. In Outs we are without quotations—dull, however. Whiskey 22 cts. in hids. 27 in bbls. CONN. SENATORS .-- A caucus of the Willy members of the Connecticut Legislature have agreed upon Roger S. Baldwin and Truman Smith as their candi-dates for the U. S. Senato. As the Whige have a majority in both branches of the Legislature, the nomina-

tion is equivalent to an election. IMMIGRANTS .- There arrived at New York last month sixteen thousand immigrants, against twenty-one thou sand during the same month last year. One thousand arrived at Boston last week. Emigrotion to this coun

try will this year exceed any former one.
