PATENT METALLIC ROPES, FOR THE USE OF MINES, RAILWAYS, &c.

For sale, or imported to order, by the subscriber.

THEER Ropes are now almost exclusively used in the Colliaries and on the Railways in Great Brit THESE Ropes are now almost exclusively used in the Colliaries and on the Railways in Great Britan, and are found to be greatly superior to Hempen ones as regards safety, durability and economy. The Patent Wire Ropec, have proved to be still in good coudition after three year's service, in the same situation where the Hempen ones, previously used, of double the size and weight would wear out in nine or ten months. They have been used for almost every purpose to which Hempen Ropes and chains have been applied. Mines, Railways, Heavy Cranes, Standing Rigging, Window Cords, Lightning Conductors, Signal Halyards, Tiller Ropes, &c. They are made either of Iron or Copper Wire, and in cases of much exposure to dampness, of Calvanized Wire.

Testimonials from the most eminent Engineers, in England can be shown as to their efficiency, and any additional information required respecting the different descriptions and application will be given by ALFREDT & KEMP, 73 Broads at, New York, Sole Agent in the United States.

HAAS' EXPECTORANT,

FOR THE CURE OF

Consumption, Coughs, Colds, &c.

TO THE PUBLIC!!

IN PRESENTING this valuable medicine to the public as a remedy for Consumption, and Pulmonary
Diseases in general, I have been actuated solely by the
great success attending its use in my own immediate
neighborhood, and a desire to benefit the afflicted, I
shall simply endeavor to give a brief statement of its
aschilless, and flatter myself that its surprising efficacy will enable me to furnish such proofs of its virtues
as will satisfy the most increduous, that CONSUMP.
THON may and "CAN BE CURED," lithis medicine is
resorted to in time. As Consumption, however is a
disease which differs much in the severity of its sympims, and the rapidity of its progress, and has long bafled the skill of physicians it cannot he supposed that
this or any other remedy is capable of effecting a
cure in every case and in every stage of the disease;
on the contrary, we must expect it to fall sometimes, a
circumstance which occurs daily, with all the most vallamble remedies we possess, for the most simple disease;
on the contrary, we must expect it to fall sometimes, a
circumstance which occurs daily, with all the most vallamble remedies we possess, for the most simple disease;

Persons in all conditions of life are at all times liable to be afflicted with the above complaints. It is therefore the duty of beads of families to provide and keep on hand, ready for any emergency, A REMEDY that is capable of removing the suffering attendant on these very troublesome companions. Those who have used Tourg's Universal Cintiment need not be told that it is a most complete removely, a perfect master of pain, and the most speedy remover of imflammation ever discovered. The experience of such persons is sufficient to prompt them to keep it always on hand, knowing that many valuable lives and limbs have been saved by this MAGICAL CONQUEROR of inflamed and other sores, burns, scalled, &c. It instantly stops all pain of the seions of life are at all times liable valuable lives and limbs have been saved by this MA-GICAL CONQUEROR of inflamed and other sores, Gurns, scalles, &c. It instantly roops all pain of the severest kind and prevents all sear. No family should be without it, as an immediate application of it, in case of burns or scalds would do more good white waiting for the doctor than he could do when arrived, besides preventing long hours of the utmost suffering which might pass before a phyleican could be obtained.

It possesses control over the severest injuries by fire, over mortification, over inflammation, and by its combined virtues it acts as Anti-reptic, Nervice, Anti-spamodic, Anodyse, Emolificat, and Healing, and is the most COMPLETE EXTERNAL REMEDY now in use.

Thousands have tried and thousands prales it. It is working its way into public favor with a rapidity heretofore unknown in the history of medicines.

All who was, recommend it. Again we say, no family should be without it. The agents will furnish the public GRATIS with books describing this Ointment. Each box of the genuine Tookey's Universal Ointment, has the signature of S. Tousey written on the esticated label in black int. Never purchase a box unless this signature can be seen. Pice 25 cents per box, or five boxes for \$100 Prepared by Elliott & Tousey, bruggists, Syraense, N. Y., and sold by agents throughout the United States.

Sold in New York at 106, Nassau street.

The following are the agents in Schuylkill county for Tousey's Universal Ointment.

In the City of Mexico! Great success omong the Folun-teers! Letter from a High Sheriff of South Carolino; Testimony of the Public Press! Wright's Pults Tri-umphant!

EMPAOR!

ENTRACT of a letter from the editor of the Greenville Mountaineer, South Carolina.

Dr. W. Wright:—Dear Sir:—\* \* \* A week or two ago I sent you a Mountaineer, containing a letter from one of our Volunteers in the City of Mexico, in which he pays WRIGHT'S INDIAN VEGETABLE PILLS, under all the circumstances, the highest meed of praise the property of the pr he pays WRIGHT'S INDIAN VEGETABLE PILLS, under all the circumstances, the highest meed of praise I have ever known a medicine to receive. The Volunteer, Wm. W. Goodlett, Esq., is a gentleman of fine standing—an accomplished and well-educated man, and was recently HIGH SHERIFF of this District. By one of your advertisements in a Charlestown paper, I happened to notice the location of your office, and though you might extract an article of some value in regard to your medicine, therefore I sent the paper.

The following is an extract from the letter referred to above:

But with the sugar, and by giving the article a name rimilar to Watcht's Indian Veoltable Pills they gain a temporary notoricity: Ifelerathy are, insheps's clothing, of whom the public should steer aufficiently

clothing, of whom the phone should seek standard clear.

Let it be remembered that Whight's Implay Ygotable Pills are prepared with special reference to the two governing the human body. Consequently they re always good, always useful, always effective in ooting out disease. Every family should keep them on aand.

THE suscriber is extensively engaged in the manual factory of WOVEN WIRE SCREENS upon an improved and entirely new principle, for which he has accured LETTERS PATENT, and which he confidently believes will be found upon trial, superior to every to state the confuential of special confusions of special confusions. They are woven entirely of wire, and can be made with meshes and threads of any required size and strength.

WIRE WEAVING OF EVERY DESCRIPTION WILD be executed at the shortest notice, and screens made to every pattern, adapted to all the uses for the stand an hour or two 'to soak,' The oily or gummy substance will unite with that of oily or gummy substance will unite with that of soapy nature, and the after washing and squeezing will thoroughly produce a clean fledce. For the want of this soaking the soap is soon washed out, leaving the gum still in, which no washing, however long or hard, can remove. Now dry in green pastures, and shear in three or four days (if fair.) In putting up, put only the shoulders of the fleece out; for buyers expect to see the best and judge if it is poor, the balance to be worse; tie true and even, and sell at the first fair, living effer, because nine times out of ten, this is the biggest price you will get. The ox will not eat "bolwn hay" nor a sensible man run after a fleeting or coqueting woman,—farther important suggestions hereafter.—[Merc' ants Ledger.

Tunnips Among Conn .- In all its var-. Tunnips Amono Conn.—In all its varieties—from the luscious and hardy Swede, to the most diminutive hybride, the turnip furnishes an excellent aliment for stock—being singularly salutary in its influences upon the animal's health, and conoxious to few, if any, of the numerous objections so strongly urged against the potato, the parenip and the beet. That many object to then on account of the unpleasant acid flavor they impart to milk, is a fact of which we are well-aware; but this should never be urged as an irremediable evil, as it may be obviated with the irremediable evil, as it may be obviated with the greatest case. When corn is planted a reasonable distance apart in the rows, from forty to seventy five, or even one hundred bushels of turnies to the acre may frequently be obtained without any serious detriment to the soil or crop; and in all cases where corn has suffered from the ravages of the cut-worm, the filling of vacant spaces with this invalnable vegetable is highly judicious. For this purpose the common England turnip is preferable to all others; its yield, under such circum-

A PRIVATE OPINION!

From Morristown, St. Lewrence, County, N. Y.

\* \* \* Watour's Indian Vectrable Pills, are the best medicines ever efferted in this section of country in my opinion.

H. BERNAD.

This is to certify. That I have used Watour's Indian Vectrable Pills in my family, and have sold to various persons, within a short time, one hundred and fifty bases of them, and they have universally been spoken of as A GOOD MEDICINE. They have restored a number of individuals who were in a declining state of a number of individuals who were in a declining state of a number of individuals who were in a declining state of a number of individuals who were in a declining state of a number of individuals who were in a declining state of a number of individuals who were in a declining state of a number of individuals who were in a declining state of a number of individuals who were in a declining state of a number of individuals who were in a declining state of a number of individuals who were in a declining state of a number of individuals who were in a declining state of a number of individuals who were in a declining state of a number of individuals who were in a declining state of the success of a man who left a locative business in the city of Philadelphia, for farming, to make a profit. After two years trial, ho was asked if the did not find the profits small compared with those of undel? He answered "quite the contravity of high scate, Jufferson County, X. Y.

Dr. W. Wrighth:—Boaut six months ago I became much debilitated by over exertion and a distressing Cough, which soon brought on Inflammation of the Lungs and intermitting Fever, with Plain in the Chest and Side, and much Soreness of the Breast, with Cold Night Sweats, which reduced me very low. After being confined to my bed for several days, I got a box of your Indian Without a Statement. The several days, I got a box of your Indian which I received from the use of your Pills, and from the universal good name which they have among my friends, who have used them for several days of the Breast with they have among my friends, who have used them for several days of the Lungs and Chest, and also tor Billious Complaints. I am induced to believe that Wrighth:

British Yergeranle Pills are decidedly the best family medicine new inst. Yours truly,

Michael C. Sandford.

Are sometimes made by confounding one medicine with another, and administering the wrong article. Equally horribe are those mistakes which are made insupposing another, and administering the wrong article. Equally horribe are those mistakes which are taken, and if one kind is bad all are bad in the statement. Let any one, having taken other medicines, try this. Nothing more will be necessary.

Many persons have been led away by a coaring or Stoam, as if they anticipated that it would remove the medicine, try this. Nothing more will be necessary.

Many persons have been led away by a coaring or served them, and would not be sold a aingle day. But the word more served them, and would not be sold a aingle day. But the this statement. Let any one, having taken other exercises, and the medicine. But they are generally mistaken other medicines, try this. Nothing more will be necessary.

Many persons have been led away by a coaring or Scoam, as if they anticipated that it would remove the medicine, try this. Nothing more will be necessary.

Many persons have been led away by a coaring or Scoam, as if the States, in the Hall of the Philadelphia College of Medicine, No. 42 South Fifth street.

Philadelphia, June 10, 1848. Philadelphia China Store.

Philadelphia Chima Store.

THE Subacibers, proprietors of one of the oldest and most extensive China Stores in the United States, have now on hand a very large supply of Common Ware, Granite Ware, China Warsana Glass Ware, embracing all the varieties every imported, which they will rac in large or small quantities, Wholesales or Retail, to susethe wants of people, at prices to defy competition. The advantages to be derived from having a large sixel to select from, ought certainly to be apparent to every one; only two need be mentioned:

2d. The varety to please the taste:

2d. The varety to please the taste:

2d. The advantage of purchasing at the lowest prices; for it is certainly evident to every thinking mind that the larger the bariness dose, the smaller that prefixed winders less to the wholesale package dealer; the wholesale package dealer sells to the jobber, and the jobber to the retail country dealer: so that the farmet or consumer of the article pays at last four profits!

Why pay so many profits when you can come durety to head quarters?

TYNDALE & NITCHELL.
