Medicine how in set. Yours truly, DANIEL C. SANDYORD. HORRIBLE MISTAKES 1: Are sometimes made by confounding one medicine with another, and administering the wrong article. Equally horrib e are those mistakes which are made in supposing that all Pills are alike, and that therefore, it is indiffer-ent which are taken, and if one kind is bad all are bod together. This is a very great mistake. There is an much difference between WHOUT'S INDIAN VEC FTA-much difference between whour's INDIAN VEC FTA-much difference between whom the way by a Coartno or HODAR, os if they antripated that it would, remove the mauses of the medicine. But they are getwently missi-ken. Without SUGAR those articles in and would not be fold a langle day. But with the sugar, and by giving ine article a name weider to WHOUT's INDIAN GETARLE PILLS they gain a temporary notoriety. The store y are, in sheep's clothing, of whom the public should steer aufficiently clear
