HE ALTH INSURANCE

[of Philadelphia.]

Or Provision against the expense and loss accretioned by Sickness or Accident.

OMPANY incorporated March 2, 1848, (MUTUAL.)

With a Capital of \$100,000. Insures all persons between the ages of 18 and 55, an immediate sliowance of \$3, 81, 85, 85, 80 or \$10 per week, for one, two, three, or five years, by paying a certain yearly sum.

Thus a person under thirty-five, insuring for one year, by paying \$4 a year, is allowed \$3 per week; for \$5 23, \$1 per week; and in the same proportion, one of a like age by paying \$6 55 a year, sets \$5 per week; for \$7 90, 35, \$10 35. \$5; and for \$12 90, he gets \$10 for every week of disability occasioned by sickness or accident, during the year. By paying a fraction more yearly, a weekly allowance can be insured of from \$3 to \$10 for two, three or five years. The rates are to be paid yearly in advance, and are in proportion to the age and the weekly allowance. In case of permanent disability, occurring after an insurance for, say five years, at a weekly allowance of \$10, a person would be in the yearly receipt of \$202 a year, for the entire five years.

There are no weekly or monthly assessments to pay. HEALTH INSURANCE

There are no weekly or monthly assessments to pay, or attendance of meeting required; and by the charter the insured receive a share of the net profits, without tability for losses. There is ample security for the insured, as can be shown, and promptness and liberality is exercised in the payment of benefits. TO THE PUBLIC!!

IN PRESENTING this valuable medicine to the publica as a remedy for Consumption, and Pulmonary discases in general. I have been extuated solely by the great success attending its use in my own immediate a neighborhood, and a desire to benefit the afflicted, I dishall simply endeavor to give a brief statement of its Lacfulness, and flatter myself that its surprising efficator, will enable me to furnish such proofs of its wirtues as will satisfy the most incredulous, that CONSUMP-ITION may and "CAN BE CURED," if this medicine is resorted to in time. As Consumption, however is a disease which differs much in the severity of its sympoms, and the rapidity of its progress, and has long baffed the skill of physicians it cannot be supposed that this or any other remedy is capable of effecting a cure in every case and law— "2" stage of the disease; on the contrary, we asset expect it to fail sometimes, a 3 irrumstance which occurs daily, with all the most validable remedies we possess, for the most simple disease. ENTRACT of a letter from the editor of the Greenville Mountaineer, South Carolina.

Dr. B. Bright: Dear Sir. — A week or two ago I sent you a Mountaineer, containing a letter from one of our Volunteers in the City of Mexice, it which he pays WRIGHT'S INDIAN VEGETABLE PILLS.

he pays WRIGHT'S INDIAN VEGETABLE PILLS, under all the circumstances, the highest meet of praise. I have ever known a medicine to receive. The Volunter, Wm. W. Goodlett, Esq., is a greatenan of fine attanding—an accomplished and well educated man, and was recently HIGH SHERFF of this District. By one of your advertisements in a Charlestown paper, I happened to notice the location of your office, and, thought you might extract an article of some value in regard to your medicine, therefore, I sent the paner. our medicine, therefore I sent the paper. WRIGHT'S ISDIAN VEGETABLE PILLS.—Although not particularly friendly to patent medicines, we must confers that we have become a convertio; these pills, having had an opportunity on some two or three occasions to test their efficacy. For a gentle medicine, one or two will be found mild though effective. Where bile or other impurities have accumulated, and more thorough medicine is required, a dose of three or four of these pills taken on going to bed, will be found effectual in cleansing the stomach and restoring the bowles to a healthy state. We speak from experience; and take pleasure in commending the pills to the public.

Facts for the People.

The constantly increasing popularity and sale of B.

A. Fahnestock's Vermituge has induced persons who are envious of its uccess, to pain off upon the public preparations which all medical men know to be inefficacious in expelling-worms from the system.

This Vermituge made its way into public favor upons the ground of its own intrinsic merits, more than any other medicine of the kind now used; and, while many worm remedies havely dunt of puffing, been forced into-sale, and shortly after gone into the obscurity which their worthlessness justly increties, and its heart work worm the system. It is a sold to be used and its effects will fully sustain all that it said of its wonderful expelling power:

EURIFICATE.

We certify that we have used B. A. Fahnestock's Vermituge in our families, and in every-case it has provided a decided and effectual remedy for expelling worms from the system. We cordially recommend it to parents who have children affluted with that dangerous malady.
