Our Seriens are becoming intelerate, and we really hope amounts due in the course of the ensuing week. Any further delay will be extremely dangerous to our credit and may bring us within the reach of the man who harges \$1 37} cents for his services.

TO CLUBS AND OTHERS .- The Miners' Jon will be furnished to single and club subscribers at filty cents per copy, from the present number to the Presidential election—embracing a period of over four months. Cash must accompany all orders. Aug. 1
