## Miners' Iournal.

Saturday Morning, Sept. 16. The circulation of the Miners' Journal is greater than any other paper published in Northern Pennsylvania and has nearly double the circulation of any other published in Schuylkill county. It also circulates largely among capitalists, manufacturers, iron and coal dealers, throughout the Atlantic and Eastern States.

DANIEL KOCH. THE GREAT FIRE.

Most of our readers have doubtless already been informed of the disastrous fire, which broke out in our Borough, on Sunday night last. We issued an extra early on Monday morning, and sup- idential candidates in 1844 :-plied copies to the press, and friends abroad; by which means the news was soon spread over the

The fire originated in a lot of hay and straw, Rhode Island, Connecticut. belonging to Chas. Moll, at the corner of Callowhill and Railroad streets. It broke out at about eleven o'clock, when nearly every one had retired for the night; still it was promptly discovered, and the alarm given. But before any effective the property of the carolina, measures could be adopted to arrest its progress, it South Carolina, Garrette. eleven o'clock, when nearly every one had retired had gained such away as to terrify all who observed it. There was not the slightest wind-the evening was calm, and beautifully moonlight-The appetite of the element, from the long continued dry weather, was very keen indeed, and it devoured the combustible material greedily as it Missis went along. The sight was awfully grand! A whole equare on fire at one time—the fire cracking and singing in triumph, and the sparks ascending

upward in streams and torrents! The streets were filled with people, and on all sides furniture, and every kind of goods were stowed away in the greatest confusion. The firemen toiled unceasingly, and when at last it was found that the square on fire was doomed, they directed their efforts to the surrounding buildings. and stopped the further progress of the destroyer. Many during scale came under our notice, which might very properly be extelled here, to individual credit. But every one did his duty, and is equally deserving the thanks of the community.

deserving the thanks of the community.

"The hardy seaman pants the storm to brave, For beck hing fortune woos him from the wave; The soldier battles' neath the smoky cloud. For glory's bow is painted on the shroud; The firemen also dare each shape of death, But not for fortune's gold, or glory's wreath; No selfich throbs within their breasts are known, No hope of praise or profit cheers tiem on, They sake on need, no fame, and only seek To shield the sudering and protect the weak; For this the howling midnight storm they woo. For this, the raging flames rush fearless through, Mount the frail refler, head the smoky half. Or tell, unshrinking, 'neath the tottering wall. Nober than those who, with fraiternal blood, Dye the dread field, or tinge the shuddring flood; O'er their firm ranks no crimason banners wave, They dave, they suffer-not to slay, but wave; At such a sight. Hope tribles more heavenly bright, Pale, pensive Pity, trembles with deliath.

Pale, pensive Pity, trembles with deliath. it eyed Mercy, stooping from above, a bright tear—a tear of joy and love."

John Clayton, Fred. C. Epting, Robert Adams C. & W. Fox. Wm. H. Hill. John Hoffman. Jacob Hoeffer, James G. Cochran, W. C. Leib, J. K. Fellnagle, and Hassinger & Bertram lose but little. (many of them being fully insured.) except the inconvenience occasioned by the loss of their dwellings, and the disarrangement of their

business and families. The total loss ranges between 40 and \$50,000. of which about \$40,000 was insured by the Lysurance Companies of Philadelphia. The losses of the different Companies will be as follows: about \$10,000 Lycoming,

Franklin. 8.500 Spring Garden, The latter Company had the largest amount insured, but it was principally upon stocks of his hands clean from Locofocoism!

Goods, which were removed.

## MORE HUMBUG :

in orders in this Region-there was very little defence of "Southern institutions!" money in circulation among the people, and traffic was the order of the day. Under the operation almost entirely ceased-but unfortunately for the country, traitors to the American laborer and A. merican interests, were elevated to power,—the tain: he is at present a Canal Commissioner. British Bill of 1846 was enacted into a law, There is another thing certain: that he will not against the remonstrances of the people, by Polk and Dalias, -and the order system, as one of the some time to came. inevitable consequences of such legislation, reigns inevitable consequences of such legislation, reigns triumphant in this Region again. Every man, woman, and we were about to say, almost every child knows that we are indebted for the renewal child knows that we are indebted for the renewal of this pernicious system of traffic to the deception the Locofoco leaders have the audacity to post up | dare not contradict it! handbills in our Borough, calling a meeting of the friends of Cass, Butler and Longstreth, to put Satan himself would almost blush at such Jeception and rascality!

WARE-HOUSE SYSTEM.

Some of our readers are not, perhaps, aware him! that Polk's Administration not only encourages the importation of foreign goods and manufactures-but they have also provided Ware-houses for the Storage of these Goods in the United

tes, free of cost, where they can remain till our cities, must provide his own Store-houses, and ism, no matter in what shape it presents its rasfaw was passed by the same Congress that repealed the Tariff of 1842. It was the refusal of Great Britain to permit the American colonies to manufacture for themselves that compelled them to establish their independence of the British Crown, but we are fearful that all the blood and the policy of free-trade, while here in the North, treasure of the Revolution will have been spent as usual, they pretend to be in favor of Protecin vain if the traitors to American interests and tion! the principles of the Revolution, are permitted to cule the country much longer. That the blood should almost hoil in the veins of American citizens, when they see and feel such outrages inflicted upon them by their own government, is not surprising. A day of savere retribution must and will soon arrive.

"A LITTLE MORE GRAPE." The following document has been handed to or publication. We lay it before our readers with pleasure, in refutation of various falso stateler, and the British Tariff Bill of 1846 t

ler, and the British Taritt Bill of 1984.

TO THE PUBLIC.

It having been reported that all the Volunteers attached to Company B. Captain Nagle, of the first Regiment of Pennsylvania, were opposed to the election of Con. Zachary Thylor for President,—we the undersign of members of said Company, do declare said report to false, and we will give Gen. Taylor our united and undivided enprort for said office. He is a man that never surrenders, nor will we.

FIFTY THOUSAND DEATHS BY CONSUMP.
TION would perhaps be a small estimate for the ravages of this dreadful disease in a single year; and then add the fearful catalogue of those out off by Inflammation of the Lungs, Hemorhaps, Asthma, Couphs, India on Lore, and the list would present an appalling proof of the fatality of these two classes of diseases. Burkt is important to know, that nearly all of this dread waste of human life might have been presented by a timely use of Dr. Swayne's Compound Syrup of Wild Cherry.
This medicine has now been before the public some elect years, and is the original preparation from the Wild Cherry tree. Its reputations as remedy for coughs, colds, bronchitis, and consumption of the Lungs, hased entirely upon its intrinse ments, owes but little to inflated newspaper puffs. Those who give it a trial, be inchedited by it, recommend it to their neighbors, and ituse gradually and surely has it gained an enviable reputation and worked its way into general user. One bottle never fauls to cure a recent cough or cold, while with strict attention to the directions that accompany seach bottle, its use in Pulmonary diseases of long standing and of the most alarming character, has always givented the control of the original preparation.

The (original and only genuine article is prepared by Dr. Swayne, coraer of Eighth and Race Streets, Philadelphia, and for sale by a gents in all parts of the U. States, and some parts of Europe.

For sale by J. G. Brown, Druggist, and Dan'l. Krebs, at the Post Office, Pottsville; C. & G. Huntzinger, Schuyikill Haven; Frailev & Hobart, Orwigsburg; S. & G. Shoulenberger, Hamburg; James B.
