THE MINERS' JOURNAL, AND POTTSVILLE GENERAL ADVERTISER.

----THE CONTRAST. THE WIFE. The sits in first chair from morning to night, The saw, work, saw ; Bhe rises at dawn with her heart so light, Gness sawing and sawing with all her night Till the hour of slocp. The her delight To work and saw, saw, saw.

The needlo goes in and the thread comes out,

'Tis sow, sew, sew; Now she sings to the baby a merry song, And cheers the hearts of the happy,throng, While her fingers nimbly fly along, To sew, sew, sew. THE HUSBAND

Ite sits in hie hair from morning to night, "Is smoke, chew, smoke, fir sizes at dawn bis pipo to light, Goes puffing and chewing with all his might, Till the hour of sizes. "It his defight To smoke, chew, smoke.

The quid goes in when the pipe goes out, 'Tis chew, chew, chew; Now, a cloud of smoke pours, from his throat, Then his mouth sends a constant stream afloat, Sufficient to carry a mill or a boat, 'Tis chew, chew, chew.

DEATH IN A QUANDARY. DEATH IN A QUANDARY. If death should say to Lewis Cass, 'Yield up you life old party plotder,' He would be bothered like the ass That starved between two stacks of fodder, 'Which life, O monster, dost thou mention 3 I'ikhreak my sword before I die so. One life claims extras and Extension, The other carries a Proviso.'

A PLAY UPON WORDS. A bat about a farmer's room Not long ago 1 knew Ta dy. Hecaught a dy, and then Fiew up the chimney flew. But such a scene was never seen, (1 am quite sure of that,)

Taty. He can be channey fire.
The control of the

forms of the world's people.". "Very well. But you love her ?" "Yes. "And respect her !" "And cherish her as the bone of your bone and Sosh of your fich! "Yes, certainly I do." "And will !" "Yes." Then turning to Sarah, the Governor said .: "And you love and obey him !" nd with "Yes. "And respect and cherish him ?" -"Certainly I do. "And will !" "Yos." "Then," said the Governor, rising, "in the name "Then," said the Governor, rising, "In the name of the laws of God, and of the Commonwealth of Connecticut, I pronounce you man afid wife !" The ravings and rage of John and Sarah were in the two was tied by the highest au-man and the light of the raving and the light of the l

HARRISON, BROTHERS & Co. White Sugar of Lead ;

HEALTH INSURANCE [of Philaddphin.] Or Provision against the expense and lossoccasioned by Sickness or Accident. OMPANY incorporated Marcha, 1848, (MUTUAL.) O with a Capital of \$100,000. Insures all persons be-tween the ares of 18 and 65, an immediate allowance of \$3, \$4, \$5, \$6, \$6 or \$10 per week, for one, two, three, or firse years, by paying a cortain yearly sum. Thus a person under thirty-five, insuring for one-year, by paying \$4 year, is allowed \$3 per week; for \$5 25, \$1 per week; and in the same proportion, one of a like are by paying \$6 55 a year, real \$5 per week; for \$7 09, \$6, \$11 20. \$5; and for \$14 65, he gots \$10 for every week of disability occasioned by alckness or maccident, during the year. By paying a farction more includent, during the year. By paying a farction more

for every week of disability occasioned by alckness or accident, during the year. By paying a fraction more yearly, a weekly allowance can be insured of from \$3 to \$10 for two, three or five years. The rates are to be paid yearly in advance, and are in proportion to the age and the weekly allowance. In case of permatent disability, occurring after an insurance for, say five years, at a weekly allowance of \$10,a person would be in the yearly racellator \$500 a year, for the entire five years,

In the yearly receipt of \$520 a year, for the entire uve years. There are no weekly or monthly assessments to pay, or attendance of meeting required; and by the charter the insured receive a shars of the net profits, without liability for losses. There is amplesscurity for the in-sured, as can be shows, and promptiness and liberall-ty is exercised in the payment of henefits. For parti-culars, inquire at the office, No. 69 South Seventhett, above Walnut D'All letters must be post paid. Diffections. Samuel D. Orrick, Iron Merchant, No. 109 North Wa-ter-street.

1 SURE REMEDY FOR WORMS THE constantly increasing popularity and sale of B. A. Fahnestock's Vermifuge has induced persons who are envious offs success, to pain off upon the pub-lic preparations which all medical num know to be inef-fications in expelling *verms* from the system. This Vermifuge made its way into public favor upon the ground of its own intrinsic merits, more than any other medicine of the kind how haved; and, while many worm remedies have, by dint of puffing, been forced into sale, and shortly after gone into the obscurity which their worthlessness justly merited B. A. Fahnestock's Vermifuge continues to be triumphantly sustained. It miscauoi travening agents, a practice pursued by some of our cotemporaries, at very preatexpense. These Agents must be paid whether they make sales or not. With the advantages we possess of procuring Tess, and a close application to business, to say nothing of atten-ding to our own busiless, and not entrusting it to others mut ultimately insure us a share of your custom. Jan. 5-2.1y.
