nend them for young ladies and delicate com-in our hands ere the evening approaches; some fruits, which we lose in tasting-enchantment,

commend them for young ladies and delicate com-plexions. Cloaks are principally of French merino and Cashnere de baize. They are the most suitable Cashnere de baize. They are the most suitable ded. Many are made with three capes, varying in size, the bighest commencing about the waist. The capes are pointed behind and also on the shoulder. Cloaks, seques, etc., are now, edged atmost entirely with nerce welter ribbon er braid worsted or silk. They have a pretty effect when in good contrast—as a stone-colored merino closk, with green velvet ribbon and closely quilted lining of Florence silk of the same color, or favn and bus, stone and cherry, dark green and cherry.

blee, stone and cherry, dark green and cherry -Two and sometimes three rows of ribbon are cover that many a noble shirit carries enterprise

a nore is a graceror style or sain faits, covered bed an inst we have passed annue into the struction with fine crape lisse, which can only be detected bind us; frightful crash, inevitable destruction on close examination, having the appearance of some flowers, gathered by the wayside, which fade an entirely new material at a distance.
