THE PROTECTIVE POLICY OF THE COUNTRY The People Demand its Restorati

The absence of the editor, this week, will account for any deficiencies that may appear the Journal.

THE LATE PRESIDENTIAL CONTEST.

The two great parties of our Country never went into the political field with a fairer start or a clearer course, than in the late Presidential election. The previous twenty years have been characterized by rancorous prejudice and unwarrantable excitement. The people were not only told
how to act and how to vote in our great contests,
but were watched with the strictest care, and drilled by the most vigilant demagogues. The late
struggle assumed, in its incipiency a marked and
diverse character, so far as the masses were condiverse character of the twind for the court of Common tenta to the remediated the sum of the cunt of Co that the American citizens are capable of self-gov- the 12 Electoral votes of Massachusetts. ernment; an acknowledgement the trembling monarchies of Europe have never conceded, but which speaks in thunder tones to their alarmed sensibilities. Never were so many votes east at a sensibilities. Never were so many votes east at a

handed down to the future. The candidates nominated by the great opposing parties, are men of acknowledged abilities .- of the country has been appealed too by the Lo-The one defeated has long been before the community in high civil capacities, and is admitted to possess talent of high order. The successful competitor has exhibited military talent of the very first order, and by his public despatches has shown an intellect largely comprehensive, and admirably cultivated. But communities seldom make exalted talent exclusively the pivot upon competitor has exhibited military talent of the which their preferences turn. Social traits, moral principle, and popular character, are considerations, which with the people may be regarded as most effective. How does Lewis Cass stand, equally highly finished illustrations. With its funds." and from observation, when we say that in dispo sition, and in temperament he is an aristocrat, tion. His moral code has set easy upon him in a Philadelphia. political sense, as his political career has shown; not preventing the ad ption of the Baltimore platform, which inculcated and enjoined the grossly unjust and anti-republican doctrine, that the will selves as politic in a partisan view. Could any of | tofore-\$3 in advance. the despots of Europe or the world, go more directly to thwart and enslave their subjects? For less than this, some of these corrupt Rulers are now political fugitives, and others are sliding from their Thrones. The present and previous administrations up to the election of Andrew Jackson, have been palpably characterised by encroachments upon the obvious spirit and design of the Constitution, until the party thus far entrusted old General. by the people with government, determined to consummate their thirst for power in the bold
