THE MINERS' JOURNAL, AND POTTSVILLE GENERAL ADVERTISER

- 4.

POTTSVILLE. SATURDAY, MORNING, JAN. 27, 1849.

MR. E. J. Far is authorised to receive subscrip tions for the Miners' Journal, and receipt for the same at his Drug store, in Tamaqua

Bishop Hughes' Sermon .- We copy this week from the N. Y. Tribune, Bishop Hughes Sermon, recepilly delivered at New York. The ability of Bishop Hughes and the position which he occupies in the Church has caused a great desire to read the Sermon, both on the part of Protestants and Catholics. We have struck off a few written in a calm and dignified manner, and apextra copies of the Journal, which can be had at peals to the whole nation instead of a mere sec the counter and at the News Emporium, Centre, above Market Street, Pottaville; at Mrs. Old. ent at the former meetings did not attend. After know's, Minersville; and Moore's, Port Carbon. some discussion, Mr. Berrien's address was re-

We publisk in another column an Address to the Working Men of Pennsylvania, by request. While some portions of the address are correct, it thanks of the nation. The whole affair will end abounds with statements that are incorrect.-It in smoke. whacks too much of the demagorne, and was never penned by a working man. Such documents do our working men ten times more injury than good, lar Notes on the Farmers' and Mechanics Bink and drive all honest, thinking men from their of Rahway, N. J., are in circulation in Philadelsupport. If they desire to succeed, they ought to phia. They are said to be so well executed that eat loose from all those who desire to use them the imposition can hardly be detected. The word for sinister purposes.

We have a letter from one of our Representaives, who states that no bill can pass the Legis. male figure, sheaf of wheat, sickle, &c., with a store giving a lien on one man's property to pay figure of a ship under sail brtween the names of spother's debts, but that a law securing to the la-borers one or two month's wages out of the first "Reminer Wilcht's Units" is used to the names of Mine Hill and S. H R. R. Little Schuytkin R. R. assets of a bankrupt, (that is to take precedence over all other claims.) will be entertained by the Legislature, and he will use his influence to have such a law passed. He states that all that is ne-cessary is to send in petitions. The sending of horses (a Harrisburg is only stiended with expanse. cessary is to send in petitions. The sending of during the late campaign, of much value. The

porers to Harrisburg is only attended with expense, Governor however modestly declines, and directs and is totally unnecessary.

We have just examined a series of School books with the above title. The series consists of The following is the official canvass of Ohio three volumes intended for beginners. We take for Governor, as announced by the Speaker of the pleasure in recommending these books to the at- Senate: tention of parents, teachers, and all who have charge of the youthful mind, as the most perfect books of the lay. The first volume contains all words of two and three letters; the second contains words of one syllable ; and the third a variety of useful and interesting reading matter These books are compiled in such a manner as kill County, are becoming quite popular at the cannot fail to interest the young pupil, which is Capital. The following extract from a letter an important consideration. The three books are from Harrisburg speaks for itself :
