THE DYING VOLUNTEER. AN INCIDENT OF MOLINO DEL REY. By H. C. Chapman.

The sun had risen in all his glorious majesty. and hung above the eastern horizon like a ball of glowing fire. Its bruth rays danced along the Lake of Teseneo and over the glittering domes of the city Mexico, past the dark frowning battlements of Chapultepec castle, and lit, in all their glorious rfadgence, upon the blood stained field of Molino del R.y.

The contest was over, the sounds of the battle had died away, save an occasional shot from the didtant artillers of the castle, or the fire of some

faintly articulated, as I bent down beside him."

Fortunately I had procured a canteen of water and placing it to his lips, he took a long draught "The same sir," she calmly replied.

NO. 9. "To whom, if I may be so bold as to inquire !" "To Augustus P." was the immediate reply.

to father or mother, sister or brother, but fee the deep respect which I held for my father's advice, would prevail, and I should be induced to remain at home. I made the resolve, and carried

He faltered in his speech, and then murmuring

One year rolled on, and how checked by passing events. Chapulteper had fallen, the city of Mexicons. Chapulteper had fallen, the city of Mexicons recommending a chapter of the same initial and disposition, can be entirely of the same initial and disposition, income more the land of war.—
The volunteers were j yfull hastening home, and among the rest, I once more trod my native land, a freem in again, in her heart and soil. A spell of sickness at first confined me several weeks, but at length I rose wearied and feeble from the bed, and my physicians recommending a change of sir. through into Virginia, and one evening entered the town of G—ch. I enquired for the family of my friend, and was directed to a large, fine-looking building upon the principal-street. I advanced and rung the brill, anxiously waited for an ansaltitude to the brill, anxiously waited for an ansaltitude to the conjoy that the conjoy the street of the conjoy that the conjoy the

٠.

Rich, though poor, of decitage is his hour a heaven My low roof deottage is his hour a heaven.
Music is that and the song she sings.
That sweet voiced wife of mine arrests the ear
Of my young child awake upon fier knee a
And with his calm eyes on his master's face,
Ny noble hound lies couthed—and all here—
All in this little home, yet boundless heaven—
Are in such love as I have power to give.

Blessed to preflowing.
N. P. Willis

Most truly has an eloquent writer observed that "domestic felicity is the only bliss of Peradise that has curvived the fall;" inasmuch as when we enter a home wherein contentment reigns, we are apt to entertain the opinion that if perfect happiness can be found on earth, 'tie here, 'tis here.

here.

"Rich, though poor!" If listening to the evening song of an addred wife, as she lulls her young child to its balmy repose, in the consciousness that she has awarded her unchanging heart to one who can reciprocate affection in the strength "To Augustus P." was the immediate reply.

"I semithered my rising indignation as best I could, and proudly returned the glance of malignant joy, my rivil gave me.

"Perhaps I can ongage it for the second set."

I calmy asked.

"Mr. P., has engaged it for the whole evening." she petitiably replied, and rising and taking his hand, they took their station upon the floor.

"I remained thunderstruck, and rooted to the spot, until I saw the eye of my hated rival fixed upon me, I assumed a proud cold look, and passed from the hall. As I swept by the dancers, Eveline to one who can reciprocate affection in the strength of its purity, but not an evidence of wealth, slithough fortune in other respects may not have been. Sa lavish of her lavors, then indeed, man's "little home" presents no attractions.

"Blessed to overflowing." Perchance on with the gorgeousness of display; nor astrounding edward observed by the gorgeous light of heaven; nor cosity Wiltons covered those floors, yet metalized the professional effects of its purity, but not an evidence of wealth, slithough fortune in other respects may not have been. Sa lavish of her lavors, then indeed, man's "little home" presents no attractions.

"Blessed to overflowing." Perchance on inchip curtained windows obscured by the gorgeous light of heaven; nor cosity Wiltons covered those floors, yet metalized the profession of the providence of affection in the strength of its purity, but not an evidence of wealth, slithough fortune in other respects may not have been. Sa lavish of her lavors, then indeed, man's "little home" presents no attractions.

"Blessed to overflowing." Perchance on inchip curtained windows obscured by the gorgeous light of heaven; nor cosity Wiltons covered those floors, yet metalized the providence of affluence, nor inchip curtained windows obscured by the gorgeous light of heaven; nor cosity Wiltons covered those floors, yet metalized the providence of affluence, nor inchip curtained the providence of affluence, nor inchip curtained the providence

wife—thy heart comfortless and me, I assumed a proud cold look, and passed from me, I assumed a proud cold look, and passed from the hall. As I swept by the dancers, Eveline passed a moment when just beside ms, and beneated inside close to her ear, I whispered, "Eveline, farewell forever."

"She turned slightly pale, and then answered, well forever."

"To-night I join the army for Mexico," I firm ly replied.

"To-night I join the army for Mexico," I firm ly replied.

"A deep flush passed hrughtily across her brow, and then, waving her hand gracefully, she replied.

"I rushed from the spot, and never paused until I had entered the recruting office, and offered myself a candidate for the army.

"Areyou a good, moral man, of well regulated habits," asked the sej-ant.

"I can give a hundred certificates, if necessary," I hastily replied.

"I rather think you'il do," said the officer with a smile, and he unrolled me as a soldier, "When it is the passage to the first mother with a smile, and he unrolled me as a soldier, "When it is a smile, and he unrolled me as a soldier, "When it is a smile, and he unrolled me as a soldier, "When it is a moment in the hall. As I swept by the dancers, Domestic felicity. Domestic felicity. Domestic felicity and nother mand noble in contemptating is beneficial effects—something so approximating to the brilliant and grand, in ditating upd; its happy influence, that it thrills with j iyous feeling, the bearts of that it thrills with j iyous feeling, the bearts of that it thrills with j iyous feeling, the bearts of that it thrills with j iyous feeling, the bearts of the fects—something so approximating to the brilliant and grand, in ditating upd; its happy influence, that thrills with j ivous feeling, the fects—something so approximating to the brilliant and grand, in ditating upd; its happy influence, that it thrills with jivous feeling, that it thrills with j

"I rather think you'il do," said the officer with a smile, and he unrolled me as a soldier. "When do you wish to leave?"

"Now, to-night—to-morrow, any time," I eagerly answered.

"Promptness is a good quality, you'il make a fine soldier. Get ready to stirt at eight o'clock in the morning, for Newport, Kentucky."

"I will be ready," and rushing from the room. I hastened home, packed up my things, and threw impossible. Heavy thoughts were crowding through my mind with lightning speed, and I resolved to depart the next day without bilding a single soul larewell. I know you will deem it strange for me 13 hurry off without bidding adieu to father or mother, sister or hother, but feeling to father or mother, sister or hother, but feeling to father or mother, sister or hother, but feeling to father or mother, sister or hother, but feeling to father or mother, sister or hother, but feeling to father or mother, sister or hother, but feeling to father or mother as a soldier, "When the would produce the to do for the friend or stranger.

Lovely woman! If thou wouldst exercised these, this genial influences, for the friend or stranger, let us take it for granted that the love—stranger, let us take it for granted that the love—stranger, let us take it for granted that the love—stranger, let us take it for granted that the love—stranger, let us take it for granted that the love—stranger, let us take it for granted that the love—would farther extend for the stranger, let us take it for granted that the love—would farther extend for the stranger, let us take it for granted that the love—stranger, let us take it for granted that the love—stranger, let us take it for granted that the love—would farther of thy choice, thine own dear husband.

Man! roaming inconsistant, and selfish men!

distant artillery of the castle, or the fire of some strotling rifleman.

I was standing beside the the battered remains of the mill door, above which the first footing had been gained upon the well-contested wall, and been gained upon the well-contested wall, and been green with flawing grass, when I heard a low and feeble wall in the ditch beside me.

I turned toward the spot and beheld, with his right leg shattered by a cannon bill, a voltigeur lying amid the mangled dead. He had been passed by in the base of gathering up the wounded under the fire from the castle, and the rays of the book in his hand, and murmured, as the tears feel slowly over his aged cheeks; "My son, my son, will be shaded to have the promises sho then so upon the battle fire from the castle, and the rays of the book in his hand, and murmured, as the tears feel slowly over his aged cheeks; "My son, my son, will be shaded to have the promises sho then so upon the battle fire from the castle, and the rays of the book in his hand, and murmured, as the tears of the toward the spot and beheld, with his field slowly over his aged cheeks; "My son, my son, will slowly over his aged cheeks, "My son, my son, will slowly over his aged cheeks, "My son, my son, will slowly over his aged cheeks, "My son, my son, will slowly over his aged cheeks, "My son, my son, will be dear idea of that tuneful time, water and the pass of the parlier, when the old man taking the bible then to cove of many a man, and planted there, become a mine to the cove of many a man, and planted there, become, the cove of many a man, and other nameless, and other nameles, and other name, as the cove of many a man, and planted there, become, the cove of many a man, and planted there, become the cove of many a man, and other nameless, and other name; the bible the cove of many a man, and other name; the cove of many a man, and other name; the cove of many a man, and other name; the c which is a common with terrible ferver upon his wounded limb, causing beavy groans to issue trom his pollid lip, and his marble countenance to with with print.

When I had hinsten, the one is a common to be kindly welcome to a common to a benefit agony, and training his eyes to of love to banish hostile words—a kins of peace to wards the ceiling, exclaimed in deep and fervent to her charge, and the hardest heart that to writh with print.

At this moment, a young lady of pale, and will soften to her charge, and bid her live as she had hoped, for years in matchless bits—loved, loving and content-the soother of the sorrowing hour-the source of comfort and spring of

"Miss Eveline. I believe?"
and placing it to his lips, he took a long draught and then rank back exhausted upon the ground.
"The sun," he murmured; "it is killing me by its rays, cannot you carry me into the shade?"
"I can procure assistance, and have you taken to the hospital"
"Mo of it not, my sands of life are almost out. An hour hence I shall be a dead man. Carry me into the shade of the mill, and then, if you have time to spare, listen to my dying words; and if you are fortunate enough to ever return to the United States, bear me back a message to my home, and to anoth—"he pareed, and motioned for me to carry him to the shade. I did so, and the cool wind which swept along the spot, seemed to revive him, and be continued:

"You, sir, are a total stranger to me, and from your uniform, belong to another corps, and yet! I
