AMERICAN MANUFACTURES.

The Committee of Ways and Means, in Congress, have submitted a Tariff Report to the with confidence : House. The document is very lengthy, and conforth by Mr. Walker, in his Reports, in defence of the Ravenue System, and it plainly shows that a the Rorenue System, and it plainly shows that a Twriff that will raise revenue and discriminate in favor of American Industry is the only one under which the labor of the country can prosper. The

they produce and manufacture, to encour- he was eventually unsuccessful and became insolepecific, and in her duties upon importations, she sppears to be more liberal to her labor than the American government is to hers. The report without capital. fully shows that an ad valorem Tariff will not

our imports and its manufactures have increased 51 per cent: while our revenue has increased on-tor, will eccurred reduction the set of the se

dp one per cent, shewing that our citizens engag iliberal feelings, which many possess, but from the ed in manufacture, have had \$4,231,988 worth of cour own productions displayed in our mardet by doubts as to the worthings of the debtor. our own productions displaced in our mardet by foreign productions. Their are similar cases in the report which show that while specific dutics

will give the American manufacture the preference, make prosperous their business, create a-home market, make firm their trade, it will also raise

aufficient revenue. The Committee recommend the adoption of a a Tariff based upon the principles of the Tariff of 1842. They do not ask the re-enactment of the

cient protection to promote the prosperity of white bands are excluded. This is what we call American labor. The arguments contained in this report are con-conclusive, and its suggretions appear to be thrown autonot only for a section of the the country, but for the whole Union. We shall sudges or to be for the whole Union. The arguments contained in this report are con-

for the whole Union. We shall sudenvor to lay offeed in convequence of the confinement of those the document before our reader in a fature name who could otherwise earn bread for them.

lit for tat.

ber of the Journal. *Der Mir. Pulk* will, according to rumor, statt Europe with bis ledy soon after leaving the White Reges. Doubtful,

HONOR TO WHOM HONOR IS DUE. We find the following in the Philadelphia North stadt, we understand, amputated both his legs, below

American of the 22.1 ult., which will be read with the knees, on the same day of the accident. pleasure by his numerous friends in this County! For Fatal Accident - A man whose name We have been intimately acquainted with the gentleman alluded to, for the last eighteen years, and we always found him an honest, upright He was at work drilling some stone, and while enkind and benevolent citizen, both in adversity and gaged, a large stone, said to weigh several tons,

prosperity ; and on whom you could elways rely owing to the late thaw, was loosened, and moved, un observed by the man who was at work, and rolled upon him, crushing him most awfully, and causing Praiseworthy .- Those who do good, that is, Praiseworthy.— I nose who do good, that is who do right, are of course moved thereio by a which it treats. The report combats, with great force of argument, the fallacious doctrines put to what are called "sacrifices." When there occurs an instance of the sacrifice of personal con-glad to state that he is recovering.

Fire in Part Carbon .- A frame stable owned by Messre, Hughes and Mattenn, in Post Car bon, with some hay, was destroyed by fire on Thursday night, about 12 o'clock. The fire broke out which the ishor of the country can prosper. The Report strongly urges the adoption, by the govern-ment, of specific dutice. Under the present ad may have the benefit of the example by a certain the fire, as it was seen from Pottsville, made light the welorem Tariff, the raw material is more heavily degree of publicity. An instance of this kind of sacrifice to which we was so badly burnt, that he was immediately killed taxed than the manufactured article. This has long been a hindrance to the progress of our man. ufactures; and the Committee suggest the pro piety of adopting the plan of England and France

which levy a specific duty upon articles which, mercantile business, in which, like many others, 12 March - Already have we entered upon the fact known to the people of South America,age their labor, while upon the raw material vent. Sub-regently, Mr. A.'s established charac-there is 'no duty. The Tariff of England is ter enabled him to make a compromise with his because There in the base of the advent of the source on the compromise of the source on the compromise of the source on the compromise of the source of t the new. Thus it is. Time is ever on the onward , course, and

"The more we live, more brief appear, "The more we live, more brief appear, Our life's succeeding stages: A day to childhood, accms a year, And years like passing ages." But industry and economy are the chariot wheels raise as much revenue as specific duties. For instance in 1845 wairmatted into table amount of the bear still this country on to success; and Mr. A., as a cost merchant, (in which business be is A., as a coal merchant, (in which business up is instance, in 1845, we imported iron to the smount of \$6,294,866, and from duties one half of which were specific, realized \$3,672,142 of revenue.

Total. or, will encourage creditors in the indulgence of

Cold .- The weather for the last two weeks

has been so excessively cold in West Chester, that the demand for fuel in that place was so great EF. At Work .- We observe that workmen that all the coal on hand, at the coal wards was e engaged putting up a stable, in the ros re exhausted, and additional lots had been ordered ennsylvania Hall, upon the site of the one recently

destroyed by fire. It will be built of stone, and from Philadelphia. ofed with tin. GA Musical Strike .- The white musicians

P Native American Nomination .- The Naof Philadelphia held a meeting a few days agr, Tariff of '42, but are fully esticfied that the rates of duy between the Tariff of '42 and that of '46 would give the necessary revenue and afford suffi-eight protection to promute the promise the colored musicians also held a meeting and sgreed not to turn out unless the of the stress the colored musicians also held a meeting and sgreed not to turn out unless the of the stress the protection to promute the promise the protection to promute the protection protection protection to promute the protection protectin protection protection p tive American State Convention met at the Pheonix

FOREIGNERS IN CALIFORNIA.

A stop will be put to the emigration of foreignis Mr. Kerrigan, was killed in a most shocking man-ner, near St. Clair, in this County. on Monday last — who is now stationed on the Pacific, has issued a circular on the subject. He has addressed a cir-

curcular on the subject. He has addressed a cir-cular to ou: Consul in California, in which he says: "As nothing can be more unreasonable or nn-just than the conduct jurread by persons not cit-ticular to be instant and the set of the says of t just then the conduct pursued by persons not cit-izens of the United States, who are flocking from disease which we all know is the high road to con-

duct is in direct violation of law, it will become my duty, immediately on my arrival there, to put there is as in force, to prevent their infraction in future, by panisbing with the penaltics prescribed by law, on there who offend.

who are about starting to California, it would be well to make it publicly known that there are such well to make it publicly known that there are such taws in existence, and that they will be in furure enforced sgainst all persons not citizens of the U. States, who shall commit any trespass on the lands of the United States of the Country, and

of the United States in Californis." The laws of the U. States are such that trespasses will be subject to a fine and imprisonment. The General also requests our Consul to make

the third Month of the year 1849. It seems but yes We drem this action at this time, very prudent on terday that we recorded the departure of the old the part of Gen. Smith, as we can see no reason

were specific, realized \$3,672,142 of revenue, in the year 1848, we imported \$12,526,854, and with daties wholly ad valorem, realized \$3,786,-site very dollar, principal and interest, of the \$225. Here it will be seen, says the Report, that

The design of the person guilty of this outrage IF Number of Inntates remaining in the was evidently not for money, as all the cash left nes restrained by Schuylkill County Poor and House of Employment, in the office was thrown about the floor. deblor.
