Brisk .- The mercantile business in Phil. adelphia, this Spring, is exceedingly brisk,—more so than it has been for a number of years. The shipping business also promises to be ungerally in front of the Capital. It will be richly ornashipping business also promises to be unusually mented with a carved cornice, frieze, &c., and the

REWARDING PATRIOTISM. We observe that a Message has been transm ted to the Legislature of this State, by our Governot be County and annualy in advance to those who not, recommending some measure by that body, on war. We are glad to notice that something the kind has been recommended. Whatever the Legislature may feel disposed to contribute, however valuable in its character, we feel free to say that it will be but small compensation for the service the volunteers rendered the Country in the bour of her peril. We all recollect with what the bour of her peril. We all recollect with what the same of the service and received with great cheers:

Mr. Mudey, to which ample justice was done. After the stock holders. Having many applications for their stock, and being allowed by their cations for their stock, and being allowed by their cations for their stock, and being allowed by their cations for their stock, and being allowed by their cherter to increase their capital to \$500,000, the looked to open hew books, and coming from an authorities course, may be related with a view to build a new mill by the side of the sort one now in operation.

San Franctice, Dic. 23, 1818.

Real Estate has gone up-here, as well as every thing else. A store and lot I paid \$17,500 for retiring from office, give the following names to retiring from office, give the following names to retiring from office, give the following names to retire support.

The stock and being allowed by their cations for their stock, and being allowed by their cations for their stock, and being allowed by their cations for their stock, and being allowed by their cations for their stock, and being allowed by their cations for their stock, and being allowed by their cations for their stock, and being allowed by their cations for their stock, and being allowed by their cations for their stock, and being allowed by their cations for their stock, and being allowed by their cations for their stock, and being allowed by their cations for their stock, and being allowed by their cations for the stock, and being allowed by their cations for the stock, and being allowed by their cations for the stock and being allowed by their cations for the stock, and being allowed by their ca the hour of her peril. We all recollect with what its annual alacrity the volunt ere of this State, and especially those of our county, when the loud blast of war rang-through the land calling upon the citizens of this State, to march in defence of the Republic' siarted for the scene of combat, leaving home and its comforts—femilies and friends for the sake of their Country! We doubt whether there ever was a nobler sight presented to the world than.
