Whitearth rivers. The government is to be ocratic" administrations, have set the Locofoco already finished. At the close of 1847 the rail organized in the usual magner consisting of a press against the President. Who cares? About ways built add in progress in Great Britain and

### JUDICIARY BLECTIONS.

The election of Judges by the people, the same as we elect other officers, has been agitated in our siducout of the County. The publisher reserves to Legislature for some time, and on Monday last the joint resolution providing for an amendment of the Genstitution to elect Judges was considered come before the people. Such a law, in our opinion, would work well

and in a land like this, where the supreme power is vested in the people, we think such a law should is vested in the people, we think such a law should dence is being erected by Mr. John G. Hughes, on have been enacted years ago. There are some the Sharp Mountain. This residence promises to be

vernor. And, again, if the people are capable, absurd, to say that the people are not capable of cleeting their Judges. At first, perhaps, as in cleeting their Judges. At first, perhaps, as in of the decessed was very much disfigured from the length of time the body had been in the water, it was a certainty in putting into practice such a law, but that would be overzome, and the selection of a Judge by the people from their midst, instead of having one sent them from a distant district, whose feelings are not congenial with their own, to preside over the 'Dourt' of their County, with other advantage accruing therefrom, would suon remove all prejudices in lawar of the present system. Our can be obtained every Saturday of William Old-now, Mineraville; Mr. Moore, Port Carbon: at baving one cent them from a distant district, whose he corner of Centre and Market streets, Pottsville feelings are not congenial with their own, to preall prejudices in favor of the present system. Our

system of government is such, too, that the elecs we know, has appointed to office men because of their political merit, when at the time such no-

COMMISSIONER OF PATENTS. We observe by several of our cotemporarie

qual fied for the post, and his selection to preside over its affairs, we doubt not, would give satisfac-

siness, and those who make the Hall their stopping place, will be sure to fird the accommodations to be of the best and most ample kind.

MR. JOHN JONES has taken the Washington Hotel, Schuylkill Haven, formerly occupied by Samil Beard. Mr. Jones has had much experience in the business, and will not fail to render satisfaction to those who favor kina with their patronage.

THE WEPKLY FITTNEERG GAZETTE, one of the most akly conducted papers in the State, has been were much chalarsed and otherwise greatly interests.

(OMPANY incorporated march, a lock, (and TAAL) with a Capital of \$100,000. Insures all persons be tween the area of 18 and 65, an insustiate allowance of \$3, 34, \$5, \$6, \$6 or \$10 per week, for one, two, three or five years, by paying a certain yearly asm.

Thus a person under thirty-dive, insuring for one year, by paying \$4 o year, it showed \$3 per week it for \$3 23, \$4 per week; and in the same proportion, one of a like are by paying \$5 35 a year, gets \$5 per week for \$7 90, \$6, \$11 20 \$8; and, for \$125, he gets \$10 for every week of disability occasioned by alchanges or accident, during the year. By paying a fraction more yearly, a weekly allowance can be insured of from \$3 to \$10 for two, three or five years. The rates are to be paid yearly in davance, and are in proportion to the are and the weekly allowance. In case of permanent disability, occurring after an insurance for, say five years, ut a weekly allowance of \$10 a person would be in the yearly receipt of \$520 a year, for the entire five years.

in the yearly receiptor some year, some years, years.

There are no weekly or monthly assessments to pay, or attendance of meeting required; and by the charter the insured receive a share of the net profits, without liability for lossus. There is amplescentify for the facured, as can be shown, and promptness and liberalty is exercised in the payment of hendits.
