Dear Eir—It is with feelings of pleasure I commicate to you the sanative effects (and in a short time) of your mealuable "Hoofland's Celebrated German Bitters," upon my system while laboring under the Jaundice. About two years ago I had an attack of the Jaundice. of your invaluable. "Hoofand's Celebrated German Bitters," upon my system while laboring under the Jaundice. About two years ago! I wid an attack of the Jaundice and was confined to the house sli weeks under medical treatment of the Family Physician and for some time airer, when wentout I had to be very carreful of myself, since that time I have had several attacks of the same disease, and your Bitters have entirely relieved and cured me in two or three days. My next door neighbor, Mr. John Diehl, last spring, had a long and scrious spell of Jaundice, he had it sometime before I knew it; he was confined to his bed. As soon as I beard of his condition I called to see bim and told him of the effect your Bitters had upon me in the same disease. He immediately sent for a Bottle, and in a few days he was cured. I have in several instances recumended the Bitters in other cases, always producing the same happy effect. My wite has been considerably afficted with Liver Complaint and Neuralgia, by the use of the Bitters she is well, now enjoying good health. We believe from the many cures we know of these Bitters for the many cures we know of these Bitters for the many cures we know of these Bitters for the many cures we know of these Bitters for the many cures we know of these Bitters for the naves their value with us is, they are entirely vegetable.
