Dear Sir:—It gives an great pleasure to inform you that the "Oxygenated Butters," with which you for nithed my wife, has wrought a cure in her case. About two years since, my wife was violently attacked with the neuralgia in the face, through the chest, in the wrists and ankles. So violent was the disease, added to a general derangement of the female system, that her strength was completely prostrated, her first wasted, and she rendered miserable indeed. I feel grateful for the restoration of her health, and in duty bound to give publicity to the above facts, that others similarly afficied may know where to reek for cure.

GERMANY .- The Frankfort Parliament has AUSTRIA .- No au'hentic news with regard

Nothing from Spain or Portugal, ENGLAND .- Nothing of importance has been ran-acted in the English Pathement : it adjourned for the Easter recess and met again on the 6th inst. The two main objects which have divided its atantion have been the Navigation bill and the Rate. in-Aid bill for In land, which latter has branched out into a general debate on the policy to be pursued toward that country. Some important modifications have been made in the Navigation bill. FRANCE .- With some exceptional disturban. ces in the distant provinces, France continues ... tranquit, and Louis N spoteon is proceeding in the surest path to maintain his nower by instantly suppressing domestic disorder, and by steadily avoiding interference by force of arms in the affairs of the contiguous nations, notwithstanding the
