Pottsville, April 27, 184 The suspension of Coal Shipments have now

tonger period, if it is considered expedient to do so by the Meeting that assemble sat the American by the meeting that assemble sat the American House this afternoon. What is the cause of this cessation of business, is it the full of the buyers, the Transportation Companies or the Colliers themselves—the latter parties, as I undorstand the winter the Saturday previous, with a severity equal to the hardest blows the past season; yet in the Delta of that date is the following:

Our markets abound with the most delicious strawberries and blackberries. The crop of both promises to be very fine.

The crop of both promises to be very fine.

The Cholera prevails in Autauga courty, Ala, to such an extent that the Circuit Court Judge cofused to bold the usual session of court. On board the steamer New World, on her last trip up the river, there were cight deaths.

All licenses to expire help 1, 1850, and at that the priority and at that the priority priority in the matter, are not anxious to continue in action for a moment longer, if the purchasers will consent to pay them the express of digging their Cosl, and a small advance to remunerate them for their capital and toil. This all parties agree they should have. I think air, that the chief cause of the difficulty existed in the excessive advance made by the corresponding penol last year. The buyers can't understand why the price of Coal this Springs should be so much greater than that of last center of the conclusion that something unfair is demanded of them. I

that something unfair is demanded of them. Those who are esteemed and taken to make and think if it had been clearly stated to the purchaeffect annual sales to the amount of ten thousand sers abroad, this Spring, that the Transporting dollars and upwards, shall pay three hundred and to the companies had discovered that their charges here though it is supposed from the latest accounts, that Rosne (Locofoco) is elected Governor by a very small mijority. There are but two counties to hear from, and Rosne has 62 majority. Will son, the Whig candidate, has made a most unprecedented run.

Those to the amount of eight and less than ten thousand dollars, shall form the second class and pay two hundred and fifty dollars.

Those to the amount of six and less than eight thousand dollars, shall form the third class and pay two hundred dollars.

Those to the smount of six and less than eight thousand dollars, shall form the furth class and pay two hundred dollars.

Those to the smount of six and less than eight thousand dollars, shall form the furth class and pay two hundred and fifty dollars.

Those to the smount of six and less than eight thousand dollars, shall form the furth class and pay two hundred and fifty dollars.

Those to the smount of six and less than eight thousand dollars, shall form the furth class and pay two hundred and fifty dollars.

Those to the smount of six and less than eight thousand dollars, shall form the furth class and pay two hundred and fifty dollars.

Those to the smount of six and less than eight thousand dollars, shall form the furth class and pay to hundred and fifty dollars.

Those to the smount of six and less than eight thousand dollars, shall form the furth class and pay to hundred and fifty dollars.

Those to the smount of six and less than eight thousand dollars, shall form the furth class and pay them, and that it therefore became imperative now, and for the fuel of the difficulty, for them to charge bigher rates, a great deal of the difficulty, growing out of the suspen- out the third class and pay them, and the suspen- out the susp

layed, it is supposed, until the March term of our Quarter Sessions would be over, which generally continues through the greater part of April."

Those less than two thousand dollars, and no licease shall be granted for any less sum: Property of Reinmond at 375; 4 month interest added vided, That tavern keepers selling spirituous, in the unincorporated districts and townships of the county of Philatham was somewhat impaired by close application, is convalescent. We are also glad to learn thousand dellare, shall be required to pay twenty that C. F. Hoffman, whose health had become five dollars per annum.

Sec. 4. Provides for the appointment of three been exacted by the Rail Road Company. With been exacted by the Rail Road Company. With regard to White Ash Coal the figures show still worse. In the Spring of 1848, White Ash pre-pared Cost readily brought \$3.40 per ton, with the Rail Road charge only \$1.25 per ton, now the dealers only sak \$3.62½ with the charge per Rail Road thirty-five cents higher. These plain statements will show the public the true position of things and where the charge rate. of things, and where the

The Coal Trade for 1849.

In the Coal article of our last week's paper, we assumed the ground, that the suspension of shipments by the Operators would be continued. The action of the Colliers at their meeting on last Saturday afternoon, shows that we were correct.

Tricks of Quacks. READ THIS COLUMN CAREFULLY THERE is a Sursaparilla for sale in the different fowns called old Dr. Jacob Townsend's Samaparilla. It is advertised as the original. &c. This is a notorious falsehood. Dr. Townsend has expended over \$2500,000 the last eight years in advertising his Sarsaparilla, which has obtained a character and reputation throughout the United States and a greater part of the world—the sale being enormous. marilla, which has obtained a character and reputation throughout the United States and a greater part of the world—the sale being enrimous throughout the United States and a greater part of the world—the sale being enrimous creating unprincipled men, and an old man who has been rengaged in pedding cheap publications for a number of years. This man's name is abacob Townsend. He applied to a number of men to get employment, or to sell the use of his name to put up Dr. Jacob Townsend's Sarsaparills, stating in the large sales and sums we had expended in advertising as an inducement to emiat's in the business.—Among others he applied to Charles Watrous, Eaq., Ediltor of the Jamaica Farmer, who accorded such a proposition. Mr. H/Q. Astrawa's Gurnserly one of the Proprietors of McALISTER'S GURNSWA, RAPIP POMS-1801, 1801, LNASE, Ballik New Jersey, John Shin Plaser Bank, at Bellville New Jersey, John Shin Plaser Bank, at Bellville New Jersey, John Shin Plaser Bank, at Bellville New Jersey, John Shin LLMAM, and WM. TRONSON, under the name of THOMESON, SAILMAM CO. have employed this old man, and agreed, as we understand, to pay him seven dollars per week, for the use of his name. These men have been insulting and libelling usin all possible forms in hope we would notice them, and thus bring them and their decoction into market. Let the public decide upon the course of these konerst and Asnyrebis

DR. TOWNSEND'S

COMPOUND EXTRACT OF SARSAPARILLA.

The most extraordinary Medicine in the W. rid!

This Estract is put upin Quart Boilies: it is six

times chaper, pleasanter, and warranted superior to any sold. It cares without

vomiting, purguag, sickening or debillating the Patient

The great beauty and superiority of this Sarsaparilis over all other medicines is. that while it eradicates
the disease, it invigorates the body. It is one of the

very beet SPRING AND SUMMER MEDICINES

la over all other medicines is. that while it cradicates the disease, it invigorates the body. It is one of the very best the disease, it invigorates the body. It is one of the very best server beauty and the body. It is one of the very best server beauty and the body. It is one of the very best server beauty and the body is not only purifies the whole system and strengthens the person but it creates new, pure and rich blood; a power postessed by no other medicine. And in this lies the grand secret of it wonderful success. It has performed within the last two years more than 100000 cures of severe cases of disease; at least 15,000 were considered incurable. It has aved the lives of more than 10,000 children the past two seasons in the City of New York alone.

10,000 cases of General Debility and want of Reyrous D'bility

Dr. Townsend's Sarsaparilla invigorates the whole system permaneoily. To those who have lost their muscular energy by the effects of medicine or indiscretion committed in youth or the excessive indulgence of the passions, gan forught on by physical prostration of the nervous system, lastitude, want of ambition, faining sensations, premuture deexy and decline hastening towards that fatal disease Consumption. can be, entirely tespored by this pleasant remedy. This strangeries was an invigorates the system, gives activity to the limbs, and strengthen Gordial.

As it remew and invigorates the system, gives activity to the limbs, and strengthen the muscular system in a most extraordinary degree.

Cleanse and Strengthen. Consumption can be cured. Honothitis, Consumption, Liver Complaint, Colds, Catarrh Coughs, Asthma. Spitting Blood, Soreness In the Cheat, Heeter Flush Night Sweats, Difficult or Profuse Expectoration Pain in the Side, &c., have been and can be cured.

Spitting Blood.

in all invalues we would recommend it as worthy their confidence.

It is from one of our first druggists, a gentlemar, favourably known throughout the United States—the proprietor of the "Medical Worm Syrup."

Dear Sir:—It is with much pleasure that I testify, to the extraordinary virtues of your German Bittyrs, have in sold largely of them these tast few months to various persons, afflicted with Liver Complaints, Dyspepsia, and I behavy of the Nervous System. I can say conscientiously, that they are the best article of the kind I have ever sold, and I deal in all the popular medicines) and consider in the only medicine for the above disease, before the public.

I have never sold one bottle that has not given satisfaction, and braight forthic temperature of those who ised. It.

I deem this my duty to you hot be at the late season of Congress, is represented as one of the richest and most beautiful to be familiar, and yet thousands of the presented as one of the richest and most beautiful portions of the globe. Its risms is just beginning already singular and yet thousands of familiar, and yet thousands of familiar, and yet thousands of familiar, and yet thousands of the globe. Its risms is just beginning the beautiful and the state of the proposition of the globe. Its risms is just beginning the beautiful of the globe, its risms for the just beginning of the globe. Its risms is just beginning that the proposition of the globe, its risms of the globe. Its risms is just beginning the same forms o izing this territory, which recently possed Con-gress, binds it on the north by the British posses-sions, on the east by the Sate of Wisconsin and s es fid The Government is to be organised in the usual manner, consisting of a Governor, Sec. the usual manner, consisting of a Governor, Sec-tetary, and Legislative A-receibly. The two form a hold office for four years. The last consists of a Council elected every two years, and an Assembly on a visit at toding a short time since, I administrated a part of a bottle to a number of my afflicted triends, with great success. They are desirous that you should not able that an agency at Pittsburg, or taken them were todated to the state of the chosen annually, on the principles of universal suffrage. All laws enacted by this body are to be
