THE REYSTONE STATE.

Ours is a State of which every Pennsylvanian

can feel proud. Rich in mineral resources, pos-

sessed of a thriving and intelligent population.

ontaining manufactories of various kinds, with all

Pennsylvania is not what she might be: her citi-

general manufacturing law, which incorporates

manufacturing companies, in which persons of

limited means will be permitted to join, bids fair

to produce much good for the State. Provisions

have been made for the final extinction of the

State debt; and the project new on foot to connect

our State with the West by the Central R. Road

will have a most beneficial effect upon the State.

This work is under way, and it will not require

a very sagacious mind to tell what its effects will

be when completed. All these things will tend

to elevate the condition of the State. Up to this

time we have been laboring under many disadvantages, the removal of which is all that is neces-

sary in order to develope, in the fullest extent, the

esources of this noble Commonwealth. All that

the citizens of the State require, is to have their

THE CANADIAN TROUBLES.

that any good would result from such a course.

POLITICAL LEECHES.

The Locofocos hang to the effices, which have

the last twenty, years, during which time, they

have proteribed all who bore the name of Whig,-

of the Locofocos in the right place: The "lamen

tations," it says, of many of the Locofoco pres-

on the one hand, and their fierce attacks of Gen-

will just let them hold the offices. But pull one

of their office holders loose from the public teat,

and a spontaneous howl of lamentation will be

sent forth from all parts of the Union. It seems

that the idea of "to the victors belong the spoils,"

and strike right and left like an irritated blind

Meetings have been held praying for the centered the city, driving the people into their recall of Lord Elgin, the Governor. houses where they were consumed by fire. Noples is preparing for an attack upon Sicily .-France is quiet. O her scenes of equal interest have occurred. Where all this will end remains for the future to develope. The Europeans will

no doubt soon witness more fearful times.

THE PRESS. Aliesdy has there been a newspaper establish. The Southern people, look with a judious and ed in Minusota Territory. Indeed, it would be suspicious eye upon every extension of Northern hesitate about establishing a press there. This is would destroy the balance of power, they would one of the characteristics of the American people; strike for the annexation of Cuba, and would not led" to the verge of a large embankment at that place. wherever they take up their abode, it matters lite rest contented until the object an object dear to tle, if it is in the far off West, thousands of miles them , had been accomplished. There is imminent from the Capital of the Republic, and if that danger in extending the boundaries of any counabode is merely a temporary one, they will have a try, and before the annexation is consummated press through which to give expression to their or even warmly discussed—let the expenence not sentiments. The paper alluded to is called the we read, prove a warning to us. "Minnesota Register," and is edited by Mr. A. Randall, who was of the scientific corps employed by the General Government in a geological survey of the Territory. It is principally filled with a been given to them with great pertinacity. It is description of the country, its climate, natural re- hard for them, to leave their berths; it is hard for sources, &cc., and holds out strong inducements them to give place to fresh hands, untainted by to emigrant. St. Paul's is on the Mississippi, corruption, produced by long continuance in ofhas sprung up very repidly, and now contains fice; it is difficult for them to conceive why they nearly 1000 inhabitants. With the exception of should be made to make room for persons fresh Billwater, which is situated about twenty miles from the people," who, unlike the office holders, northeast from the falls of St. Anthony, it is the have not yet tasted government pap. Notwithlargest town in the Territory. The principal standing these Locofocos have been in power for business now followed is lumbering

MR. AND MRS. FORREST. Mr. Forrest, the eminent tregedien has, owing emoluments, they how most philiply, which at to some matters, separated from Mrs. Forrest, his wife. It appears that the peace of Mr. Forrest the removal of a Locofoco, in order to make room was disturbed by the assaults made upon him by for a Whig. The Nashville Whig thus hits some the British press, when in England. Since that period he has been melancholy, morose, and indifferent. In the month of December, Mr. Forrest returned from a professional engagement in Philadelphia, to his residence in New York, in a most unhappy state of mind, and at once demanded a separation. He assigned no cause, offered no spology for the position be assumed; and, when the immediate friends of the parties interfered, and asked to be informed why it was why he asked for repudiation, his only reply was-a studied, incomprehensible silence. He was not to be interrogated; he demanded a separation, and he has accomplished his object. Mr. Porrest and his wife have eternally separated.

It is peoper to state that they have separated upon terms of mutual reciprocity.

ALEXANDER RAMSEY.

This gentlemen, the Governor of Mingesote, has left for his new home. The selection of Mr. Ramsey appears to have given satisfaction to all parties, not only in this State, but throughout the was one. On the opening of navigation in the of feeling which pervades the prople of that place greater portion of the Country. The selection is, spring of 1849, there were on the entire length in relation to political matters, and that the geneindeed, a very happy one.
