rever, and is generally the Brist cause of that most caneful disease. Consumption.

Opinions of the Philadelphia Press.

"THE DISPATCH!," December 31st says:—

An Invaluable Medicine—We have frequently heard of the Celebrated German Bitters, manufactured by Dr. Hoofand, spoken of in terms of commendation, and we know deserved by on it is a too common practice, in certain nuarters, to puff all manner of useless trash, but in tease of the above filters, hundreds are living witnesses of their great moral and physical worth. As emclains for the Liver Complaint, Jaundlee. Nersulus Debility and Dyspeptia, this has been found invalued, effecting curse, and thoroughly eradicating dreases, when all other medicines has been found invalued, effecting curse, and thoroughly eradicating dreases, when all other medicines but constantly gains strength to the frame—a fact worthy of great consideration. The Blitters are pleasant in taste and smell, and can be administered under any circumstains, to the most deficate stomach facted, they can be used by all persons with the most perfect safety, would be well for those who are much affected in the nervous system, to commence with one tea spoonful or less, and gradually increase. We speak from experience, and are of course, a proper judg. The press far and wide, have united in recommending the German Bitters, and to the afficted we most cordially rise their use.

"SPIRIT OF THE TIMES," June 2th says:—

"Do our good clitzons who are invalids, know the many autorishing curse that have been performed by Dr. Hooftand's Celebrated German Bitters' If they do not, we recommend them to the "German Medicine Store." all who are affected with Liver Complaint, Jaundice, Dyspepsia, or Netvous Debility; the Doctor Store and the delice that every one should know of, and we cannot refrain giving our testimony in their favor, and that which gives them greater claim upon of, and we cannot refrain giving our testimony in their favor, and they have

of, and we cannot refrain giving our testimony in their favor, and that which gives them greater claim upon our humble effort, they are entirely Fegtable.

"THE DALLY. NEWN." July ith says:—
"We speak knowingly of Dr. Hondand's Celebrated German Bitters, when we say it is a bleasing of this age; and in diseases of the billary, digestive and Nervous Systems, it has not we think an equal. It is a Verstable proposition.

READ THE POLLOWING It is from one of our first drugglists, a gentleman favourably known throughout the United States—the proprietor of the "Medical Worm Syrup?"

Philodelphia, Nov. 224, 1848.

Dear Sir:—It is with much pleasure that I testify to the extraordinery virtues of your German Bitters, having sold largely of them these lists few months to various persons, afflicted with Liver Complaints, Dyspepsia; and Debility of the Nervous System. I can say conscientiously, that they are the best article of the kind I have ever said. conscientiously, that they are the best article of the kind bave ever sold, (and I deal in all the popular modicines) and I consider it the only medicine for the above disease, before the public.

I have never sold once bottle that has not given satisfaction, and brought forth the commendation of those who used it.

isfaction, and brought forth the commendation of those who used it.

I deem this my duty to you both as the proprietor of this highly valuable article, and to those afflicted with the above complaints, that they may know of its curative properties and to enable them to select the good from the various articles with which our market is builded.

The Richmond Whig gives the following as ne full result of the Virginia election : For Congress—14 Democrats and 1 Whig-State Senato—Democrats 21, Whige 11. House of Delegates—Democrats 73, Whige 62 cratic majority on joint ballot, 21 FROM EUROPE,

ARRIVAL OF THE CANADA. The steamship Canada arrived at New York, Thursday morning bringing news seven days later. The news is interesting, a synopsis of which will be found below: ENGLAND.—The Canadian affoirs have been cidentally noticed in Parliment. The Minister have been very guarden in their expressions.

A meeting, very numerously attended has been

he'd in Lon on to form a national league for resoring the principal of protection of national The Hungarian Wan.—Official notice of the intercention of Russia in Hungary, has been received at Paris. The number of men placed a the disposal of Austria is 80,000. Another account states the number to be 150,000. The war in Hungery, so far at least as Autris is concerned, is daily: assuming a more serious aspect; the Autrains have been signally defeated, and driven to the edge of Hungary, if not out of the country altogether, their undoubted success has caused dismay to the seat of empire, and Vienna dreaded

dismay to the seat of empire, and Vienas dreated their triumphant approach.

Prussia.—The King of Prussia has again quartelled with his Parliament, and has definitely refused to accept the imperial crown of Germany.

The war in Schleswig continues, and the promised peace seems still very far distant.

France.—The news of the arrival of the French has created a great rensation at Rome, where, it was said, Avizzana had got 20,000 men under arms, to meet them. under erms, to meet them.

The French commander proclaims a mission rather friendly than otherwise; end it is onder-stool that the Pope will be expelled, or compelled

o grant not only the amnesty, but desirable reforms.

At Paris, on the 3.1 inst., it was reported at the Bourse, and generally credited, that the government had received a telegraphic despatch, announcing the entry of the French into Rome, and the fight of the republican government, also that the Tuscan troops had entered Leghorn.

The accounts of the Bank of France show an crease of specie to the extent of 6,000,000 france.
WAR EN ENDIA.—Advices by the overland

mail confirmed, to the fullest extent, the previous accounts of the entire termination of the war in the Punjaub.
THE MARKETS.+-The London money market continues steady and English securities are on the advance. The grain trade is again in a de-pressed state. English wheat sold at a decline of Is to 2. The Trade of France is fapidly

Arrest of a Steam Doctor -A Dr. Cross La Arrest of a Signat Doctor.—A Dr. Cross has been arrested at Stroudsburg. Pa., for man-slaughter, charged with causing the docto of a patient by improper treatment. He was known as the 'indian Doctor,' and in this case, after steaming his patient most unmerdfully, he administered a potion, which brought on apoplexy, and produced immediate death.
