THE PROTECTIVE POLICY OF THE COUNTRY

GRAHAM'S MAGAZINE .- Phis excellent Periodiral for Jung is upon our table. As usual, the magazing is well filled with excellent reading matter, such a cannot fail to interest every reader. The contributo cannot tall to interest every reager. In continuous to "Graham." are known to be with reof character whose services are producted at great expense. Be sides the reading matter, it contains several beautifuentravines. "The Star of the Night"—a magnificer centravine; "Col. Washington at Coupens"—1 ver spirited engraving; "Birth Place of Benjumin West;" which is a very laughthe affat, which

PSCYCHOLOGY —A Class for the purpose of receing Instructions in this newly discovered science, we be formed in this borough on Mindly part. Some wo derind feats and astonishing cures are said to have bet performed through its instrumentality.—See advertisement.

GODEV'S LADY'S BOOK, has not been received at this office for the last out the matter, Mr. Godey; SEVERAL editorial articles intended for this week's lournal, are crowded out by the great length of the uppraiser's statement.

THE DAILY NEWS, of Philadelphia, reaches us ery irregularly. What is the matter I THE PAVOR of "S. H. D." shall be attended to

WHIG COUNTY MEETING. The Whigs of Schuylkill county, and the friends of the National and State administrations, must not Were not our machine shops crowded with hands, forget the County Meeting to be held at Orwinsburg, on Tuesday, the 12th of June next. Several their full capacity; new and extensive improvematters of importance, in which every member of our party is more or less interested, will be brought Region; every miner and laborer who desired quentry result in death. Most of these accidents oc before the meeting, and in order to have a proper work, engaged at fair wages; and all combined, curren the rail roads, and in mines, and in the majority expression of sentiment, of the Whigs upon the subattend. It is in these meetings where the bestly prosperity so suddenly checked? There must caution should not be retained. The atmost caution should be observed by all; and until this and simplicity of Republican institutions are made

contest. We have a wide field to sweep. Our and investments, and curtailed the market for majority in the Senate, if possible must be retained. | Coal. Under such circumstances over-production which can be done by some exertion on the part | must follow as a natural consequence, until the of those who have Senators to elect at the ensuing trade recedes, and extraordinary measures (similar election; the House should be Whig, in order that to those which occurred this Spring, causing an and disagreeable. Yesterday, however, old Sol shone explo the whole administration would be under Whig in almost total suspension for several weeks,) are with brilliancy, and his rays as they were dispensed fluence; a Canal Commissioner is to be elected, forced upon the people, to avert certain ruin .-with some local officers. It is, then, no small electron, and the Whigs of Schuylkill county and of the pottions the American Hotel, in this Bo-Pennsylvanis, should not think, that because we rough, in 46, that if Congress passed the British Marz, in this Borough, a large amount of property, have elected the President and Governor, the work Papill Bill, now in operation, that it would prosis done. Far from it. You must give the State this Region and bring destruction upon our and National Administration your aid. The time business. It was passed—and we need not tell for action is approaching, and the Locofocos are our readers the effect. They now, forsooth, turn industriously, but silently, at work in re-organizing round and declare that it was over-production, their much shattered forces, and will leave nothing undone that will work in their favor. We have the Trade; because the Coal Operators passed a the government in our hands, and if we desire to reap the benefits of our Victory, we must not decort our leaders under the idea that further achesence is unnecessary.

THE INCLINED PLANE.

This hindrance on the Columbia Rail Road to the travelling community, is under a fair way of being removed. We learn from the Pennsylvanian that Enwann F. Gar. Esq . Chief Engineer, and assistants, are progessing rapidly with the prelimiwas fixed for Thursday last, the 31-t uit.

FOREIGN RALL ROAD IRON.

The Boston Atlas, in remarking upon the mone. have caused a pressure for money. That we have not done so, is not the fault of the railroads; they buy where they can buy the cheapest, but our wise government choose to make the price of English ron cheapest to them, but a great deal the dearest for the whole country.

JAMES BUCHANAN.

A Locofeco meeting was held the other day is Lancaster county, at which preparatory steps were Leign to detest "Federalists"

COTTON PACTORIES.

sures to secure capital sufficient to erect and put in operation a cotton factory at that place. The

It has been the fale of the Locofoco party of Schuylkill County to have had their Organ in this place conducted, with one or two exceptions only, by the verriest blackguards in creation, and principle that vice shrinks from virtue, and their

evil and vicious propensities can be persisted in in their dirty holes and let folks alone, the best plan is to let them alone—but the moment they ligious ceremonier, in the English and German Lanbegin to sally forth and prey upon the community, guages they must be "employed" even at the risk of being covered with their filth. We consider it e duty met with a fatal accident, on Saturday last, while engaged at Parvin, Carpenter & Co's Colleries at St. a conductor of a public press, to expose iniquity Clair, this county. He was accidentally thrown wherever it appears - whether in the shape of cor- with his head upon the track, and while in this posiruption on the bench, thus polluting the fountains | non, unable to aid himself, the cars passed over it, of justice—standering our citizens, or making base, caused instant death. He was a young man of, 23 false and malicious charges, against our whole vears of age, and leaves a wife to mourn his loss. business community, through the public press, merely with a view of fomenting difficulty and causing violations of the law, in our midst, know. ing these charges to be false when made. These are being discussed.

SINGLE COPIES OF THE MINERS' JOHRNAL can be obtained every Saturday of William Olderer, charge him with having paid his debts—nor son out of their limits, as the coal Region of Pennsyl-

if nothing else, would forbid such a course. We have now disposed of their personalities. this community-but there are some assertions, if position to favour such things in their State in prefermitted to pass, would convey a wrong impreson among the unreflecting. The following is

ne of them: "Before the last election, and according to Whiggery en. Taylor's succession to the Presidency was to be precursor of a social and political millenium, par-cularly in the Coal Region. The miners and laborer-ere earnestly besought to vote for Taylor and Whig-try, and secure 'good times' and 'high wages.'"

Well, things are something better this year than Well, things are something better this year than the car passed over him, in such a manner as to break they were last, and when the cause is removed. his shoulder bone, injuring his head, and breaking one they will continue to grow better at il. Ail the or two benes in his leg. Medical aid was soon propromises as regards the wages of labor will take cured, and we are pleased to add that Mr. Williams place as soon as the Tariff of 1816 is repealed is now in a fair way of recovery. and an American, not a British Bill, substituted in its stead. The disease must be removed before the patient can become healthy.

The following is another extract, which shows the great depth of the reasoning ficulties of the author:

"The working classes of our County, cannot fail to "The working clayers of oir County, cannot fail to have remarked, that although before the last election, the Whigs charted all the difficulties of this Region in the "Tartif of "46," and the Democrats, it is but a few weeks since the Coul Operators, in public meeting, publicly confessed that over production was the cause of one embarrasments, and combined to correct the evil, by regulating the supply of the markets. They thus implicitly admitted the falsehood and hypocrisy of their own party leaders, and the truth of the statements which the Democrats have always made upor the subject."

It was not necessary for the Coal Operators to pass a resolution that over-production was the listening to their Music, but are informed that it was cause of the embarrassments under which our the question is, what caused that over-production? in turning out machinery; our mines worked to ject, it is highly necessary that all who can, should mand for our staple? Why was this career of care not for their lives, as to risk them for the most the same of several mental many of responsive ments, and, all have an equal privilege of taking part in the proceedings.

Let the party be well organized for the contest. We have a wide field to sweep.

George Buckhart, living in Harlan county, Kyliving. He is one hundred and fourteen years old was born in Germantown, Pennsylvania, and has tion for a short time and pays an excellent dividend. lived for several years in a bollow sycamore tree Speaking of this factory the Natchez Courier of such large dimensions as to contain his family, consisting of a wife and five or six children, bed "The Mississippi Manufacturing Company at Draine's Mills, Choctaw county, is now in successful operation, vielding a large dividend. It has now 500 spindles in operation; which consumed daily 300 lbs of cotton, and turn out 286; pounds of spun thread. The cost of the cotton consumed every day is \$15 other expenses \$10, making it all \$25. The manufactured article sells readily at 20 cents, makin the whole product of the spindle \$56 per day! What a splendid investment." other expenses \$10. making it all \$25. The many factured stricle sells readily at 20 cents, makin the whole product of the spindle \$56 per day! What a splendid investment?"

That is "s splendid investment," and we should think that of the spindle \$10 cents and we should think that of the spindle spind

best of weather.

They play in perfect harmony, and exactitude; the sweetness of their muvic surpasses anything we have ever heard. Herr Herwig is the leader, and plays on the lat violin, and ranks among the best performers in Europe. Rud iphson is sail to We would advise all lovers of music to go and

ted performers.

B. Bannan: D. Dannan:
Dear Sir-Permit me, through the Journal, to present to the clitzens of Schuyikill Connty, the name of Peter Fibert, Esq., of Pinerrove, as an Independent, Candidate for the office of Sheriff. He has never thrust himself forward as an applicant for nfice; but his numerous friends throughout the County are no longer willing that his claims to public confidence and favor should be overlooked. He is one of our oldest and most setemed chitzens: is decrevely consular mong should be overlooked. He is one of our oldest an most esteemed citizens; is deervedly popular among all classes of the community, and long and well know throughout the whole County. His long experience and familiarity with bushness transactions, eminently qualify-him for a practical discharge of the duties of sheriff and we (see lond-dut that his election would give more general satisfaction to the citizens of the ve more general satisfaction to the citizens of the county, than that of any other man. Many Civizens Pinegrove May 26, 1819.

- HEALTH IN SURANCE [of Philadelphia.]
Or Provision against the expense and loss occas isned
by Sickness or Accident.

Or Provision against the express and loss occus issued by Sickness or Accident.

OMPANY incorporated March 2, 1848, (MUTUAL) with a Capital of \$100,000. Insures all persons be tween the ages of 18 and 05, an immediate allowance of \$3, \$4, \$3, \$6, \$7 or \$10 per week, for one, two, three or five years, by paying a certain yearly sum.

Thus a person under thirty-five insuring for one year, by paying \$4 n year, is allowed \$3 per week; for \$3, 23, \$4 per week; and in the same proportion, one of a like age by paying \$5 52a year, gets \$5 per week; for \$7, 20, \$6, \$11, 20, \$5; and for \$11 \$8, he gots \$10 for every week of disability occasioned by xickness or accident, during the year. By paying a fraction more yearly, a weekly allowance can be insured of from \$3 to \$10 for two, three or five years. The rates are to be paid yearly in advance, and are in proportion to thus age and the weekly allowance. In case of permanent disability, occurring after an insurance for; say five years, at a weekly allowance of \$10,a person would be in the yearly receipt of \$200 a year, for the entire five years.

There are no weekly or monthly assessments to now

in the yearly receipt or sound year, for the entire nive years.

There are no weekly or monthly assessmints to pay, or attendance of meeting required; and by "ye charter the insured receive a share of the net profit, without thability for losses. There is ample security by the insured, as can be shown, and promutness, ad liberally is exercised in the payment of henefits. For particulars, inquire at the office, No. 69 South Seventhat, above, Walnut Chall letters must be post paid.
