DUTY ON COAL.

The Coal Mining Association held a meeting, in this Borough on Tuesday last, at the to instance of one of the gentlemen who had been invited to visit Weshington, to confer with the Secretary of the Tressury. They decided upon recommending a specific duty of \$1.25 cents on Coal, about 28 per cent less than the following association be belt and the most adhering them in the one Coal, about 28 per cent less than duty for protection, with a view of permanency of the Coal Signal and the coal of the secondary of the coal o liable to charge. In the present state of the coal trafie, with ample protection to those branches of industry into which the consumption of Coal the more apparent does the cheat its officers have enters largely, the rate recommended will be suf- practised upon the public become.
