B. BANNAN,

Honorary, Secretary for Schuylkill County. Every man Mho loves his family, ought to get his life insured. Every person engaged in business, having others feelbading upon him, which would require some time to stitle uponght to get his life insured even if in good circlumstances.

Every nearth convent.

cumstances. on engaged in the Coal Business ought to get his life inspired, or any other hazardous business out the Coal Region.

Every person, who depends upon a Salary outht to get his life inspired. The Professional man with a family onght toget his life insured. There are few hat who could save a small sum annually to insure their lives; which, if not unvested in this lway, would be upon perhaps in trifles, and their families left to the coil chadities of the world. There is, perhaps, nothing that creatists of evere apong on the death-bed, as being compelled to leave those whom you love, and particularly a lwife and children, destinue.

Life Insurance is becoming just as common in this Country as Fire Insurance. Wives, persuade your lushands—you can save enough in your heavehold Mairs to pay the annual permium without feeling it. And you areath most interested in the subject. You can, insure the lives of your busbands, for your own benefit, and, the amount cannot be touched by their creditors, in case of their death.

Any information on this subject can be obtained, B. BANNAN At the Office of the Miners' Journel.

MOUNT CARBON RIOT CASE. Our readers will recollect that at the last Pres idential Election a Riot took place at the Mount Carbon polls, in which a person was killed. The zrial, after having been postponed for various causes until the present Court, took place at Orphant acquitie of all the Whige, and the costs, which, we understand, willamount to nextly one thousand dollars, falls on the county, all of which our air physys will have to pay, and all of which our air physys will have to pay, and all of which our air physys will have to pay, and all of which our air physys will have to pay, and all of which our air physys will have to pay, and all of which our air physys will have to pay, and all of which our air physys will have to pay, and all of which our air physys will have to pay, and all of which our air physys will have to pay, and all of which our air physys will have to pay, and all of which our air physys will have to pay, and all of which our air physys will have to pay and all of which have and all of which our air physical p wigeburg, this week, and resulted in the trium-
