The expected guest finally arrived. He was cordially received by his uncle, who at once com-municated to him the incident of the torn letter, and inquired his intentions. It is my cousin Maria, that I wish to marry, replied he. Never, never, esclaimed Mara; I am conten-ted with my present state, and wish to keep st.' Minse,' replied the cousin,' I have adopted the idu'd. Here, when a syong man is refused, he withdraws from the world, as a nevless bring.' He kills himself!' exclaimed Marguerite. increate the Cod Fish for medificial use, expressly for our ables. [Ferret from the London Medical Journal.] [Ferret from the London Medical Journal.] "Generating the Code of the Constant of Meditus in University Code of London, Consulting Physician to the Hospital for Consumption, &c., says : have presented the Oli in above four hundred cases of tuburrulois disease of the Lunzs, in different states, which have been under my care the last two years and a hulf. In the large number of cases, 200 out of 224, its use was followed by marked and un-quiveral improvement, varying in degree in different iso's, from a temposary retardation of the progress of the disease. to a mitigation-of distersing symptoms, by to a mare of less.complete restoration to apparent hearth. ed with my present state, and wish to keep at. -'Miss,' replied the cousin,' I have adopted the customs of the country where I have so long re-

"The effect of Cod Liver Oil in most of these Cases "The effect of Cod Liver Oil in most of these Cases was very structures. Even in a few days the focuent was unitzated, the expectoration diminished in quanti-ty and opacity, the nicht weats cased, the pulse he-come slower, and of hetter volume, and the appentic. "Poor cousin ? said Marguerite, her eyes filled deal in beginning." True, child; that is what I want to impress With such wooings; men old enough to know

"In confract, were grannaly improved. " "In confractor, I repeat that the pute fresh oil from the Laverof the Cod is more beneficial in the treat-ment of Putan mary Consumption than any agent, me-dirinal, dictic or regimenal, that has yet been em-ployed." ployed." As we have made arrangements to procure the Cod Laver Oil, fresh from head quarters, it can now be hid chemically pure by the single bottle, or in bores of our dozen each Its wondertoil ulineary has indiced numerous sport-ous institutions. As its success depends entirely on its purity, too much care cannot be used in procuring it genuine.

> What was the corprise of the two girls, seeing enter an elegant'young man, without the slightest deformity, who imjelistely embraced Marguerite, and placed before her a basket :

'This is what I have brought from Bombay to

this place, to offer to the consin who should accept me with my poverty and disfiguration." Great was the joy of Marguerite, and strange to any, Maria shared the happiness of her sister.

to say, Maria shared the happiness of her eister. It is true, that Maria was fond of her eister and

'Here is your dowry,' said he. The backet was filled with diamonds !

did not despise diamonds.

This is very true.

t contine. Every bottle having on it our written signature may be depended upon as genuine Panablets containing an analysis of the Oil, with polices of it from Medical Journals, will be sent to there with a definite as from of motions. Maria to herself, 'Poor cousin !' sighed Marguorite, and she then same old sunt. 'By whom, pray !' 'Why ! by you, since you prefer my sister.' 'What would you say, then, if I should ask 'To please my wife's fancy,' was the reply. 'She wanted to live like other people, and I wish 'To please my wife's fancy,' was the reply. 'She wanted to live like other people, and I wish 'She wanted to live like other people, and I wanted to live like other peo
