Saturday Morning, December 29 THE PROTECTIVE POLICY.-THE PEOPLE

LIFE INSURANCE. Every man who loves his family, ought to get his life insured. Every personengaged in business, hav-ing others depending upon him, which would require some time to settle up ought to get his life insured even

some time to setting process.

If in good circumstances,
Every person engaged in the Coal Business ought to
get his life insured, or any other liazardous busines. get his life insured, or any other fitzardous business, at the Coal Region.

Exery person who depends, tipon a Salary bouch to get his life insured. The Professional man with a family entit to get his life insured. There are few but who could save a small sum annually to insure their lives; which; if not invived in this way, would be spent perhaps in triges; and their families left to the cold charities of the word. There is, perhaps, nothing that creates so gevere a pang on the death-hed, as being compelled to leave-those whom you love, and particularly a wife and children, destinute.

Jife.Insurance is becoming just as common in this

the year that is past? and with the same propriety, cast around, and gaze into the "mysterious future". Then, if our minds be properly consti tuted, scenes that have presed during the year, will array themselves before the mind's eye-ascalled-feelings that had almost been smothered will be rekindled-and many other sensations similar to the above will be brought about-all

The year 1849 has in many respects been a remarkable one. In our own Gountry the public have not been disturbed by the loud blast of war; but the public mind was smoot equally as much but the public mind was smoot equally as much cracked. Many of our brethern have been compelled to sue umb to its power, and, bid farewell to all that is dear on earth, as victims to the Chalers. For awhile it raged with great violence, aweeping down all classes of the human race—

the rich and power—the high and low—and the marks of its deva-trying course may vet be seen in many places where it has been are placed against it. These who valid against it. These who valid against it. These who valid against the all man in many places where it has been and advance, and attack that in the understants, on the standard against it. These who valid against the all man in many places where it has been and advance, and attack that in the unit of pennsylvania, and during the last of the Legislature of the Col Region that Courted to make the form the class of the control to make the form the class of the Logislature of the Col Region and a meeting of the Col Region and a meeting of the courted to make the form the cultation and will be presented to the Legislature of the Col Region and a meeting of the Col Region and will be presented to the Legislature of the Col Region and this unit of the Sense on Thursday week is significant. A mention was made that Father Matter Matte

who, rather than see one set of the Products, first dimmed, woold, like Decise of oil, decept that services to their country, invest, even, at the services of their fervices to their country, invest, even, at the sign of the black of the West Object Record, suggested to their country, invest, even, at the sign of the black of the West Object Record, suggested to their country, who their sign of the sign of the black of the West Object Record, suggested to the second of the West Object Record, suggested to the s the efforts of men, endeavoring to be free, are sweippi) and but one member holding northern thwarfed by a despotic power, it is to be regretted sentiments.

THE PRESIDENT'S MESSAGE. The Country has at length been given the first nnual Messago of President Taylor. It is one and patriotic in sentiment. In short it is just interesting statistics, we extract from the reportsuch a document as the People could have ex- It will be found to contain valuable information

nore permanent than ever the basis upon which

particularly a wife and children, destinate.

Life Insurance is becausing just as common in this generated your hasbands—you can save enough in your baneshold affairs to pay the annual premium without feeling it, and you are the most interested in the subject. You can large the lives of your bashands, for your own benefit, and the amount cannot be touched by their creditors, in case of their death.

Althe Office of the Miners Insurance is becausing just as common in this subject can be obtained.

BEBANNAN
