Ah! ah !" said the disciple of Esculapius, "I see how it is: you have been eating chicken and have got a four stomach;" TWO TYRANNICAL KINGS.

A western paper says: Of all the kings I ever knew, From Old King Cole to jolly Jo-King.

Including him whose beard, was blue, The most tyrannical was Smo-Kinc. Whereupon another one declares that-Of all the kings he ever knew, From Old King Cole to poor lean THIN-KIN

The hardest one of all to serve, And most/tyrannical is DRIN-KING.

PA, IS BEACH good to eat ?" "Certainly not, moni. Why do you ask me such a question as that?" "Cause the newspaper says that during the hot weather, the rich people all go and live on the heach." " Phebe, be quick and grease this boy's temples, and put him to bed, or he'll die with

the brain fever. "Jonas, do you love me ?" Well Suky, I docs.

"How do know you love, Jonas ?" ". Cause, whenever I sees you my hear jumps up and knocks agin' my stummuch so hard that I don't have any appetite for a week afterwards.'

AN IRISHMAN, who was lately reprieved, as he stated, the night before his execution, and who wished to get rid of his wife, wrote to her as follows : "I was yesterday hanged and died like a hero; do as I did; and bear it like a man."

MATRIMONIAL MEASURE. -- TWO, /Polkas make one Flirtation. Three Elistations make one squeeze of the

Hand. Four squeezes make one kiss. Five Kisses make one moonlight Meeting. Two Moonlight Meetings make one Wed-

Two Weddings make Four Fools.

Dos'T LAT in that posture, dear," said the venerable Mrs. Partington to her nephew. who was stretched upon a sofa with his heels a foot or more higher than his head.-Don't lay so, rise yourself up and put this pillow under you. I know a young man who once had suggestion of the brain in consequence of laying so-his brains all run down into his head ?" and with this admonition she left him to nap in the little sitting room.

QUEER GIRLS -A paper published at Akron, Ohio, states that some time since a party of gentlemen and their ladies, from that village, visited a place of refreshment in Middleburg, where they passed a short time : after they had departed, a boy about the house, who had occasion to enter the room several times

had occasion to enter the room several times during their stay, remarked that "they were the querest gals he ever seed, cause when there, were chairs enough in the room for them to sit on, the tarnal critters would sit on the boys' laps." A SHAVER CUT.—Thé advent of Augustus into the mysteries of manhood was celebrated by a visit to the barber. The motions of shaving having been performed upon him, he stood complacently stroking his chin in admiration before my glass. "What did they charge you, my son ?" sid his maternal parent, viewing him with becoming pride. "Six-and-a-quarter, mother—that's all,"

becoming pride. "Six-and-a-quarter, mother—that's all," replied the scion. "Why," said the dame, "I thought chil-drea were done for half price." Rapidly adjusting his hat, the young man mizzled. Laziest YET.—During the summer of 1816, corn being scarce in the upper country. and one of the citizens being hard pressed for bread, having worn threadhare the hospitality of his generous neighbors by his extreme laziness, they thought it an act of charity to bury him. Accordingly, he was carried to wards the place of interment, and being met. "" Hallo!" what have you there ?" "" Hallo!" what have you there ?"
