and hopeful for the future as its contents are,

Pattsville, April 6, 1850

spot, and every means is resorted to entrap all who pass by the door. Men enter gambling houses with their thousands and come They seem to have commenced work with a proper spirit and energy; it is to be hoped they will not weary in well doing: at last sand bank and making roads: one of our N. York music sellers, who had quite an extensive business at home, is now porter in a store; while crores of gentlemen's sons are bar-tenders and waiters, and many are paying tellers for the gamblers at monte. Tare. bar-tenders and waiters, and many are pay-ing tellers for the gamblers at monte, faro, rondo, and other games.

> pute, who at home was president of a college, but now is an ox-team driver. Meantime, those whose business at home was mercantile are carrying lumber, trunks, boxes, &c. &c., through the streets upon their shoulders. while your humble servant amuses himself by working a silver mine, in the shap digging in a sand bank, until the seaso allow him to go up to the gold mines. "There is no distinction of classes here, as at home; for let a man be a laborer, or a gentleman at large, the one is as likely to be the moneyed man as the other, as expenses are moneyed man as the other, as expenses are the same to each. It is impossible to get board at under \$25 per week, unless it be in a tent, where you stand a good chance of getting a good shower-bath, free, about once in every twenty-four hours. The population now numbers about 60,000; of this number New York city is represented about as strong-New York city is represented about as strong ly as any other ten places you can mention.

those of many other nations. Still the ut- m most harmony prevails, and theft is a rare thing, although property is more exposed here than in any other place I know of. "The houses are built of various materials. Some are of wood, with canvas roofs; others of canvas, with wooden roofs: some of iron and wood; a few of brick; some of ox hides and poles: while tents, not a few,

are scattered through the place. The public conveyances are few, and these are wagons and carts, drawn by most miserable half-starved mules and hard-coaded oxen. These vehicles very frequently get bogged down in the mild, when if the teamster is not buried in extricating his animals, he is considered a lucky fellow. Occasionally may be seen some of the fair sex. price of a carriage at home.
