My reply is as follows: For about twenty years I had been suffering from Dys-persia. Every year the symptoms became worse, nor could I obtain permanent rehel from any course of medical treatment whatever. About fouriers years since, in con-equence of frequent exposure to the weather, in the dis-charge of my pastoral duties, I became subject to a review Chronic Itheumatism, which for year after year, caused me indescribable anguch. Farther: in the winter of 455 and 46, in consequence of preaching a great deal in my own and various cher churches in this region, I was statacked by U. Stronchits, which soon become so servere as to require an immediate suspension of my pastoral labors. My nerrous system was node throughly prositrated, and as my Bronchitis became worse, so sho did my Dys-pepsis and Illeumatio affoction-thus evincing that these disorders were connected with each other through the medium of the Nerrous System. In the whole pharms-copus ithers seemed to be nor remedial agent which could reach and recuperate my Nervous System : everything that i had tried for this purpose had completely failed. At last I was led by my friends to examine your inven-tions, and (though with no very sanguine hopes of their efficiency.) determined to try the effect of the application of the GALVANIC BELT AND NECKLACE, with the MAGNTIC FLUD.
