# MINERS' JOURNAL

SATURDAY, MAY 11, 1850.

THINGS IN WASHINGTON. tion of Mr. King as President pro tem., a mopart two of the report of the Commissioner of though he has "risen in the world," and is children. Patents containing the agricultural statistics celebrated like D'Orsay for his splendid tal-

the adjournment. In the House of Representatives, Mr. STAN-LEY offered a resolution, which was passed bar-room floor of the aforesaid Shoemaker : under a suspension of the rules, providing that he and Haviland, the distinguished table, and when it comes there will imme for the appointment of a select committee of nine members, to make inquiry into electioneering movements of officers under the late But he is gone on an excursion higher up excite much diversion to those who are igadministration. A resolution was adopted, administration. A resolution was adopted, on motion of Mr. CROVELL, calling upon the Secretary of War for information connected with the claim of Texas to a portion of New Mexico. Mr. Burt made an ineffectual attempt to introduce a resolution requesting the President "to signify to the Government of Great Britain the wish of the Government of Great Britain the Great Britain the Wish of the Government of Great Britain the Great Brita the United States to terminate the eighth article of the treaty concluded between them at Washington, on the ninth day of August, A. D. 1842," which provides for a naval force on the coast of Africa, with a view to the suppression of the slave trade. The House ly palaces, brilliant with burnished gold, the sulphuric acid. refused to suspend the rules for the introduction of the resolution; and then went into

committee on the Census bill.

In the Senate, on Tuesday, after the reception of netitions and reports on private bills, the hill to amend the Patent laws was taken up and read, and after some remarks from Messrs. Turney, Jefferson Davis, and Hall, was then postponed till the next day, to enable Mr. Dodge to prepare an amendment. After some discussion of an uninteresting character, upon the matter, the Senate adjourned. In the House, the committee, on Mr. Stanley's Resolution, was appointed, consisting of Mr. Stanley, and others. The consideration of the Census Bill was then resumed .- | An amendment was offered by Mr. Vinton, 6 months, in this place, was arrested on Satreducing the number of members of the House of Representatives to two hundred a hearing before Esquire Wilson, he was derful effect. members—to be appointed among the States bound over on a charge of Seduction and also in the manner directed in the section following.—Provided, that if after the appointment ing.—Provided, that if after the appointment before Indeed the operation in the manner and after beginn he was brought of his invention to a number of gentleman in of the Representatives under the next or any subsequent census, a new State or States be admitted into the Union, the Representatives and held to bail on the other assigned to such new State or States shall be in addition to the number of Representatives herein above limited—which excess of Representatives over two hundred shall only continue until the next succeeding appointment of Representatives, under the next succeeding appointment of Representatives, under the next succeeding the fact that Judge Hammer, after hearing the census. After considerable discussion, the succeeding the fact that Judge Hammer, atter hearing the census. After considerable discussion, the succeeding the fact that Judge Hammer, atter hearing the census. After considerable discussion, the succeeding the fact that Judge Hammer, atter hearing the census. After considerable discussion, the succeeding the fact that Judge Hammer, and after hearing, he Boston and Worcester, some of whom have the gas business determined to leave the state of Groods at first cost, that affecting the considerable experience in the gas business, and others having chremined to leave the state of Groods at first cost, that affections, having determined to leave the state of Groods at first cost, that affections of artificial light at cheaper rates then it can be furnished by the means hither it c

#### Local Affairs.

COLONEL WALLACE, of the Philadelphia Sun, reminds Mr. Fitzgerald of the City Item, that it is time to resume the Editorial Pedestrian Excursions so happily commenced

"We must go to Pottsville," says he, "and inspect the wealth of Sennylkill County in coal, iron, delight-ful views, elegant women, noble spirited men, and refined society. We must picnic on the Sharp Mountain, and bivouse on the fine table land on the Broad Mountain, where, in olden time, Spohn used to hold out such inducements of trout and ventson. We must renew our acquaintance with scenes and persons, held was a wee place, and the softest planks were the

most faxurious beds. Oh for the old days of phoemaker, Troutman, Mortimer and Buckwater!" In the "olddays of Shoemaker, Troutman, In the Senate, on Monday, after the elec- the claims of a tolerably clean pine-floor, as was instantly killed by a fall of Coal on Monassociated with the remembrance of a bed, day last, in Mr. A. McDonald's mines at tion to print thirty thousand extra copies of were not to be sneeringly overlooked;—and Muddy Branch. He has left a wife and

Washing Reduced to a Science.

6. CRANE'S DATENT COMPOUND WASH M'XTURE, one of the most useful and important inventions of modern times. For washing clothes perfectly, with signonishing facility and dispatch, and without injury modern times. For washing clothes perfectly, with assonishing facility and dispatch, and without injury to texture or color.

Every family of whatever size, can do all their washing in haif and hour, exclusive of the rinnings and drying, without the labor of rubbins, pounding, lieaching or builing, thus saving time, expense and labor; while clothing itself will be saved from the wear and tear of machine and friction, and last much longer. Also, for washing pointed surfaces, and every article or thins which may require cleansing. It may be obtained in the form of a Fluid or solid Soap. A soap tsuch as earth saw never," and which will fill with health and administion all who become acquainted with its properties. All this can be tested at a small espense, and we invite the whole county to

vit.
Beware of impositions, as all violations of the patent. B-were of impositions, as all violations of the parent will be presented.

The subscriber ins purchased the exclusive right for the subscriber inspurchased the exclusive right for the, and is prepared to supply the article, wholesale and retail, at his Glothing Store, corner of Centre and Mahantangs Streets, Pottsville, where any quantity of Recommendations can be seen.

MORE WITCHCRAFT .- A mesmeriser in Stratham, New Hampshire, recently saw with her mental eyes imaginary stores of buried gold near that place, and her revelaions being believed by some over-credulous persons, they commenced searching for it. They were within two feet of the treasure, when a rain storm filled the hole with water. The next day the mesmeriser disappeared, leaving a bill of 830 for board unpaid. Whether she took the buried treasure or not with her, the account does not say, but since her absence the folks thereabouts have no been able to find it.

Father Mathew left New Orleans on the 27th. for Lafavette. The number of emigrants that have arrived at St. Joseph, Mo., this season, up to the
