COURTSHIP.

By N. P. Willis:

"Oh, Laura! will nothing I bring thee
E'er soften those looks of disdain?
Are the songs of affection I sing thee
All doomed to be sung thee in vain?

I offer thee, fairest and dearest,
A treasure, the richest I'm worth;
I offer thee love, the sincerest,
The warmest e'er glowed upon earth!"

But the maiden, a haughty look flinging,
Said, "Cease my compassion to move;
For I'm not very partial to singing,
And they're poor whose sole treasure is love."

"My name will be sounded in story—
I offer thee, dearest my name;
I have fought on the proud field of glory!
Oh! Laura, come share in my fame.

I bring a soul that adores thee,
And loves thee wherever thou art;
Which thrills as its tribute it brings thee
Of tenderness fresh from the heart."

But the maiden said, "Cease to importune;
Give Cupid the use of its wings;
For Fame's but a pitiful fortune—
And hearts are such valueless things."

Oh, Laura, forgive if I've spoken
Too boldly—nay turn not away—
For my heart with affliction is broken—
My uncle died only to-day!

My uncle, the nabob—who tended
My youth with affection and care;
My manhood who kindly befriended—
Has—died—and—has—left—me—his—heir!"

And the maiden said, "Weep not-sincerest!
My heart has been your's all along;
Oh! heart of all treasures are dearest—
Do, Edward, go on with your song."

L. MARTIN AND THE LAWYER.

We heard an anecdote of this distinguished lawer a few days ago, which we remember to have met with in print, but which is so good that it will do to tell again.

Martin was on one occasion riding to Annapolis, in a stage coach, in which was a solitary companion a young lawyer just commencing the practice of law. After some familiar conversation the young lawyer said: "Sir, you have been remarkably successful in your profession—few men have gained so many cases—will you be good enough to communicate to me, a beginner, the secret of your wondrous success?"

"I'll do it, young man, on one condition, and that is, that you defray my expenses during my stay of a few days at Annapolis."

"Willingly" replied the young man, hoping thereby to profit greatly by the communication.

"The secret of my success," said Martin, "may be discovered in this advice which I now give you, namely: *Deny everything and insist upon proof.*"

On reaching Annapolis, Luther Martin was not very self-denying in the enjoyment presented by a fine hotel; the substantials and general refreshments were despatched in a manner quite gratifying to mine host. The time for return at length came. The young man and Martin stood together at the bar, and demanded their respective bills.

Martin's was enormous, but on glancing at it, he quietly handed it to the young lawyer, who running his eyes over it lazily, returned it with the utmost gravity.

"Don't you intend to pay it?" said Martin.

"Pay what?" said the young lawyer,

"Why, pay this bill. Did you not promise, on the route downward, that you would defray my expenses at the hotel?"

"My dear sir," said the young gentleman, "I deny everything, and insist upon proof."

Martin at once saw that he was caught, and eyeing his young friend a moment or two, he said, pleasantly, "You don't need any counsel from me, young man, you don't need any counsel from me."

DECIDEDLY GOOD.

We never heard the anecdote of the old women and her turkeys until yesterday. It is good. An old lady, resident of a neighboring place, kept a large family of Turkeys, and, consequently, valued them very highly. Opposite her door was a West India goods store. The man who kept it one day emptied his cask of cherries, intending to replace them with new. This old lady being economical, thought it a great pity to have those cherries wasted, and in order to have them saved, she would just drive over her turkeys and let them eat them. In the course of the day the old lady thought she would look after them and see they were in no mischief. She approached the yard and lo! in the corner laid her Turkeys in one huge pile, dead. Yes, they were stone dead. What was to be done? Sure, the old matron could not loose all the feathers. She must pick them, intending to have them buried in the morning. Morning came, and behold, there were the turkeys stalking about the yard featherless enough, (as may be supposed,) crying out quit, quit, feeling no doubt mortified that their drunken fit has been the means of losing their coats. Poor things, if they had said quit before they begun, they would not have been in this bad fix. We would advise all young men who are in the habit of drinking, to leave off before they get picked, and to those who do not, let every young lady say quit!—[*Grenada Republican.*

A TRUTHFUL ANSWER.

Bunkum, in the Old North State, is undoubtedly the healthiest spot on earth; and it was on that account that some "lower country gentlemen" were surprised one day to see a Bunkumite at work opening an ominous looking "hole in the ground." Of course they inquired what he was about? "Digging a grave sir." "Digging a grave! Why, I thought people didn't die *often* up here—do they? "Oh no, sir—*they never die but once!*" They never asked that question "but once."

WINNING A BET.

"I will bet you a bottle of wine that you shall descend from that chair before I ask you twice."

"Done," said the gentleman, who seemed determined not to obey the summons so obediently. "Then stay up until I ask you a second time." The gentleman having no desire to retain his position till that period, came down from the chair, and the party won the wager.

☞ *Witty and Wise.*—Two persons, I believe a husband and wife, being very much at variance, referred their quarrel to Mr. Howels. Each accused the other, and both declared themselves to be without blame. Mr. Howels heard them very patiently, and then said—"My judgment is this, let the innocent forgive the guilty."

☞ *Mysterious Knockings.*—The following "elegant extract" accounts for all mysterious knockings."

"Where folks believe in witches, witches are:
But where they don't believe—there are no witches *that!*"

☞ *"What are you* writing such a big hand for Pat?" "Why, you see, my grandmother's dafe, and I'm writing a loud letther to her."

For the Removal and Permanent Cure of all
NERVOUS DISEASES,
And of those Complaints which are caused by an impaired, weakened or unhealthy condition of the
NERVOUS SYSTEM.

This beautiful and convenient application of the mysterious powers of GALVANISM and MAGNETISM, has been pronounced by distinguished physicians, both in Europe and the United States, to be the most *valuable medicinal discovery of the Age.*

Dr. CHRISTIE'S GALVANIC BELT
and
MAGNETIC FLUID,

is used with the most perfect and certain success in all cases of
GENERAL DEBILITY,

Strengthening the weakened body, giving tone to the various organs, and invigorating the entire system. Also in FITS, CRAMP, PARALYSIS and PALSY, DYSPEPSIA or INDIGESTION, RHEUMATISM, ACUTE and CHRONIC, GOUT, EPILEPSY, LUMBAGO, DEAFNESS, NERVOUS TREMORS, PALPITATION OF THE HEART, APOPLEXY, NEURALGIA, PAINS in the SIDE and CHEST, LIVER COMPLAINT, SPINAL COMPLAINT, and CURVATURE of the SPINE, HIP COMPLAINT, DISEASES of the KIDNEYS, DEFICIENCY OF NERVOUS and PHYSICAL ENERGY, and all NERVOUS DISEASES, which complaints arise from one simple cause—namely,

A Derangement of the Nervous System.

☞ In NERVOUS COMPLAINTS, Drugs and Medicines *increase the disease*, for they weaken the vital energies of the already prostrated system; while under the strengthening, life-giving, vitalising influence of Galvanism, as applied by this beautiful and wonderful discovery, the exhausted patient and weakened sufferer is restored to former health, strength, elasticity and vigor.

The great peculiarity and excellence of
Dr. Christie's Galvanic Curatives,

consists, in the fact that they arrest and cure disease by *outward application*, in place of the usual mode of drugging and physicking the patient, till exhausted Nature sinks beneath or under the infliction.

They strengthen the whole system, equalize the circulation of the blood, promote the secretions, and never do the slightest injury under any circumstances. Since their introduction in the United States, only three years since more than
60,000 Persons

including all ages, classes and conditions, among which were a large number of ladies, who are peculiarly subject to Nervous Complaints, have been

ENTIRELY AND PERMANENTLY CURED,

when all hope of relief had been given up, and every thing else been tried in vain!

To illustrate the use of the **GALVANIC BELT**, suppose the case of a person afflicted with that bane of civilization, DYSPEPSIA, or any other Chronic or Nervous Disorder. In ordinary cases, stimulants are taken, which, by degrees, deaden the nerves and muscles of the stomach, afford *temporary* relief, but which leave the patient in a lower state, and with injured faculties, after the effect of the stimulus has ceased. Nature commences this with the effect resulting from the application of the GALVANIC BELT. Taking Dyspeptic sufferer, even in the worst symptoms of an attack, and simply tie the Belt around the body; using the Magnetic Fluid as directed. In a short period the insensible perspiration will act on the positive element of the Belt, thereby causing a Galvanic circulation, which will pass on to the negative, and hence back again to the positive, thus keeping up a continuous Galvanic circulation throughout the system. Thus the most severe cases of DYSPEPSIA are PERMANENTLY CURED. A FEW DAYS IS OFTEN AMPLY SUFFICIENT TO ERADICATE THE DISEASE OF YEARS.

CERTIFICATES AND TESTIMONIALS
Of the most Undoubted Character,

From all parts of the Country could be given, sufficient to fill a volume, but a few only are here given!

AN EXTRAORDINARY CASE,

which conclusively proves that
"Truth is stranger than Fiction."
CURE OF
Rheumatism, Bronchitis and Dyspepsia.

REV. DR. LANDIS, A CLERGYMAN

of New Jersey, of distinguished attainments and exalted reputation:—

Dr. A. H. CHRISTIE—Dear Sir: You wish to know of me what has been the result in my own case, of the application of THE GALVANIC BELT AND NECKLACE. Reply is as follows:

For about *twenty years* I had been suffering from Dyspepsia. Every year the symptoms became worse, nor could I obtain permanent relief from any course of medical treatment that I adopted. About *fourteen years* since, in consequence of frequent exposure to the weather, in the discharge of my pastoral duties, I became subject to a severe Chronic Rheumatism, which for year after year seemed to me indescribable anguish. Further: in the winter of '45 and '46, in consequence of preaching a great deal in my own and various other churches in this region, I was attacked by the Bronchitis, which soon became so severe as to require an immediate suspension of my pastoral labors. *My nervous system was now thoroughly prostrated*, and as my Bronchitis became worse, so also did my Dyspepsia and Rheumatic affection—thus evincing that these disorders were connected with each other through the medium of the Nervous System. In the whole pharmacopeia there seemed to be no remedial agent which could reach and recuperate my Nervous System; everything that I had tried for this purpose had completely failed. At last I was led by my friends to examine your investigations, and (though with no very sanguine hopes of their efficiency,) I determined to try the effect of the application of the GALVANIC BELT AND NECKLACE, with the MAGNETIC FLUID. This was in June, 1845. To MY GREAT ASTONISHMENT, IN TWO DAYS WAS MY DYSPEPSIA HAD GONE; IN THREE DAYS I WAS ABLE TO RESUME MY ORDINARY LABORS; NOR HAVE I SINCE OMITTED A SINGLE SERVICE ON ACCOUNT OF THE BRONCHITIS; AND MY RHEUMATIC AFFECTION HAS ENTIRELY CEASED TO TROUBLE ME. Such is the wonderful and happy result of the experiment.

I have recommended the BELT and FLUID to many who have been likewise suffering from Neuralgic affections. They have tried them, WITH HAPPY RESULTS, I BELIEVE, IN EVERY CASE.

I am, dear sir, very respectfully yours,
ROBERT W. LANDIS.

DR. CHRISTIE'S
GALVANIC NECKLACE

Captain TOMES is seventy years of age.

Severe Deafness Cured.

The following is an extract from a letter lately received from a distinguished physician in the State of Virginia:

"A. H. CHRISTIE, M. D.—*Dear Sir:* One of my patients, unknown to me, obtained your *Galvanic Belt and Necklace*, with the *Magnetic Fluid*, for a serious affection of Deafness. The case was that of a lady whose Nervous system was much disordered and her general health poor. Much was done previously to the application of the Belt, but with very little success, and I feel it only right to tell you, that since she commenced wearing the Belt and using the Fluid, but a few weeks ago, she has ENTIRELY RECOVERED HER HEARING, and her general health better than for several years."

GREATEST DISCOVERY OF THE AGE.
DR. TRASK'S
MAGNETIC OINTMENT.

IS constantly effecting cures of the utmost importance. The most incredulous are convinced—the most faithless are compelled to believe in the power and virtue of this great remedy.

It is universally admitted to be the most wonderful combination known to the world for the immediate relief of disease and pain.

It never fails while there remains sufficient life to restore a natural and healthy action to the capillary vessels of the body, and equalize the circulation of the blood. By this means a controlling power is gained over the most malignant forms of disease, which cannot be obtained from any other remedy. Such is the power of this combination that it penetrates to every portion of the human frame; every bone and muscle, vein and ligament is reached out and made sensible of its purifying and healing influence. Hence it comes it copes as readily with internal as external diseases.

Numerous instances are on record where this remedy has restored health to patients so near the grave that the most powerful internal remedies failed to produce any effect Such has frequently been the case in *Inflammation of the Bowels;*

No patient need ever die with this disease where the Magnetic Ointment can be obtained. That dangerous Epidemic known as the

Putrid Erysipelas,

can always be cured by this remedy. For

Inflammatory Rheumatism,

this ointment is the most complete remedy prepared. In 99 cases out of 100 it will afford entire relief to the worst cases of

Nervous Headache,

in thirty minutes. For nervous diseases this remedy is of immense value.

Affections of the spine, rheumatism, tumenese, ulcerate sore throat, bronchitis, pleurisy, croups, chills, bruises, scald head, *scrofula*, salt Rheum, erysipelas, cholera morbus, ague in the face or breast, burns, inflamed eyes, fever sores, &c., will be immediately relieved by the use of this remedy.

Dalley's
MAGICAL PAIN EXTRACTOR,
THE ORIGINAL AND ONLY GENUINE.

A certain and positive Cure for the worst Burns and Scalds, Piles, Erysipelas Rheumatism, Cuts, Wounds, Fever Sores, Broken Breast, Sore Nipples, Weak and Inflamed Eyes, Sprains, Salt Rheum, and all cases of Internal Inflammation, BURNS AND SCALDS.

I Challenge the world to prove, that in any one single instance, "Dalley's Magical Pain Extractor"—that is to say the genuine article—has, since its first introduction by me in 1829, up to this period, ever failed to cure the worst cases of Burns and Scalds!

FROZEN TOE CURED.

Dingman's Ferry, Pike co. Pa., Jan. 13, '49.

MR. HENRY DALLEY—Sir: This is to certify that I have been afflicted for a number of years with a sore toe; caused by being frozen. It was for many years painful to me, especially during the last six months, it became so much affected that the flesh of the first joint fell off, and the bone was bare. Having tried all the different remedies recommended to me, but without experiencing any relief, I had given up all hopes of a cure, when providentially, greatly the solicitation of my friends, Daniel W. Dingman, Esq., Brodhead, and others, I was induced to try "Dalley's Magical Pain Extractor," and by the use of one 25 cent box, was

Perfectly cured.

We, the undersigned, subscribe our names to the above testimonial, not alone as an act of justice to H. Dalley for his services in behalf of suffering humanity, but we are truly and find relief from the virtues of this extraordinary family salve.

CAUTION TO THE PUBLIC.

NO article of any value has ever been extensively counterfeited than DALLEY'S GENUINE PAIN EXTRACTOR: The difference between the genuine and counterfeit will be easily defined, viz: DALLEY'S *original and only genuine Extractor*, in the severest burns and scalds, affords *instantaneous* relief. It draws out the fire and pain in a few minutes. And in case of wounds, sore and inflamed eyes, and all cases of external inflamation, its soothing effects are ever the same. The Counterfeit Extractors, on the contrary *irritate* when applied, and increase the pain:

Being cognizant of the danger attending the use of the Counterfeit Extractors, I distinctly declare that purchasers will only be sensible of the effects of Dalley's Extractor, unless the same be procured at my own Depot, 418 Broadway corner Lispenard Street, New York, or from the authorized Agents:

THE ORIGINAL AND ONLY GENUINE.

A certain and positive Cure for the worst Burns and Scalds, Piles, Erysipelas Rheumatism, Cuts, Wounds, Fever Sores, Broken Breast, Sore Nipples, Weak and Inflamed Eyes, Sprains, Salt Rheum, and all cases of Internal Inflammation, BURNS AND SCALDS.

I Challenge the world to prove, that in any one single instance, "Dalley's Magical Pain Extractor"—that is to say the genuine article—has, since its first introduction by me in 1829, up to this period, ever failed to cure the worst cases of Burns and Scalds!

FROZEN TOE CURED.

Dingman's Ferry, Pike co. Pa., Jan. 13, '49.

MR. HENRY DALLEY—Sir: This is to certify that I have been afflicted for a number of years with a sore toe; caused by being frozen. It was for many years painful to me, especially during the last six months, it became so much affected that the flesh of the first joint fell off, and the bone was bare. Having tried all the different remedies recommended to me, but without experiencing any relief, I had given up all hopes of a cure, when providentially, greatly the solicitation of my friends, Daniel W. Dingman, Esq., Brodhead, and others, I was induced to try "Dalley's Magical Pain Extractor," and by the use of one 25 cent box, was

Perfectly cured.

We, the undersigned, subscribe our names to the above testimonial, not alone as an act of justice to H. Dalley for his services in behalf of suffering humanity, but we are truly and find relief from the virtues of this extraordinary family salve.

W. F. BRODHEAD,
JOSEPH B. LATTIMER,
JOHN BROOKS.
DANIEL W. DINGMAN.

CAUTION TO THE PUBLIC.

NO article of any value has ever been extensively counterfeited than DALLEY'S GENUINE PAIN EXTRACTOR: The difference between the genuine and counterfeit will be easily defined, viz: DALLEY'S *original and only genuine Extractor*, in the severest burns and scalds, affords *instantaneous* relief. It draws out the fire and pain in a few minutes. And in case of wounds, sore and inflamed eyes, and all cases of external inflamation, its soothing effects are ever the same. The Counterfeit Extractors, on the contrary *irritate* when applied, and increase the pain:

Being cognizant of the danger attending the use of the Counterfeit Extractors, I distinctly declare that purchasers will only be sensible of the effects of Dalley's Extractor, unless the same be procured at my own Depot, 418 Broadway corner Lispenard Street, New York, or from the authorized Agents:

John G. Brown,	Agent,	Pottsville;
Fred'k Klett & Co.	"	Philadelphia;
John B Hicks,	"	Reading;
