says, for the Pennsylvanian's intelligence that it should not know any difference between "wool-carding and tailoring." The two professions are just as distinct as those of typefounding and writing editorials.

Pour Lo cofocoism-it is hard run, if it cannot find anything else to complain of but a miserable quibble, in which it exposes its ignorance of even trades. We cate not a fig whether he was a "tailor" or a "clothier"-he is able to "sew up" Locofecoism,, and "strip" it of all its talse and decentive

A Worthy Tribule .- Some of the Canadian papers were glothed in mourning on the receipt of the intelligence of the death of Gen. Taylor. Our English brethren know how to appreciate valor and worth.

The accouchement of the Queen of Spain' is momentarily expected. All the troops are kept constantly under arms, to act in case of emergency .- [Englsh? Paper. What in the world are the troops to do ?? such a case ? Who'll tell.

There is a man in the New York penitentiary, who had twenty-seven wives. He is just thirty-six years of age, and has been engaged in the matrimonial state business since he was sixteen.-[Ez. Paper.]

The above is a pretty tough story-but if true, the most effectual punishment would'

be, to confine him with a lot of his wives.
